F. L. Perkins of the Portland Telegram, is "doing" this term of the district court in the interest of his paper.

Perry Read of Culver, is spending the week in town, having been summoned as a witness before the grand jury.

Jesse Windom, a Culver rancher, is in town. Mr. Windom says that in the many years he has farmed in that section that he has not seen so poor a prospect for crops as there is this year. Even the growing grain on the heavy lands, he says, has made no growth, as the weather has been too cold and dry. Similar reports are heard from all over that section.

Claude C. Covey, superintendent of the Warm Spring Indian reservation, was attending the district court here the first of the week. He was a witness in an Indian divorce case—Kalama vs. Kalama. In granting a divorce to these people Judge Bradshaw said that although much of his experience on the bench has been in Crook county this was the first divorce he had ever granted to an Indian couple.

The best shoe values in town at J. E. Stewart & Co's.

Garden hose and hose supplies at J. E. Stewart & Co.

Mrs. C. R. McLellan of Redmond and her mother, Mrs. Trichler of Cline Falls, have been guests at the Hotel Prineville the first of the week.

Col. Smith and wife were given a surprise by the members of the Eastern Star Monday evening. The occasion was the 25th anniversary of their wedding.

The local chapter of the Epworth League expects to sell ice cream, sherbet, punch and home-made candies in the Moore building during the afternoon and evening of Saturday, May 9. It will be worth while to remember the date.

Albert W. Long, immigration inspector for the Department of Commerce and Labor, has been in the county for several days taking testimony from parties who have applied for naturalization papers. He returned to his home at Astoria Tuesday.

The Pilot Butte Development Company's office in Bend caught fire Saturday night and was burned almost to the ground. The firemen were called out and worked very effectively but the building was almost consumed before they succeeded in stopping the flames. The loss was partly covered by insurance.

Next Friday afternoon there will be a joint meeting of the Ochoconian and Alpha Literary societies in the assembly hall of the high school. As this will be the last meeting of the school year extra effort has been put forth to make it a success, and an interesting musical and literary programme has been prepared.

Miss Ethel Kidder returned Monday morning from Walla Walla where she reports having had a most enjoyable time. The declamation contest was decided in favor of Miss Watkins of The Dalles High School, with Boise High School second and Walla Walla third. Next year the Crook County School will be better prepared and hopes to obtain a place of honor.

R. C. Foster of Sisters, is in Prineville this week.

John Steidl a prominent business man of Bend, is in the city.

Do not forget the grand ball at P. A. A. C. hall on Friday evening, May 8.

DRUGGISTS

BEES-HONEY-MONEY

The bee industry in Crook County should be entered into by a great many more than now do. It doesn't seem to be generally known that they do exceptionally well here, and the price of honey is always high.

Bees travel from two to four miles to gather honey, so that if there is an alfalfa field within this distance from your place, you can profitably care for bees. We feel that a few stands of bees at every ranch will give the greatest returns on the money invested of any branch of industry on the place. We have recently received a complete assortment of Bee Supplies of the "Root's Patent" make, which are made different and from better material than the common western make. We can supply all your needs along this line.

Which CREAM SEPARATOR is Cheapest?

Several catalogue houses are offering "just as good" cream separators for sale at a lower price than the U. S. Cream Separator sells for. But before the unfortunate purchaser of one of these "small order" separators gets through paying the repair bills he finds that first cost isn't the only difference. The "cheap" separators soon get out of fix because they are built of cheap material, and loosely put together. The cost of repairs alone in the first year or two would pay the difference in price between one of them and a U. S. Separator. But more important still they do not skim clean, they waste cream at every skimming.

U. S. CREAM SEPARATORS

have stood the test of time. Many of them have been in use for 10 years or more, and have cost their owners next to nothing for repairs. They are easy running, skim cleaner than any others, have a simple, easy-to-wash bowl; enclosed, safety gearing and a convenient, low milk tank. See a U. S. Separator for yourself—that's the best way. They are sold by
