

BRANDY WINS RACE

Continued from first page.

start was finally made, "Brandy" finishing first with plenty of daylight to spare, "Lumber Jim" second; time 37 seconds. In the second heat of this race "Brandy" again went under the wire first, with "Seventy" second; time 35 seconds. "Seventy" took second money. Tom Williams was up on "Brandy," Bert Bagley on "Lumber Jim," Vol Officer on "Seventy" and Billy Robinson on "Lamonta." The three-quarter dash was a long time in getting started. "Masters," "Kamsack," "Schwitzer," and "John H." entered, "Kamsack" selling in the pools at about even money against the field. At about half past five o'clock the start was finally made, "Kamsack" finishing first, "Masters" second, with "Schwitzer" third; time 1:17.

The officials were: Judges, Will Wurkweiler, John Henderson and Sanders Logan; time-keeper, Dr. C. A. Cline.

TODAY'S RACES POSTPONED.

Today's (Thursday) races have been postponed until tomorrow on account of the rain. Friday's races will be pulled off Saturday.

\$2000 MATCH RACE SATURDAY.

A match race for \$2000 has been made between "Brandy" and "Wade Hampton." The money has been posted with G. N. Clifton. The race will be for three-eighths of a mile and will take place Saturday afternoon. This race in addition to the regular races will draw a big crowd.

Baccalaureate Sermon

At the Presbyterian church next Sunday morning, Dr. Dunsmore will deliver the Baccalaureate sermon to the graduating class of the high school. The service will commence at 11 o'clock. The class with the faculty will sit in reserved seats, and the music will be by a specially selected choir. Everybody is cordially invited. Evening worship and sermon in the evening at 8 o'clock, at which service the quartette will sing as usual.

MARRIED.

A. B. Roller and Miss Pearl V McFarland were married Sunday afternoon at the home of the bride's parents in Prineville. The ceremony was performed by the Rev. C. A. Housel in the presence of the relatives of the contracting parties and a few invited guests. After the ceremony dainty refreshments were served.

Mr. and Mrs. Roller are popular young people of the community where they have lived for a number of years. The young couple will go to housekeeping in a neat cottage on the north side of town.

BEES-HONEY-MONEY

The bee industry in Crook County should be entered into by a great many more than now do. It doesn't seem to be generally known that they do exceptionally well here, and the price of honey is always high.

Bees travel from two to four miles to gather honey, so that if there is an alfalfa field within this distance from your place, you can profitably care for bees. We feel that a few stands of bees at every ranch will give the greatest returns on the money invested of any branch of industry on the place. We have recently received a complete assortment of Bee Supplies of the "Root's Patent" make, which are made different and from better material than the common western make. We can supply all your needs along this line.

Which
**CREAM
 SEPARATOR**
 is Cheapest?

Several catalogue houses are offering "just as good" cream separators for sale at a lower price than the U. S. Cream Separator sells for. But before the unfortunate purchaser of one of these "mail order" separators gets through paying the repair bills he finds that first cost isn't the only difference. The "cheap" separators soon get out of fix because they are built of cheap material, and loosely put together. The cost of repairs alone in the first year or two would pay the difference in price between one of them and a U. S. But more important still they do not skim clean, they waste cream at every skimming.

U. S. CREAM SEPARATORS

have stood the test of time. Many of them have been in use for 10 years or more, and have cost their owners next to nothing for repairs. They are easy running, skim cleaner than any others, have a simple, easy-to-wash bowl; enclosed, safety gearing and a convenient, low milk tank. See a U. S. Separator for yourself—that's the best way. They are sold by
