

LOCAL MENTION

A. W. Morgan of Redmond was a visitor to the county seat Tuesday.

Born—On Sunday, June 7, to the wife of B. B. Olmsted of Paulina, a son.

L. V. Wilson left Tuesday for Haycreek where he has accepted a position with the B. S. & L. Co.

C. F. Smith and family are back from a three weeks' visit in Portland and other outside points.

Miss Stella Hodges and her mother have returned from a two weeks' visit in Portland and Eugene.

Ralph Poindexter is expected home Saturday from Corvallis, where he has been attending the Oregon Agricultural College.

J. L. McCulloch returned Monday from Portland where he has been attending a meeting of the State Jewelers' Association.

M. R. Biggs and wife returned from Portland Sunday morning. Mr. Biggs was a delegate to the State Democratic convention.

S. C. Caldwell of Bend was a business visitor Tuesday. Mr. Caldwell came over to meet Hitchcock, the hardware drummer, and buy goods for his business in Bend.

Adrian Crooks had no trouble in striking a good job in Portland. He is now the electrician at the Hotel Perkins. This popular hostelry owns and runs its own lighting plant.

Miss Ethel Horigan was given a pleasant birthday party last Friday evening. She was fourteen years of age and a number of her young friends was invited to make merry with her.

A. Bushey has been brought to town from the Porfilly ranch, where he had the misfortune to get both legs injured some time ago, one leg being broken and the ankle of the other crushed. He is in the old Hotel Prineville building, where he is rapidly recovering.

Next Sunday morning at the Presbyterian Church Dr. Duns more will speak on the subject "God's Plan for the Ages," being the first of a series of addresses on this topic, the outline of which he gave in his morning address two weeks ago. Christian Endeavor and evening services at the usual hours. The public are cordially invited to all the services.

C. O. Allison passed through Tuesday en route from Lewiston, Idaho, to Grants Pass. Mr. Allison came through Canyon City and Paulina and will go out by way of Bend and Silver Lake. He arranged a cyclometer attachment on his wagon and found the exact distances between the points he visited, by the roads traveled. He calculated the distance from Prineville to Canyon City by way of Paulina and Iree to be 140 miles and from Prineville to Lewiston, Idaho, to be about 510 miles.

Born—On Saturday, June 13, to the wife of S. M. Bailey, a son.

S. A. Prose and family left yesterday for a two weeks' outing on the Matoles.

W. F. King, who was a delegate to the Masonic grand lodge at Portland, got back Monday.

Ed Hodson has added a large and commodious garage to his machine shop. He is now prepared to do all kinds of repair work on any make of a buzz wagon.

John Schmeer came down from Crook the first of the week. He is getting his thoroughbred trotters in shape to take part in the October races of the Crook County Fair Association.

The social evening at the club rooms last Friday given by the Club and Ladies Annex was a very enjoyable occasion. The time was spent at cards, bowling and dancing, and refreshments of strawberries were served.

Ora Poindexter got mad the other day and concluded he would bustle the money to buy a new bass drum for the Prineville Band. He took a subscription list and canvassed the town and soon had about \$20 raised for the purpose. The new instrument has been ordered and will soon arrive.

Alex Macintosh, Will Wurzweller and Champ Smith were among the passengers that left in Poindexter's auto for Shaniko Monday. The machine returned Tuesday with Miss Iora Ward as one of the passengers. Miss Ward has spent the winter in Portland, and will take a vacation here with her father and other relatives.

There was quite an exciting bear chase at the Ike Blevena's place on the Ochoco the other day. A bear with her cubs was sighted and then the race began. The old female decamped instantly and left her offspring to shift for themselves. The mother was shot after a seven-mile chase. The cubs, which were about six weeks old, were taken alive.

George Storkmann accompanied by his wife, arrived in Prineville Monday from Lakeview, making the trip up in one week by private conveyance. Mr. Storkmann has gone to work preparing for the opening of operations in his cigar factory which he will establish here. He will occupy the building heretofore used by William Draper as a shoe shop, on Main Street. While here last Spring Mr. Storkmann made the preliminary arrangements by securing his factory number and otherwise complying with the Government requirements, and also ordered his stock of tobacco, which has already arrived, so that he will not be long in getting the factory in operation. Four different brands of cigars will be put on the market, and as Mr. Storkmann is an experienced cigar maker, he will doubtless be able to turn out a product that will build for him a profitable business.

Wm. Boegell of the Cove Orchard is in town with a load of cherries.

Arch Powell and Ban Puett left for Post the first of this week where they will work on the Stuart grade.

Warren Smith has returned from Shaniko where he went to take the examination before the state board of barber examiners.

Dr. Charles S. Edwards has returned from Portland where he went as a delegate to the Masonic Grand Lodge.

Nate Wurzweller arrived from Portland the last of the week where he has been attending the Hill's Military Academy.

Mrs. Norah Richardson, Mr. Hightower and Mrs. G. W. Bowles, all of Bend, passed through Prineville Tuesday on their return from Portland.

The icecream social given by the band boys at the courthouse lawn Tuesday night proved a financial success in spite of the coolness of the weather. Some of the cream was not sold that evening, but yesterday afternoon most of this was disposed of at the Moore building. About \$40 was received from the sales.

A. C. Sanford of Madras and Frank Forest of O'Neil, promoters of the oil prospecting operations which are going forward near Lamonta, were in town this week. Engineer Fred A. Rice went to the Lamonta neighborhood with them this week to do some surveying for the company. Drilling on the first well is expected to begin by next Monday and the operators are enthusiastic in their hope of striking oil. Several parties are making mineral filings on Government lands in the neighborhood of the place where the first drilling is to be done, with the hope of getting rich quick in case any oil is discovered. A sixty foot derrick has been constructed and the company is prepared to sink to a depth of several thousand feet.

Dr. Coburn is interesting large audiences at the Methodist Church this week with his stereopticon lectures. He has the best stereopticon probably that ever came in here, and all the pictures are good and much appreciated. The subjects for tonight and the rest of the week are: "Quo Vadis," "Lights and Shadows of a Great City," and "Tissot and His Famous Paintings." The lecture is preceded every evening by a song service which is led by Dr. Coburn himself. Sunday will be the last day of Dr. Coburn's stay and will be a great day with three meetings in which all the churches and pastors unite. At the eleven o'clock service the subject is, "Birth and Life," at eight o'clock, "Resurrection." At four o'clock a mass meeting will be held in the court house yard in which the band is expected to take part. Dr. Coburn will speak on the theme: "What is Under Your Hat?"

Frank Bosini of Crook was a business visitor the first of the week.

Note the specials advertised by J. E. Stewart & Co., for Saturday. It will save you money.

Duncan Macleod left Sunday to attend the K. of P. grand lodge meeting at Portland this week.

Miss Daisy McCallister has completed her work at the Portland Business College and is home on a vacation.

H. H. Rideout returned from Portland last night. He has been working as conductor on the line from Portland to Oregon City.

Word was received the first of the week of the death of Miss Kate Lister in Arizona on June 3. She was a sister of Hugh and Charles Lister of this place.

At the Prineville school district election held last Monday C. M. Elkins was re-elected a director and M. R. Elliott was chosen to succeed himself as clerk.

The Homer Barney crew of sheep shearers have returned from the Black Butte ranch at Lower Bridge, where they have been shearing 8000 head of sheep.

Deputy Forest Supervisor B. F. Johnson and E. Short went out to Green Mountain Friday, where a forest fire had started and was doing more or less damage to timber. The fire was put out after some little time. This is the first fire reported this season in this part of the National Forest.

Hose Company No. 2 gave a banquet last Thursday evening to the members of Company No. 1. There were about fifty firemen present. Councilmen Rosenberg, Clifton and Ward represented the city. The ladies of the Presbyterian Church furnished the good things to eat. The fire boys had a jolly good time.

George Tennyson arrived in Prineville Friday after having spent several days in getting over the McKenzie route from the Willamette Valley. Mr. Tennyson reports that snow is 30 feet deep at some points along the route and that much time and effort were spent in getting over the road. Many people are camped at the snow line on the other side of the summit, waiting for the snow to go out.

Pete Lehrman and George Myers had a very exciting run-away Friday on the McKay road a few miles north of town. A singletree broke and allowed the wagon tongue to drop to the ground, leaving one horse fastened to the wagon. After running a short distance the team became entangled in the wire fence at the corner of the Newsom place, and there became detached from the wagon and ran away. One horse received a bad cut on the fore leg and the other a few scratches, while Lehrman and Myers escaped unhurt.

Mrs. L. M. Hahn came up from Madras today to remain a few days.

BEES-HONEY-MONEY

The bee industry in Crook County should be entered into by a great many more than now do. It doesn't seem to be generally known that they do exceptionally well here, and the price of honey is always high.

Bees travel from two to four miles to gather honey, so that if there is an alfalfa field within this distance from your place, you can profitably care for bees. We feel that a few stands of bees at every ranch will give the greatest returns on the money invested of any branch of industry on the place. We have recently received a complete assortment of Bee Supplies of the "Root's Patent" make, which are made different and from better material than the common western make. We can supply all your needs along this line.

An Honestly-Made Work Shoe

Out of the same materials, one man will produce a masterpiece and another a "botch." You see good work is as essential as good materials. In shoes as in everything else. Good work and good materials together make good materials together make good shoes. Both are essential. You get both in every pair of

MAYER CUSTOM-MADE SHOES

The leather is all carefully selected to give long wear, tanned so as to be tough, yet pliable—to turn water without hardening. Made up by thoroughly skilled workmen—their careful, honest work is evident throughout. The result is a shoe that "feels fine" on the feet, that fits comfortably from the start; that gives protection in mud or snow or any kind of weather. The soles, seams and uppers will stand hard service—the hard knocks of hard work in field or factory. Every Mayer shoe is made with full vamp. And Mayer shoes for your every need—and for all the family.
