

Hot Stove—Cool Kitchen

How do you expect to endure the broiling days of summer if you prepare all the food over a glowing coal fire?

You need a "New Perfection" Oil Stove that will do the cooking without cooking the cook. It concentrates plenty of heat under the pot and diffuses little or none through the room. Therefore, when working with the

NEW PERFECTION Wick Blue Flame Oil Cook-Stove

the kitchen actually seems as comfortable as you could wish it to be.

This, in itself, is wonderful, but, more than that, the "New Perfection" Oil Stove does perfectly everything that any stove can do. It is an ideal all-round cook-stove. Made in three sizes, and fully warranted. If not with your dealer, write our nearest agency.

The Rayo Lamp

a substantial, strong lamp. Burns for hours with a strong, mellow light. Just what you need for evening reading or to light the dining-room. If not with your dealer, write our nearest agency.

Big Freighting Project Abandoned

The freighting project between Madras and Shaniko has been finally abandoned, says the Pioneer and the big road train which has stood at Shaniko for the past year will be shipped in once to the Holt Manufacturing Company at Stockton, Cal. This action was determined upon by the company after the recent visit of an expert sent here by them, the report made by the expert having been unfavorable. The road train, which was sold to the promoters of the enterprise under a guarantee that it could be successfully operated over the roads between Shaniko and Madras, did not prove a success on the first and only trial trip made with it, and the company organized to carry on the freighting business refused to accept the outfit. It was believed for awhile that the Holt people would make a second trial, but that purpose was abandoned after an expert had visited and inspected the roads.

The difficulty in the way of the successful operation of the road train was in the character of the roads, the narrow grades and short turns in Cow canyon making it impossible to successfully operate the train without the expenditure of considerable money in road building, and this expenditure was not believed to be justified.

Redmond News.

Redmond, Or., June 21. Mrs. Carmelia left here the first of the week for the old home in New Jersey.

A school picnic is scheduled for next Saturday at the schoolhouse grounds. This departure from the usual riverside picnic is taken that the men may bring along their grubbing hoes, picks, plows, spring-tooth harrows, floats and other implements of improvement and clear up the school house grounds. While they are doing that the ladies will cheer them on and make ice cream and serve other good things that will have been already made.

At the school district meeting held last Monday B. A. Kendall was elected director and J. H. Jackson, clerk. This makes a school board composed of F. T. Redmond, J. O. Hansen and B. A. Kendall, with Mr. Redmond as senior member and chairman of the board. No tax was levied, that being left until later when the tax roll is made up.

The Modern Woodmen held an enthusiastic meeting last Saturday for the last one of the semi-annual term. Several visiting neighbors were present and Neighbor S. Sroufe laid over for a day on his way from Silver Lake to Shaniko in order to attend.

With this issue J. E. Lamb ceases to be a source of weekly news, as he got home the first of the week, as pleased as any boy to be home again.

Another copious shower yesterday and last night does the hearts

of all the dry farmers good—and the irrigators, too, for that matter.

Mrs. G. A. Lilly is considerably under the weather at the present writing.

Rumors have been quite persistent of late that a bank is about to be started in Redmond. Possibly a trip to town tomorrow will reveal more.

Later.—We saw the letter from Edw. Johnson, cashier of the bank at Sexton, Iowa, saying he had succeeded in organizing a bank for Redmond and had shipped safe, office fixtures and checks, and that Mr. George Ehlers, cashier of the Redmond Bank would be along soon. That looks somewhat like business.

Mrs. Kenyon reports that she and Cecil drowned out 49 gophers one afternoon.
