John B. Brown of Culver was a caller at the Journal office Tuesday having come in that day on business. From 69 acres planted to Walla Walla club wheat on his place this year he harvested 800 bushels of grain, which he believes will grade as No. 1 wheat. George W. Kidder, who lives nearby, got 1300 bushels of wheat off 120 acres. Smith & Williams of Madras did the threshing.

Henry E. Beard of Cliff, and G. T., his brother, were in Prineville, Wednesday, from Lake county. They report everything as looking fine in their part of the state and also predict the early construction of the east and west railroad line just south of where they live. Their district is devoted entirely to stockraising, and there are plenty of fat cattle on the ranges this year.

Randolph Ketchum is singing all the illustrated songs at the moving picture show at present, being accompanied on the piano and in the chorus by Miss Gertrude Hodges. The song which has attracted the most attention this week is "Where the Niobrara Flows," an Indian melody with nature settings. The pictures "which move" are pathetic, inspiring, instructive and funny. There is more than one laugh in the exhibition this week.

C. A. Newbill of Grizzly was a caller at the Journal office Wednesday. He stated it as his opinion that most if not all of the recent forest fires were caused by lightning, citing as an instance in point a thunderbolt, which fell vividly near his own home. Going out immediately after the flash he noted where the lightning had torn down a tall tree, setting the grass aflame beneath. Had Mr. Newbill not been there it would probably have meant one more forest fire, but as it was he extinguished the incipient blaze.
