

**LOCAL MENTION**

R. E. Simpson left the first of the week for Portland.

Roy McCord is behind the counters at The Leader, working for I. Michel.

Oliver Adams has accepted a position with Lively, Jordan & Lanins.

Mrs. Wilmarth has gone to Burns on business and will remain there for some time.

Miss Alwilda Wilson now has 33 pupils in her second grade class, the largest in the city.

There has been but one registration for the presidential election thus far. The books close October 20.

Harvest supper will be given by Powell Buttes grange Saturday night at Shepard school house.

Carl Ehret, proprietor of the store and postmaster at Redmond, was a business visitor in the city this week.

Charles Lester and J. W. Johnson started for Shaniko Tuesday with 130 head of cattle for the Portland market.

J. M. Minkler left on today's stage for Portland. Mr. Minkler has sold his ranch east of town to his son Arthur.

W. F. King has purchased twenty stands of Italian bees from J. M. Minkler. This is the largest collection of "blooded" bees in the county.

Robert Day left the last of the week for a visit in Walla Walla. He was accompanied by Miss Lora Stearns who will have her eyes treated in that city.

Charles A. Miller passed through Prineville early this week with 3,100 head of sheep which are about from the summer range on the Cascades to winter pasture on the McKay.

Sheriff Frank Elkins reports taxes coming in well for the second half of the year. Deputy John Combs says the county has received \$1,500 more than was looked for a week ago.

Ed Smith has leased the old Baldwin feed yard, by the Ochoco bridge in this city, for a period of 6 months and will likely continue to run it longer. His advertisement appears in another column of this issue.

After the first Monday in October all taxes remaining unpaid on the 1907 roll became delinquent and, according to the law enacted by the last legislature, may be paid by any party desiring to acquire tax title to the property involved.

F. C. Sharkey, commission man at the Portland stock yards, recently told J. H. Gray of Post, this county, that the cattle shipped to Portland from Crook county were by long odds the best in the Northwest, including every county in Washington, Idaho and Oregon. Mr. Gray received \$15 more a head for his cattle than owners of common stock received. And this is only one instance.

**Wear Insured Sox**

Are your socks insured? Our "Holeproof" Sox are insured for six months. This is the guarantee—Buy six pairs of "Holeproof" Sox for \$3.50 and if any or all of them come to holes or need darning in six months we will replace them with new Sox FREE.

**Holeproof Sox**

are dyed with absolutely fast colors. They will not "crawl," "rust" nor fade. "Holeproof" Sox do not shrink nor stretch. You can buy them in assorted colors—six pairs of a size and weight in a box.

Wear "Holeproof" Sox once and you will never wear any other kind. Remember—they are guaranteed to wear six months or you get new Sox FREE. Let us sell you a box today.

**J. E. Stewart & Co.**

**LOCAL MENTION**

James Fox of O'Neil was a business caller Monday.

E. A. Baldwin of Portland is registered at the Prineville.

Moses Niswonger has leased his stage station to Mr. Osborn.

Ira Paxton and P. Chitwood came over from Grizzly Wednesday.

Judge Ellis came over this week from Bend on probate business.

E. G. Titus and C. L. Eaton, from Portland and Bend, are in the city.

Messrs. Ritchie and Bogue were over early this week from Rosland.

Phillip Graham and William Joslin were in Wednesday from Haycreek.

J. C. Robinson, the Madras merchant, was a business caller Saturday.

M. J. Lemons of Buck creek was a caller at this office the first of the week.

Mrs. Thomas Stockley and Miss Ida Stockley of Sisters were in the city Tuesday.

Snow fell Friday on Bear creek. This is the first reported in Crook county this fall.

W. Frank Petett broke his cornet during the week and had to send it to San Francisco to be repaired. This mishap prevented the band concert Sunday.

The Nelson-Martin party, reported fully on the first page, reached Prineville by auto Wednesday night, leaving this morning for Bend, Rosland and Lakeview.

Mrs. Sophie J. LaFollette, better known as Grandma LaFollette, who has been visiting relatives in the Willamette valley, returned on today's stage.

Rev. C. A. Housel writes from Dayton, Wash., that himself and family arrived there safely and that they found both city and church all if not more than expected.

Tillman Reuter of Madras came in this afternoon with a load of farm products for the fair. This is the first to arrive. You will have to go some to keep ahead of these Madras people.

Sunday's stage was delayed eleven hours by reason of a slight accident on the Shaniko branch, caused by the derailment of a car. The train did not reach Shaniko until 3:37 Sunday morning. The stage got here at 6 p. m.

There has been considerable correspondence between the Prineville authorities and the state board of health relative to the case of smallpox at Bend. Inasmuch as no new cases have developed and because there is no fear of contagion there now, no quarantine will be established.

Frederick A. Graham, of New York, representing the compiling department of Munn & Company, publishers of the Scientific American, took six orders here this week for Munn's new unabridged Americana at about \$100 a set. The work contains 19,000 biographies alone, is profusely illustrated and embraces the thought of the best minds of America and Europe on every possible subject, past and present.

Three new artesian wells are about to be sunk by the city water company, to add to the supply and for other purposes. When Mr. Gates, one of the owners of the company, was here a month ago from his home at Hillsboro, he determined to have the water system completely overhauled, so that its purity would be put beyond question. This has been done, the new wells being part of the general plan. They consist of two 8 and 4 inch pipe tubes, each, with a cement lining intervening to prevent corrosion.

**LOCAL MENTION**

Ralph Poindexter is the pharmacist at Winnek's.

Walter Ruble of Culver was a business visitor Monday.

John Morris is still confined to the house. He is reported as some better.

J. S. McMeen of Lamonta was at the county seat Tuesday on business.

Perry Poindexter will open his skating rink on the north side Monday evening.

Judge and Mrs. W. A. Bell have returned from their two weeks' tour to outside points.

Elmer Martin of Culver and Stanly Morris of Prineville are two ninth-grade pupils that entered the high school this week.

Merry men and maidens thronged the P. A. A. C. hall Monday evening for the first night the new roller skates were used. The Prineville band furnished the music.

Mr. and Mrs. W. M. Harvey of Lakeview are visiting at the home of their daughter, Mrs. George Storkmann, who is just recovering from a slight attack of typhoid fever.

G. Springer of Culver was in the city Monday on business relating to the forthcoming Crook county fair. Mr. Springer has charge of the poultry department.

Columbus Johnson, Lou V. Tice and Bruce Balfour are on the way with several hundred head of cattle from the Paulina country for the Portland market.

Miss Irene Barnes, after teaching school in the grades for two years, has returned to the Crook County High School to finish her fourth year, the fourth year course not being extant when she completed her third year three years ago.

Revival services continue at the Methodist church with unabated interest on the part of members and lending members of the evangelical churches. Rev. C. R. Haudenschild may close these services next Sunday though there is a possibility of continuing them for another week. From here the evangelist will go to Vancouver, Wash.

C. J. Sundquest is still laid up on his dry ranch near Lamonta gap as a result of the injury he sustained to his leg near Madras three months ago. He, his wife and seven children have been living in two small rooms and a tent, a forlorn and pitiable condition with the approach of winter. Prineville camp, Modern Woodmen of America, of which Neighbor Sundquest is a member, assessed its membership in sum sufficient to keep the family during the period of disability. Sunday, eight Woodmen chosen for the purpose visited the Sundquest place and built an addition, 12x24 feet, to his house, the materials having been furnished by the camp.

**LOCAL MENTION**

J. G. Edwards of Haycreek was in the city with his auto this week.

Mrs. J. E. Wilson and children, now living near Madras, expect shortly to join Mr. Wilson in Prineville.

J. H. Gray passed through Prineville the other day with 200 or more beef cattle for the Portland market.

George Milllean came in from his Bear creek ranch to spend Sunday, bringing his wife back to town with him.

George Milllean, Dunham Bros. and Mike Mayfield are only a few of the Bear creek ranchers who are sending hundreds of head of cattle to the Portland market.

The Ladies' Annex will give its opening dance at P. A. A. C. hall Friday evening, October 16. Morgan's Orchestra will furnish the music. There will be no spectators' tickets—the dance admission price will be collected from all members of the sterner sex.

State Supt. Ackerman, Prof. Alderman, George Jones of Salem and R. A. Ford left this city early Saturday for Laidlaw, where they addressed the grange Saturday afternoon. They returned as far as Redmond immediately afterward, speaking there Saturday night.

A false alarm of fire was turned in Sunday evening that came near resulting fatally to Howard Turner, who was brought to Prineville about ten days ago suffering from typhoid fever. When the fire bell rang Turner tried to get out of bed. The muscular effort caused a severe hemorrhage which came nearly choking him to death. At the fire meeting Monday night the bell was not allowed to be rung.

J. Roy Harvey, forest ranger for the middle division of the Cascade forest reserve, arrived today from Rosland and will be here a few days before going into winter quarters at Eugene. He says all the men in his division of which there are fifteen, have been busy all summer fighting fires and inspecting applications for power plants and railways. There have been several applications for power plants in this district, the most of them coming from the Southern Pacific railway company.

Prineville people, and all others in the U. S. A., who have occasion to send mail to Great Britain in future need only affix a two cent stamp to such foreign letters, the rate for first class matter being now the same as in the United States, Canada, Mexico, Cuba and United States possessions. Foreign mail rates on all other matter remain unchanged, except that parcels not exceeding eleven pounds in weight may be sent to the United Kingdom by mail, though the limit of weight in this country is four pounds.

**Wanted-To Trade.**  
Will trade a 14-disc McSherry Grain Drill (with grass and seed attachment) in first-class condition for fresh milk cows.  
10-11 R. F. GREEN, Bend.

**LOCAL MENTION**

Bliss Hodges and Emily E. Powell proved up on their timber claims today.

R. E. Jones returned the last of the week from a business trip to Portland.

Floyd Huston left today for the Willamette valley to get his winter's supply of fruit. He was accompanied by Henry Burchdorf.

The exhibition here of a film entitled "Swedish Winter Sports," showing fancy skating, tobogganing, skiing, ice boats, lake racing, etc. brought out large audiences at the local moving picture show Tuesday and Wednesday nights of this week. During fair week the management will keep the moving picture show open from 5 o'clock in the afternoon until quite late at night, as late as patrons desire.

The Prineville city council Tuesday evening authorized the framing of a city charter more in conformity with the present growth and needs of a city of this size. The present charter has been extant for nearly forty years and many of its provisions are far too antiquated for a municipality like Prineville. Authorization was also made for repairing the Ochoco bridge within the corporate limits, the structure now being in an unsafe condition as a result of age.
