LOCAL MENTION

J. L. McCulloch left today for a trip through the Eastern part of the state.

Mack Cornett has gone to his ranch at Willow Creek to superintend the planting of spring crops.

Work of improving the City Park tract has been commenced. The ground is being broken up and mature hauled and some trees which are being taken out of the court yard are being planted there.

Perry Long got back yesterday from his trip to Sisters, where he has been measuring the new road from Clime Falls to Sisters. Perry has the mail contract and the distance traversed by the new road was a matter in dispute. Instead of being a half mile shorter it was found to be between 2000 and 3000 feet longer.

At a meeting of the Prineville Concert Band last night it was decided to purchase a new bass horn and a new cornet, and the order for these instruments will be sent out at once. The applications for membership of J. E. Stewart and John R. Luekey were received and unanimously accepted. The membership now numbers 15. Other new instruments will be purchased as soon as the funds are available.

Don't fail to call and inspect the fishing tackle at Petett's.

Free Knives with Shoes.

With each pair of shoes bought at our store on Saturday, April 3—men's, women's or children's—we will give absolutely free one of the attractive novelty pocket knives, shown in our window. Our shoes are the best that money can buy and are guaranteed to give satisfaction. The knives are nobly one. See them. Clifton & Cornett, The Brick Store.
