Rules for Using City Water

To persons who intend using water from the P. L. & W. Co. mains during the season of 1909:
Commencing May 1st we will be ready to furnish water for lawn irrigation from 6 to 8 a. m., and from 5 to 8 p. m. Please do not construe this to mean that you are entitled to use the water for five hours per day whether your ground needs the moisture or not. It does mean this, that you may use the water during the prescribed time in quantities sufficient to keep your vegetation green. Water in all cases must be used through a hose with a suitable sprinkler or spray attached to the end of said hose. We positively will not allow water to run to waste, flooding and allowing water to run through an open hose, and using water before and after hours will be prohibited, and the person who, in our judgment, is breaking the rules, will at their own expense be required to install a meter on their irrigation service. Exclusive garden irrigation will be furnished only through a meter. We reserve the right to say what kind of a meter shall be used. Also all hose must be kept in good repair and no leakage to occur between the faucet and the sprinkler. All leaking faucets and stop-wastes must be repaired.

We wish to impress on water users that irrigation is a privilege allowed to regular water customers, and the time is close at hand when only those who are regular water customers will be allowed the privilege of using water for irrigation. And we also wish to call your attention to the fact that there is a charge on bath-tubs and toilets in private residences of 50 cents each.

Commencing May 1st, 1909, we will charge for stock watered from our mains at the rate of 20 cents per month for one horse or cow, and 25 cents for each additional horse or cow. This does not apply to livery stables paying regular rates.

In conclusion we request those who intend using water for irrigation to notify us before commencing to use it. And we insist that all equipment used for irrigation be put in first-class condition. Please attend to it at once and avoid annoyance and delay. Yours truly,
P. L. & W. Co.

Vital Treatment

DR. A. W. GRATER,

Prineville, Oregon.

The system I employ is the development of the sixth sense—no drugs, no instruments—no questions asked. Patients are relieved free of charge. All forms of chronic diseases successfully treated. Prices very reasonable. Dr. Grater can now be consulted at his rooms at the Poindexter Hotel.

The following testimonials are from patients I have treated at Bend, Oregon:

Bend, Or., Jan. 21, 1909.
My little boy had been suffering for the last year with heart, kidney and stomach trouble until I took him to Dr. Grater and he gave him seven treatments and now he looks well and is hearty.

Mrs. LOUISE ENCKSON.
Bend, Or., Feb. 10, 1909.
Dr. A. W. Grater—I cannot find words to express my gratitude to you for the great benefit and relief which I received from your treatment. I will gladly recommend anyone for treatment of female, liver and kidney trouble of which you cured me. Very truly yours,
MRS. LUELLA GRIFFIN.

Bend, Or., Feb. 20, 1909.
Dr. A. W. Grater—I want to tell you how grateful I am for the complete cure of female sciatica and rheumatism. I think the treatment wonderful. Gratefully yours,
MRS. EMERSON.

Bend, Or., Feb. 12, 1909.
Dr. A. W. Grater—I will gladly recommend anyone for treatment of kidney, liver and constipation of which you cured me. Yours truly,
R. A. PERRY.

Bend, Or.
Dr. A. W. Grater, Prineville, Or.—Dear Sir—I want to recommend your wonderful treatment to the public at large. When you began treating me I was very low with a complication of diseases. My heart was so weak I could hardly get my breath and my legs in bad shape. Now I am feeling right along and feel sure I am cured. All I need now is warm weather and I will be a well man. I have been talking to several of your patients and they say that they have been cured of old chronic diseases. I feel that God is with you in these wonderful cures. Gratefully yours,
JOHN SIZEMORE.

Notice of Final Accounting.
Notice is hereby given by the undersigned, the administrator of the estate of Commodore Carroll, deceased, that he has made and filed with the clerk of the county court, his final accounting of his administration of said estate, and that the said court has set the 9th day of May, 1909, at the county courtroom in Prineville, Oregon, as the time and place for hearing and settling said final accounting. At which time and place all persons interested in said estate may appear and object to said final accounting.
J. H. HANSEN,
Administrator of the estate of Commodore Carroll, deceased.

O'Neil-Williamson

Wedding Sunday

Mr. Charles C. O'Neil and Miss Katharyn Z. Williamson, second daughter of Hon. and Mrs. J. N. Williamson, were quietly married at the home of the bride's parents in Prineville last Sunday, April 11, 1909, at 1 o'clock p. m., Rev. J. D. Lewellen, pastor of the M. E. Church, officiating.

The wedded pair left immediately after the ceremony in the White steamer auto for Shaniko, amidst showers of rice, old shoes and the good wishes of their many friends. After spending a short time visiting with the groom's relatives at Denver, they will make their home at Wakeeney, Kansas, where Mr. O'Neil will take the management of a large hardware store which his brother has just established there.

The bride was born in this county and has spent most of her life here. The groom is an estimable young man who came to Prineville about three years ago. Although urgent appeals had come for his return home, he and Cupid found it necessary to camp for awhile, but Cupid finally won, and the happy couple have gone away to take up their life together.

LOCAL MENTION

A new post office will soon be established to be known as the "Powell Butte" office. Moses Niswonger has received the appointment of postmaster, with Mrs. Niswonger as assistant, and the office will be opened as soon as his bond is received and approved by the department. The bond has already been forwarded. It is expected the office will be opened about the 25th.—Bulletin.

A delegation of Prineville Masons went to Bend Saturday to assist the new Bend lodge in some of their work. The visitors were: D. P. Adamson, Carey W. Foster, B. F. Johnson and Claude Smith, who went over in Lafollette's auto, and T. M. Baldwin and M. E. Brink, who drove over in private conveyance. They report having a royal time. One of the features of their entertainment was a Deschute trout supper.

Ed Harbin came down the first of the week from the R. E. Jones saw-mill above Howard. Mr. Harbin is engaged in rearranging the machinery in the mill and is getting things in first-class shape. Last Saturday the saw was started and in a little over a half-day's run over 9000 feet of fine lumber was turned out. The mill men think that when Harbin gets through with the improvements they will have the most conveniently arranged lumber plant in the county.

Dr. H. C. Dunsmore writes to the Journal under date of April 7 from Independence. Among other things he says: "Arrived here yesterday (Tuesday) noon, and am domiciled in the home of Dr. Butler and family until other arrangements are made. The country here looks beautiful, the grass so green, and the fruit trees in bloom. Of course, 'tis too soon yet for roses, but the bulbous plants such as tulips, narcissus, daffodils, etc., are in great abundance."

Jasper T. Gulliford, who was one of the first settlers in the Ochoco country, having engaged in the stock business there in 1868, was in town during the past week from Eugene, where he now resides. Mr. Gulliford left the Ochoco several years ago and went to the Alberta country, and having disposed of his interests there last year at a good figure, he came back to Oregon to live. He was in this section looking over the country and says that he notes many changes since the early days when he rounded up stock in this locality.—Madras Pioneer.

John Ogler of San Jose, Calif., who has extensive cattle interests at the head of Bear creek, passed through town today on his way to California. He has been visiting his ranch for a week or more. Mr. Ogler was accompanied by Mr. Shattuck, who is interested with him in the cattle business. Nineteen years ago Mr. Ogler used to ride after cattle in this county. He says the country is settling up so fast he could hardly recognize it. Where there used to be nothing but sand is now dotted with comfortable homes.

ECZEMA LODGES IN THE SKIN

Not a Blood Disease—Cured by Oil of Wintergreen Compound

For many years eczema was supposed to be a blood disease and was erroneously treated as such, but now the best authorities agree that eczema is only a skin disease and must be cured through the skin. The eminent skin specialist Dr. D. D. Dennis, first discovered the eczema germ and his discovery was quickly taken up in Germany and France.

To kill the eczema germ and at the same time heal the skin, Dr. Dennis compounded oil of wintergreen, thymol, glycerine, etc. The remedy is a liquid, not a mere salve, hence it sinks right into the pores of the skin. Washing with this oil of wintergreen compound seems to take away the itch at once; soon the scales drop away and the disease disappears. The prescription has now been used so long as to have proven its absolute merit and we do not hesitate to express our confidence in D. D. D. Prescription as used with D. D. D. Soap.
