

ROYAL BAKING POWDER

Thousands of millions of cans of Royal Baking Powder have been used in making bread, biscuit and cake in this country, and every housekeeper using it has rested in perfect confidence that her food would be light, sweet, and perfectly wholesome. Royal is a safeguard against the cheap alum powders which are the greatest menaces to health of the present day.

Prineville May Get New City Hall.

The proposal to erect a new city hall in Prineville is now receiving some consideration at the hands of the council. While the matter has not yet gone further than unofficial discussion, the idea seems to be in favor with every member of the council and the mayor. At the present time the city is paying rent enough to cover the interest of an investment of about \$2000 and the city authorities are casting about for a plan by which the town could erect a building at a modest cost on their property now occupied by the old First National Bank building and the city strong house.

The council held its regular monthly meeting last Tuesday evening. Not much of importance transpired, routine business occupying the attention of the meeting.

On roll call Mayor Stewart, Councilmen Shipp, Yancey, Cram and Adams were present, Councilman Lipman arriving later, with Councilman Clifton absent. Recorder M. D. Powell was in attendance.

The minutes of the last regular meeting and of the two special meetings at the call of the mayor, at which M. D. Powell was elected recorder and M. R. Elliott appointed to represent the city in its case in the circuit court, were read and approved.

W. H. Kinder appeared before the meeting with the request for a right of way for a water conduit across a street for the purpose of utilizing the waste water from the water tank of the Prineville Light & Power Co. which was granted, on the condition that the conduit be buried where it crossed the street.

The finance committee reported a settlement with ex-Marshall J. H. Crooks of a shortage of \$14.50 as shown by the report of Expert Max Crandall. The money was paid under protest and a record made to that effect.

The license for six months of Frank E. Brosius for the operation of the moving picture show, amounting to \$40 was reported paid.

Marshal Huston's report for the past month showed that five arrests had been made. Three of the persons arrested had worked their fines on the streets, one paid his fine and the other had forfeited his bail.

The quarterly report of City Treasurer J. W. Boone was read and placed on file. The report showed receipts from all sources from Jan. 1 to April 1 amounting to \$2096.64; warrants cancelled, \$1700.44; 13 unpaid warrants, \$285.24; cash on hand, \$110.96.

C. L. Shattuck reported that the new fire hydrant had been installed on the intersection of Nichol and 9th streets and was ready for the acceptance of the city. The council directed that Fire Chief B. F. Johnson test the hydrant for its efficiency and report to council.

The following bills were audited and ordered paid:

Wiford Belknap, leader, Irene Barnes and Agnes Elliott will defend the negative. The silver cup donated by C. I. Winnek last year is now held by the Alpha society, but should they lose in the coming debate it will pass over to the Ochoconians who will keep it until it is lost by defeat. As has been the custom heretofore, each member of the winning team will receive a gold medal.

A special musical program is being arranged for the evening. Tickets are now on sale and may be purchased from any high school student, or at Winnek's drug store.

The matter of providing some secure place for the keeping of the city's books and records was discussed by the council. It was the general opinion that some provision should be made, but no definite action was taken.
