

**HURRAH
FOR
THE
FOURTH
OF
JULY**

Get your money's worth

People are getting tired of it—getting tired of being held up—they want their money's worth now—the gold brick days are over.

People used to be willing to smoke cabbage leaves in place of Havana and pay good money for it if they got a premium or coupon—willing to buy tea and pay twice its worth just to get a dish free—those days are over—people want their money's worth now—they want what they pay for—value received.

The line of general merchandise we sell offers you your money's worth—we don't have to offer you a lot of cheap inducements to hide cheap quality. When you buy a pair of shoes we don't throw in a premium, your money goes into the value of the shoe. It's the same with our clothing, hats, dry goods and groceries. We sell you the genuine article at a reasonable price. **THAT'S ALL. THAT'S ENOUGH.**

Pretty Wedding at W. A. Booth Home

At 8 o'clock last evening a pretty wedding took place at the home of W. A. Booth, when Mr. James Cyrus Price of Salem, and Miss Iva Booth were made man and wife.

While the guests were assembling under the tall trees on the beautiful lawn, Miss Celia Nelms sang in her pleasing manner "The Sweetest Story Ever Told." As Miss Crooks played "Lohengrin" the bride and groom, accompanied by the bride's brother, Mr. L. A. Booth and Miss West of Bend, took their places beneath a white bell suspended from a bower of fragrant locust bloom. where Rev. Mr. Lewellen performed the ring marriage ceremony.

The bride was dressed in white satin and carried a bouquet of white roses.

After hearty congratulations the wedding party and guests were seated on the lawn and delicious refreshments were served.

Miss Marion Rice was the fortunate finder of the ring in the wedding cake, and Miss Birdie Morris caught the bride's bouquet.

The happy couple were the recipients of many beautiful and useful presents, including numerous pieces of cut glass, silverware, linen, china, etc., also a check for \$600 from the bride's father and one for \$100 from her mother.

After returning from their wedding trip Mr. and Mrs. Price will be at home in Salem, where Mr. Price is engaged in mercantile business.

Picknickers Visit Stein's Pillar

Just a round dozen of young people made up a party that went to Stein's pillar on Mill Creek last Sunday from this place, where they had all the joys usually attendant upon a picnic and fishing excursion well flanked up with a heavy dinner basket, and a feast of fried trout. The picnic was given in honor of Miss Mabel Smith of Arlington, who is a guest at the Williamson home in Prineville. John Wigle hauled the crowd to and from the picnic grounds in his big bus. Those who attended were: Misses Mabel Smith, Edna Williamson, Beniah Crooks, Beniah Hyde, Nellie Reynolds, and Birdie Morris, Messrs. E. L. Ashby, Max Hofer, John R. Luckey, L. C. Morgan, Warren Crooks and Warren Lister.

Five New Postoffices in Crook County

The establishment of five new postoffices in Crook county has been authorized by the department, two of these on the Prineville-Burns road and three for the district up Crooked river, which has heretofore been supplied with a very unsatisfactory service.

One office will be located at Saplee, with Mrs. Clark as postmaster, and the other will be at Fife, with Mrs. Scoggin as postmaster.

For the Crooked river section there will be offices at Barnes, 50 miles up the river from Prineville, Harry Barnes, postmaster; another at Held, Paul Held, postmaster, and the third called Nye, with Granville Nye, postmaster.

These offices have already been established and recognized, but the routes for supplying the offices regularly have not yet been created. This action will doubtless soon be taken.

Road Builders At Grass Valley

A dispatch from Moro to the Portland Journal, dated June 29, says that the Harriman railway forces have opened headquarters in the French & Downing building at Grass Valley for the first 40 miles of the road up the Deschutes. Rooms and board for 12 men are engaged permanently for the office force and supper and breakfast for the first 100 men on the way to the camp, who expected to arrive at Grass Valley June 30.

Notice to Artisans.

All members of the United Artisans are requested to meet at Belknap Hall on the morning of the fifth of July, the day of the celebration, at 9 o'clock. Mrs. WILDA BELKNAP, Secretary.

OF BENEFIT TO ALL

Kasparilla is the name of a new remedy most successfully prescribed for a "world of troubles." For derangements of the digestive organs it is a natural corrective, operating directly upon the liver and alimentary canal, gently but persistently stimulating a healthy activity. Its beneficial influence extends, however, to every portion of the system, aiding in the processes of digestion and assimilation of food, promoting a wholesome, natural appetite, correcting sour stomach, bad breath, irregularities of the bowels, constipation and the long list of troubles directly traceable to those unwholesome conditions. Kasparilla dispels drowsiness, headache, backache and despondency due to inactivity of the liver, kidneys and digestive tract. It is a strengthening tonic of the highest value. If it fails to satisfy we authorize all dealers to refund the purchase price. HOYT CHEMICAL CO., Portland, Oregon
