

YOU PROVE IT!

An invitation to all owners of cylinder machines Columbia and others.

We could argue the quality of Columbia Indestructible Cylinder Records until a year from now—but what good would it do if you could not prove it for yourself by coming into our store and seeing and hearing it? We could print a whole newspaper every day about the special and original Columbia processes of manufacture—and get nowhere at all if the Records did not bear the evidence.

COLUMBIA INDESTRUCTIBLE CYLINDER RECORDS

won't break, no matter how roughly they are used, they won't wear out, no matter how often they are played. Moreover, their tone is far purer, clearer, more brilliant than that of any other cylinder record made. Don't merely take our word for it—come inside our store and listen. Cost 35 cents!

NATRON-KLAMATH ROAD TO BUILD

Harriman Issues Call For Bids on About 60 Miles

Bids for the construction of 59.48 miles of the Oregon Eastern Railroad, projected from Natron to Klamath Falls, will be received in the Southern Pacific offices in San Francisco during the next two weeks says Saturday's Oregonian. Of that mileage, 34.24 miles will be constructed southeasterly from Natron, while the remaining 25.24 miles will be built in a northwesterly direction from Klamath Falls.

Bids for the construction of the Klamath Falls end of the extension must be submitted on or before June 30. Contractors, however, are allowed until July 10 to submit proposals for building the 34 miles of the track from Natron, the present northern terminus of the projected road. Local Harriman officials will make no estimate of the probable cost of building the two sections of this

railroad but it is believed the improvement will involve an expenditure of approximately \$2,225,000. General Manager O'Brien and Chief Engineer Boschke, of the Harriman lines in the Pacific Northwest, were advised late yesterday afternoon of the proposed extensions in the Oregon Eastern. The information came in a letter from Chief Engineer Hood, of the Southern Pacific at San Francisco, who requested that Portland contractors be advised and given an opportunity to submit bids.

The two extensions, aggregating about 60 miles, for which bids have been asked, cover about one-third of the length of the proposed road, which, according to the approved survey, will be 198.6 miles in length from Klamath Falls to Natron. The extension of 34.24 miles out of Natron is all in Lane county and is regarded a heavy piece of construction work. It will extend in a southeasterly direction and will penetrate both a mountainous and a heavily timbered section. Construction of the Klamath Falls end of the authorized extensions will not be as difficult. From Klamath Falls the route of the railroad extends northwesterly and the extension of 25.24 miles will terminate in the vicinity of Survey station, at a point

somewhat northerly from Sprague River. The action of Harriman in calling for bids for extending this road by beginning work simultaneously at Natron and Klamath Falls is accepted as conclusive evidence of his determination to complete its construction. It is figured that to build the 60 miles of track for which bids have been invited will practically exhaust the appropriation that has been made for this road for the ensuing year. For that reason additional appropriations for further extensions are looked for next year.

There can be no question of the ultimate purpose of Harriman to complete this road between Natron and Klamath Falls. Completion of the extensions for which proposals have been asked cannot in themselves add materially to the value of the property. By extending the road 25 miles northerly from Klamath Falls, the northern terminus of the southern extension would reach only into the heart of Klamath county. The construction of an additional 35 miles southerly from Natron would terminate the road from this end in a mountainous and sparsely settled district.

For these reasons it is patent from a practical business consideration that the Harriman interests will complete the road as soon as possible and place the investment on a revenue-earning basis. The primary purpose in projecting this road was to provide for the Southern Pacific a better grade for crossing the state and thereby avoid the more difficult passage now followed over the Siskiyou Mountains. When completed, the Oregon Eastern undoubtedly will become the main line of the Southern Pacific between Portland and San Francisco.

Not only is the road regarded by Harriman as the most practical for routing his Portland-San Francisco traffic, but it also enables him to reach an immensely productive area on the edge of Central Oregon, which is without transportation facilities. In addition to serving these purposes, the Oregon Eastern also will furnish the Union Pacific magnate an ideal starting point for constructing an extension through the central part of the state.

It is known that Harriman eventually intends to build from his western Oregon property to Vale and Ontario. At least two routes for such a road have been surveyed. One extends from a point on the projected Oregon Eastern north of Klamath Falls, via Lakeview, to the eastern border of the state at either of the points suggested. The other proposed route contemplates an extension also from the Oregon Eastern from Odell, southeast of Natron, through the central part of the state to the most objective point selected for the more southerly extension.

Will Hold Up the D. I. P. Co. Application

After listening to an extended argument by C. E. S. Wood, representing A. M. Drake, of Bend, the Desert Land Board has decided to hold up the application of the Deschutes Irrigation & Power Company for the opening to sale of 2320 acres of land, embraced in its latest Carey act project on the Deschutes, until the board can find time personally to inspect the project at its forthcoming visit to Eastern Oregon, within a month says a special to the Oregonian.

Wood made an exhaustive argument, charging that the Deschutes Irrigation & Power Company is not complying with plans and specifications for the reclamation of the arid lands under its Carey land contracts with the state; that it is wrongfully diverting the water taken from the Deschutes for the reclamation of one segregation for the temporary reclamation of lands listed under another contract so it can place the land on the market; that the company is heavily burdened with financial difficulties and has mortgaged the settlers' rights to cover its deficiencies; that it can never insure the settler a perpetual water right under the circumstances which now exist and are in prospect; and charging the Desert Land Board with open violation of its obligations to the state and the settler under the provisions of the Carey act and the irrigation laws of the state in granting the irrigation company increases of lien and other privileges.

Sheriff's Sale.

In the Circuit Court of the State of Oregon for Crook county, ss: C. F. Smith and Will H. Smith, plaintiffs, vs. Charles E. Lamson, Ada Lamson, H. M. Kershaw, Colonel F. Smith, D. F. Stewart and W. A. Booth, defendants.

By virtue of an execution and order of sale issued out of the above entitled court on the 15th day of June, 1909, upon a judgment rendered in said court on the 7th day of May, 1909, in favor of the above named plaintiffs and against the above named defendants Charles Lamson and Ada Lamson, for \$800.00 with interest thereon from the 1st day of November, 1907, at the rate of ten per cent per annum and \$60.00 attorneys' fees, and \$22.00 costs.

And whereas, it was further ordered and decreed by the court that the certain judgment of the county court of the state of Oregon for Crook county, entered in the judgment docket of said court on the 10th day of May, 1909, in favor of Colonel F. Smith and against the defendant, Charles E. Lamson, for \$611.84, with interest at the rate of ten per cent per annum from October 21, 1907, for \$40.00 attorneys' fees and \$17.50 costs, and disbursements, entered in the judgment docket of said court on the 10th day of May, 1909, is a third lien upon said premises, and that any surplus remaining after satisfying the judgment of plaintiff and the judgment of Colonel F. Smith, be applied to the satisfaction of said judgment of D. F. Stewart and W. A. Booth.

And it was further ordered and decreed by the court that the following described premises, the 8 1/2 NW 1/4, and lots 3 and 4, section 3, in township 13 south, range 13 east, W. M., also an undivided portion of interest in the SW 1/4, section 34, in township 12 south, range 13 east, W. M., all in Crook county, Oregon, be sold by the Sheriff of said county at and after execution and the proceeds of such sale, after paying the costs and attorney's fees herein stated shall be applied upon the judgment, and if the proceeds of such sale be insufficient the plaintiff shall have judgment against the defendant.

Second—That any surplus be applied to judgment of Colonel F. Smith.

Third—That any surplus remaining after satisfying the judgment of plaintiffs and the judgment of Colonel F. Smith, shall be applied in the satisfaction of the judgment of D. F. Stewart and W. A. Booth above described.
