an artist at the piano and we appreciate her kindness very much.

The assembly period on Monday was occupied by Miss Francis Hewes who talked on "Auto-Suggestion." Her remarks were helpful and inspirational and we felt, when she had finished that, if we were not a success in life the fault would be our own. One of Ella Wheeler Wilcox's beautiful selections, recited in the most pleasing manner, concluded the talk. The students and faculty join in thanking Miss Hewes for her delightful address and trust that at some future time we may have the opportunity of repeating the pleasant.

Athletics.

The boys of the Amateur Athletic Association of the C. C. H. S. held their first meeting Friday. The first order of business was election of officers. Clark Morse was chosen president; Clarence Rice, secretary and treasurer. It was decided to begin track work Monday evening under the direction of Professor Evans. Football, it was agreed, would have to be postponed for another year. After making arrangements to do some much-needed work on the tennis court the meeting adjourned.

The Board is talking of fixing up a gym in the old court house. They will be more than thanked by both the girls and boys if this suggestion is acted upon.

The freshmen are taking up all kinds of athletic work. They are much interested in tennis, in boxing and in the punching bag; two of the girls, even, have tried the gloves.

Sophomores and Juniors.

The sophomores have taken blue and white as their colors and the lilac as their flower.

The sophomores are working faithfully on debates and are going to be well represented in the try-out.

Miss Blanche Wilson of the junior class is absent this week.

Miss Ethel Kidder was missed from

the junior classes Friday, but is again in her place.

Freshmen and Seniors.

The freshmen class is still increasing. Adolphus Myers and Robert Kester registered Monday.

The teachers had a vacation last Friday afternoon as Mr. Hockenberry's absence left them free to follow their own sweet will.

We feel that the Crook County High School is to be congratulated on the incoming class, as they are taking an interest and an active part in all the high school work.

Miss Louise Summers was absent from recitations Friday on account of illness.

Miss Emerlen Young has joined the training department and is doing observation work.

Will Sink Drill Deeper.

John Moore, the well driller, has again taken charge of operations at the Grizzly oil well and drilling was resumed there the first of the week. Progress has been delayed somewhat by the loss of a drill bit in the well, but the tool has been recovered and casing installed, so that caving and its attendant difficulties will be obviated.

The oil company intends to sink the well to a great depth, unless some valuable discovery is made in the meantime. There is good prospect of striking oil, but if there is no oil to be found, a good flow of artesian water would soon repay the company for all its expense on the project. The hole is down 500 feet. The promoters are going to send it down a thousand feet deeper at least.

Pretty Home Wedding.

Sunday, September 19, at the home of the bride's parents at Lamonta occurred the marriage of Mr. Warren Smith of Madras and Miss Ethel Smith. The ceremony was performed by Rev. B. F. W. Pittman, pastor of the Madras Christian church. The wedding was a quiet affair, only the immediate relatives and friends of the bride being present to witness the happy event.

The groom has been located in Crook county for several years and is held in high esteem by many friends all over the county. Mr. Smith is at present conducting a profitable barber business in Madras. The bride is the daughter of Mr. and Mrs. Theonore M. Smith of Lamonta and has been a successful teacher in the schools at Lamonta and Culver and has a wide circle of friends in this section of the county.

The happy couple, who are receiving the congratulations and good wishes of their friends, will make their home at Madras.—Pioneer.

Death of W. H. Vineyard.

W. H. Vineyard died at Grizzly Monday morning at the age of about 40 years. Mr. Vineyard has been a sufferer for some time from stomach troubles. Early in the summer he underwent an operation at The Dalles Hospital and after his return home three months ago was much improved in health. His condition grew worse however a short time ago, resulting in his death. His father, brother and other relatives survive to mourn his death.
