From Arctic to Tropics in Ten Minutes

No oil heater has a higher efficiency or greater heating power than the

PERFECTION Oil Heater

(Equipped with Smokeless Device)

With it you can go from the cold of the Arctic to the warmth of the Tropics in 10 minutes.

The new

Automatic Smokeless Device

prevents smoking. There is no possible question about it. This means greater heat-power, a more rapid diffusion of heat and a sure conversion of all the heat-energy in the oil. In a cold room, light the heater and in 10 minutes you'll have a glowing heat that carries full content. Turn the wick-up as high as it will go—no smoke—no odor. In everything that appeals to the provident and the fastidious, the Perfection Oil Heater, with its new automatic smokeless device, decisively leads. Finished in Nickel or Japan in various styles.
