C. E. SMITH

LOCAL MENTION

Hugh Lister is in town from Paulina to spend Thanksgiving with his family.

Mrs. — King of Portland is a guest at the home of her daughter, Mrs. Chas. S. Edwards.

George Hobbs has gone to Madras where he plans to open a soft drink place in the near future.

Arthur Wuraweller is spending Thanksgiving in town with friends, having come down from Paulina the first of the week.

Joe Lister came in from Paulina last Sunday to spend a few days with his family in Prineville and to attend to business matters in this part of the country.

Harley Taylor, an expert telephone maintenance man arrived from Condon this week and will be permanently employed on the lines of the Pioneer company in Crook county.

Horigan & Still have made a contract with A. T. Bogue, who lives four miles west of Prineville, to deliver 97 head of hogs to the City Market at 6 cents a pound, live weight.

At the Presbyterian church on Sunday there will be special music features at both morning and evening services. In the morning Mr. Frank Bell will render several pieces of pipe organ music, at the evening service, besides the anthems by the choir, there will be good orchestral music. The gospel will be preached at both services.

The Redmond Commercial Club have organized a systematic campaign for a direct county road from this place to Redmond. They are conferring with the county court and are taking other steps to get the plans perfected for the new road. The present highway, besides being an indirect route is muddy in winter and they realize that they must have a good road to the county seat.

KNIGHTS — OF — PYTHIAS

WILL GIVE A

GRAND BALL

Friday, Dec. 10, '09

Morgan's Orchestra

Tickets \$1.00

Every Knight a Floor Manager

C. M. Lister is home from a business trip to Portland.

Andrew Noble is down from Paulina visiting his family.

Albert Wuraweller of Joseph was in Crook county on business.

Bruce Gray was in town the first of the week on his way to Bend where Mrs. Gray is visiting with relatives.

Joe Howard, of Crook county, who has been here for the past couple of weeks buying cattle left for his home last Sunday.—Silver Lake Leader.

Rev. Clara Essins, State Sunday School worker of the Christian Church, lectured Sunday afternoon and Monday evening in Prineville.

Luna Lodge No. 65, Knights of Pythias, announce a grand ball for Friday evening, December 10. Morgan's orchestra will furnish the music. The public cordially invited.

Hubert Scorgina came in Monday from Tumbalo to take up his duties as deputy county clerk under Warren Brown. He was accompanied by Ellis Edgington who returned home Tuesday.

Rev. C. T. Radford, pastor of the Christian church, will preach at the Union church Sunday morning and evening. All the members are urged to be present at 3 o'clock p. m., when the organization of the Bible school will be perfected. Other matters of importance are to be presented, and a large attendance of members is urged. Remember the time, the place, the object. Each member is needed—be present.

W. H. Cadle of the Ochoco valley, has received his blue ribbons from the officials of the Dry Farming Congress which was recently held at Billings, Mont. He is very proud of the fact that he beat France, Germany, Sweden and Russia in the oats exhibit. It was Crook county against the world and Crook county won. Won both the international and the Hill special premiums. Some of Mr. Cadle's exhibit can be seen on display at the Commercial Club.

Last Saturday afternoon Mrs. Chas. S. Edwards gave a charming birthday party in honor of her daughter Flora, who was four years old. Owing to the prevalence of whooping cough the children who it had been planned to have present could not be invited, and the party was given for grown-ups. Miss Flora received several handsome presents. Refreshments of gold cake, jello and whipped cream, popcorn and marshmallow candy were served. The jello having been prepared by Miss Flora, who is a most precocious child. Snapping boubons, a novelty to Prineville, were handed round. When unfolded they were found to contain characteristic paper hats, such as were worn by Napoleon, Washington, Happy Hooligan and other celebrities. Those present were: Mrs. C. I. Winnek, Mrs. John Wigle, Mrs. H. P. Belknap, Mrs. Collins Elkins, Mrs. George Millean and Miss Cella Nelms. Mrs. Millean took a photo of the party.

LOCAL MENTION

J. E. Ryan and Wm. Vandervert, both of the Deschutes county, delivered a large lot of beef cattle at this place to Chas. Honton.—Silver Lake Leader.

The Squaw Creek bridge has been carried out by the high water. The Cline Falls bridge is also reported shaky. The Deschutes is reported higher than it has been for twenty years.

R. E. Brooks, the negro Pullman porter who shot B. H. Trumbull and John McLaughlin, two railway officials, at Shanko last June, was sent to the State Penitentiary last week to pay a fine of \$500. The negro is serving his term out in jail.

Do not forget the fireman's ball to-night at the Commercial Club Hall. The members of Hose Company No. 2 will be the hosts for the occasion and they guarantee a good time for everybody. Show your Thanksgiving spirit by buying a ticket.

We publish elsewhere the financial statements of the Prineville banks. It is a matter of considerable pride that we are able to call attention to their splendid condition. Their growth has been steady and sure. The First National, under the capable management of T. M. Baldwin, never before had such a big line of deposits. The Crook County Bank, while not established as long as the First National, is making steady progress under the leadership of C. M. Elkins. Both banks enjoy to the fullest the entire confidence of the people of Crook county.

G. H. Nye and C. H. Young of the Bear Creek country were in town the first of the week for supplies. These gentlemen are wondering what Uncle Sam is going to do about mail for that country. In fact the whole country out there is one big interrogation point concerning the matter. For five months settlers out in southern Crook have been doing their own mail carrying, with the understanding that the government officials would take it over after a time. That time is now at hand and hence the question mark. Settlers are rapidly filling up that country and mail facilities should be furnished them.

At the First Methodist church for Sunday the 28th; Sunday school at 10 a. m. and preaching at 11. The subjects for this hour will be, "The home-coming and family reunion of the year." A real Thanksgiving service. Junior League at 3 p. m. and Epworth League at 6:30. Preaching at 7:30, the subject, "How faith is destroyed in ones self, in the home, in the nation and in God." This subject deals with some of the most practical things of life and will be presented in a helpful way. Homes are often destroyed before they are made, destroyed in the process of blending these two lives which are to make the home. Special music for both morning and evening service.

Miss Vivian Allen of Grizzly was in town yesterday.

Ralph Jordan is on his way home from Portland today.

F. F. Smith of Gist was in Prineville yesterday evening on his way home from a business trip to Portland.

Mr. Thos. Coon and Miss Valda Barnes will be married this evening at the home of Mrs. Pickett at 8 o'clock. Rev. C. P. Bailey will officiate.

The turkey shoot last Sunday under the management of Max Hofer and Johnny Luckey was a great success. Almost any old score would get a bird. Old veterans at the trap did not seem able to hit a barn, while youngsters like Warren Yancey would knock four out of five targets. Another shoot is in progress this afternoon.

The Deschutes & Harney Valley Telephone company is the name of a new corporation that will soon file papers, according to Manager Louis Dooner of the Pioneer Telephone company. The objects of the new company will be to build a line from Rosland to Silver Lake, to extend the Paulina line from Hardin to Burns, and to build a new toll line from Redmond to Madras via Culver and install an exchange at Madras.

Drs. Gray & Gray, the dentists, will leave Prineville tomorrow for Madras where they will spend a few days and then expect to go to Portland to locate home offices. One of the doctors will return to Prineville in the spring and they desire it announced that any work they have done here that has not proven entirely satisfactory will be made good. "We have tried to do our work in the very best manner possible," they say "but in such a large amount of work, it would be unreasonable for us to expect everything to be just right. We leave Prineville with the very kindest of feelings toward the people and the treatment shown us here."

Heaviest Rain in Many Years.

The rain storm which visited Central Oregon the first of the week commencing Sunday evening and continuing about 30 hours was the heaviest precipitation ever known in this section for a like period of time, the total measuring 1.55 inches, according to Observer C. I. Winnek. Mr. Winnek has had charge of the station here for the past five years.

The warm rain seems to have been general over all parts of the state and in consequence the Ochoco and Crooked rivers reached a condition of flood equal to that of the spring-time when the winter snows sometimes go off under the influence of a chinook. The Ochoco at Prineville was the highest Tuesday that it has been for four years. Most all of the early snows have disappeared from the mountains, and the unprecipitated soaking that the dry lands have received indicates bumper crops for Crook next season, as well as first-class feed on the ranges.

Oregon Trunk to Survey to Prineville

The Oregon Trunk Line plans to at once commence the survey of a steam railroad line from Hillman up Crooked river valley to Prineville. This is the information gleaned from F. P. Cooper, president of the Hillman townsite company to the Realty Development Co., at Prineville, the latter being the selling agents at Prineville. The selling plats for the Hillman property are expected to reach the local firm today, and Mr. Cooper writes that on the plats will be marked out the reservations for the right of way out of the property, and that these reservations are not for sale.

On receipt of the plats lots will be put on sale in Prineville. The price of lots are fixed on the plats, and range from \$10 to \$250. In the center of the townsite a heart-shaped area has been marked off which is to be sold to Prineville people if possible. Mr. Cooper says that the prices now placed on the property will not last very long.

There is very good reason to believe that the Oregon Trunk means to build a railroad into Prineville from Hillman as soon as the road is finished to that point.

Patients Received.

Persons needing hospital accommodations can find them at my home. I am prepared to care for patients, or patients may employ their own nurses. Maternity cases may expect special attention.

MRS. P. B. POINDEXTER.

Youngs News.

Mrs. Whitmer died near here last week and was buried near Madras on Saturday. She was quite old and had been sick with pneumonia for several weeks. She died at the home of her daughter, Mrs. Fox.

George Moner has gone to Portland for the winter where he expects to do carpenter work.

Mr. and Mrs. Joe Stewart are the proud parents of a baby girl, born last Thursday.

George McFarland has been successful in getting a good flow of water in a drilled well on his home stead here. Sam Mitchell of Madras did the work. Water was reached at a depth of 106 ft. and is soft, containing no alkali.

The Basket Social at the Mad Springs school house last Saturday night was a financial as well as social success. Forty-six dollars was taken in and the money will go quite

a way toward getting an organ for the school.

The rain of the past two days has brought all the "dobe" to the surface of the road and given it a stickiness unsurpassed by any glue factory dump.

Fruit Trees for Sale.

Home grown one and two-year-old fruit trees for sale.

Howard Spining, Bend, Oregon.

1st Presbyterian Church

SABBATH SERVICES.

Sunday School, 10 a. m.
