SPECIAL ANNOUNCEMENT

It has been brought to our attention that it is the opinion of some that we are endorsing "wildcat" schemes owing to the fact that we had placed on our map which we have printed on our literature, the names of places not in existence except in the imaginations of the promoters. We did this to save answering inquiries as to the location of said places. We may say, however, that we do not recommend or endorse any scheme which by misleading or exaggerated advertising seeks to obtain the money of

investors quickly by misrepresenting the facts, but recommend nothing to prospective buyers except such propositions as we know to be absolutely reliable. We have not sold, nor do we wish to sell any lots or property in any place or townsite that cannot bear the closest investigation, and up to the present no townsite has been projected which, on present showing, we could thoroughly recommend to our patrons.
