Have You Got It?

We have a buyer who wants 160 ACRES

Must be good grain land with bright and practicable prospects of getting water for irrigation. North slope, or northwesterly preferred. Land lying fairly high is preferred to bottom land. Improvements not absolutely necessary, but small house, barn and well an advantage. Can pay \$800 cash down and give security for balance. Price should be low.

Write or call and tell us what you have.

capital of the country is easy and it is coming this way for investment in large quantities. Prospects for this year are the best, he says the Northwest has ever known. He naturally attributes a very large part of the activity and hustle hereabout to the large amount of railroad building now under way. This work, he says, is showing the confidence the leaders in the financial world have in this section and it naturally breeds confidence in others.

John F. Stevens, president of the Oregon Trunk railway, now under construction up the Deschutes to Central Oregon, says 5000 men are at work on the 109 miles now under construction, or nearly as many men as ever were employed on the construction of the 370 miles of the North Bank road. He says the new line is of the most modern construction and the whole thing is being pushed with the utmost possible energy. The present plan is to build south only as far as Bend, although maps have been filed from Bend south to the Klamath Indian Reservation.

Despite heavy weather of the past winter, inquiry into crop and stock conditions show that losses have not been so general as was feared. Some stock was lost on the range but the percentage is not large. Prospects in the extensive grain districts of Eastern Oregon are reported to be excellent for a bumper crop. Grain prospects in the Willamette Valley are said to be somewhat less satisfactory. Because of the unusually heavy snowfall in the mountains during the past winter, there will be plenty of water for irrigation purposes this year.

Prineville Steam Laundry.

Have your clothes washed at the Prineville Steam Laundry. Special attention given to travelers. Laundry is located in the McCallister building, near the Ochocho.

Wood Wanted.

I am hereby directed by the County Court of Crook county, Oregon, to advertise for 15 cords of good solid juniper or body pine cordwood, to be delivered and piled for measurement as follows: 100 cords at the rear of the court house building and 50 cords on the high school lot; entire amount to be delivered on or prior to September 1, 1910. Court reserves right to reject any or all bids. Bids must be filed with county clerk on or before 4 p. m. April 15, 1910.

Homesteaders Located.

Choice homesteads in Paulina district. I am a stockman of this section and can locate settlers on some choice claims. Reference: Any Prineville business man. Write or call on C. R. Henry, Paulina, Oregon.

I send my collars and cuffs to the Zell Laundry, just north of the Ochocho. Where do you send yours? 224-f

Colonist Rates to OREGON and the Great Northwest

The management of the Oregon Railroad & Navigation Co. takes great pleasure in announcing that the low rates from Eastern cities, which have done so much to past seasons to stimulate travel to and settlement in Oregon, will prevail again this Spring DAILY from March 1 to April 15, inclusive.

PEOPLE OF OREGON

The railroads have done their part; now it's up to you. The colonist rate is the greatest of all home-builders. Do all you can to let Eastern people know about it, and encourage them to come here, where land is cheap and home-building easy and attractive.

Fares Can Be Prepaid at home if desired. Any agent of the road named is authorized to receive the required deposit and telegraph ticket to any point in the East.

Remember the Rates—From Chicago, \$32; from St. Louis, \$32; from Omaha and Kansas City, \$25. This reduction is proportionate from all other cities.

EASTERN OREGON TOWNS IN EARNEST

Taking Great Interest in Perfecting Commercial Organizations.

Portland, Ore., March 21.—Eastern Oregon cities are tremendously in earnest in perfecting their commercial organizations. During the past week, under the joint auspices of the Oregon Development League and local bodies, meetings were held at Baker City, La Grande, Pendleton and The Dalles, and each was addressed by Tom Richardson, secretary of the Oregon Development League. The gatherings were extraordinary in attendance and interest.

Baker City had the largest attendance ever gathered at a progressive meeting. The leading citizens, after a conference, determined to raise a large sum of money and advertise Baker City thoroughly.

At La Grande a newly built revival tabernacle was turned over to the business men and a great meeting resulted. Almost every town and community in Umatilla county was represented at the Pendleton meeting and there is a determination to make a great canvass of that section and to take advantage of the state law providing for a special tax for advertising the county. At the meeting at The Dalles, every seat in the hall was occupied and standing room was at a premium. Many prominent men were out who had never before attended a meeting of this character.

These meetings show that Eastern Oregon is earnestly at work to get all the benefits of intelligent publicity and the value of this organized effort will appear as time passes.

A. L. Mills, president of Portland's biggest bank, evidently knows what he is talking about when he says the Pacific Northwest is the most prosperous section of the United States. He says

ADAMSON'S

DIGESTO

is intended for use in cases of

Indigestion, Dyspepsia, Gas on Stomach, Heartburn, Sourness, Excessive Acid and other forms of Stomach Trouble

DIGESTO is not intended as a cure-all, but is a simple, harmless preparation as everyone will know after reading the formula on each box. Digesto is composed of PAPAN, having physiological actions resembling Pepsin converting proteins into soluble peptones and stimulating the gastric glands.

PANCREATIN digests eggs, milk and meats, converting them into peptones for assimilation; with the aid of an alkali it emulsifies fats and oils.

PEPSIN is one of the highest digestives approved by the U. S. Pharmacopoeia. Pepsin's chief use is to aid weak digestion and it is invaluable in atonic dyspepsia, following acute diseases. Pepsin acts as a stimulant to the gastric glands and promotes their functions and energy.

PO COMPOUND PEPSIN N. F. forming a compound in itself of digestive and stomach stimulants, assisting the other digestives in their work.

MAGNESIA CALCINED is antacid and laxative and is much used in dyspepsia, sick headache, gout and other complaints attended with sour stomach and constipation.

AROMATIC POWDERS are stimulant carminative in cases of entangled digestion and flatulency.

CASCARA SAGRADA, one of the most widely used drugs in treatment of constipation. It produces natural motions of the bowels by its tonic action upon the intestinal glands, increasing peristalsis. It is also a hepatic tonic in congested liver.

GINGER is a valuable carminative to stimulate the stomach, improve the appetite, relieve flatulency and colic.

DIGESTO also contains sodium Bicarbonate, Gluclid, and is flavored with Oil of Peppermint to allay nausea and relieve spasmodic pains of the stomach and bowels.

EAT, DRINK and enjoy life by taking DIGESTO and ridding yourself of stomach misery.

EAT PLENTY of wholesome food, DIGESTO will digest it for you, restoring your stomach and intestines to good working order and your general health will usually take care of itself. Hundreds of thousands of people are getting through this world untroubled by the duties or pleasures of life, a misery to themselves and a burden to others. They suffer constantly from distress after eating, loss of sleep and mental depression and all because of the failure of the stomach to properly digest their food.

WHAT FOOD MEANS TO THE BODY. Food is just so much matter added to the system as to make it necessary to replace that which is constantly used for the existence of the body. Food is the fuel necessary to supply the working power of any person in order to obtain results, for be it known that no half-fed body can be restored by depriving it of the necessities of life.

DO NOT DEPRIVE YOURSELF of what you want to eat; this will reduce the system and debilitates the patient. The proper use of good wholesome food acts as a system builder. A cure cannot be obtained by starving oneself. A generous diet with the assistance of DIGESTO will result in well digested food and a good rich blood. This (rich blood) will renew every portion of your system, and when so renewed the lining of your stomach will be in such condition that your food will be properly digested and assimilated and your dyspepsia will be naturally cured.

WHAT TO EAT. No adopted rule can be followed regarding diet; the foods that may be eaten and relished by one person will not apply to another. A person readily discovers what foods agree or disagree with their stomach. By abstaining from those that rebel against their stomach a quicker and more effective cure may be obtained.

In case of nervous indigestion it is advisable to eat largely of meat, as it is easy to digest and contains more nourishment than vegetables and grains. DIGESTO tablets will easily digest any kind of meats. Pure fat is almost indigestible, even in the strongest well stomachs.

Fried foods are harder to digest than foods cooked any other way. All meats are more easily digested broiled, broiled or even roasted.

When fruits or vegetables disagree with the stomach, it is better to discontinue their use for awhile in order to perfect a cure, or put the stomach back to its normal condition.

WHAT TO DRINK. If you drink coffee see that it is perfectly fresh; warmed over coffee is one of the most detrimental things a person can put into their stomach. It should be made fresh for each meal. Milk is good if it agrees with you and does not constipate. Neither coffee, tea nor milk are objectionable if taken perfectly fresh and agree with you.

Among the best foods for dyspepsia are: Raw oysters, broiled mutton, chicken (boiled, roasted or broiled), broiled venison, steak, soft boiled eggs, baked potatoes, boiled rice, old wheat bread (bread should be at least 24 hours old, otherwise it causes fermentation in the stomach), old rye bread, ice cream, sponge cake and oranges, musk melons, grapes and berries of all kinds. Black tea is better than green. Mush, beans, peas and raw cabbage. There are many other articles of food which are excellent, but each person must be the judge of those agreeable to himself or herself.

Take a DIGESTO after eating a hearty meal any time and rest while it works. You do not have to be sick in order to take a DIGESTO. They do you good after eating any time day or night.

HOW TO OBTAIN "DIGESTO" OF YOUR DRUGGIST.

DIGESTO tablets are for sale generally in the drug stores, but if your druggist does not happen to have them in stock, if you ask him to do so he will send and get DIGESTO for you, and by keeping DIGESTO in stock where you and your friends can get it at any time, will do me a great favor, and at the same time be a great convenience for you by saving delay and expense of correspondence. However, if your druggist will not get it for you, I will send a box of DIGESTO, postpaid on receipt of price, 50 Cents a Box, or Six Boxes for \$2.50.
