The basket ball season is over and the teams have all done the usual closing "stunt" and had their pictures taken.

The Crook County High School is preparing to put out a catalogue that will combine the features of the regular catalogue and annual Athletics.

Last Friday night the high school basket ball team met a picked team from the Commercial Club at the club hall. The club team started off with a rush and closed the first half with a score of 10 to 5 against the high school, but the second half showed that training and practice counts, as the club team was unaccustomed to the "strenuous work" and the high school team closed the game with a score of 18 to 16 in favor of the high school.
