ORATORS SELECTED AT TRY-OUTS

Local Contest to Be Held Friday Evening.

The try-outs held Friday and Saturday evenings, to decide who should enter the oratorical contest to be held Friday, April 8, resulted as follows: Wilford Belknap, Clark Morse, Ethel Moore, with Emerien Young as alternate, from the Ochoconian society; Louise Summers, Roy Lowther, Maude Potter, with Blanche Wilson as alternate, from the Alpha society.

The program for the contest on Friday evening is an unusually interesting one from both a literary and musical standpoint, and one should not miss hearing it. The numbers are as follows:

- Vocal Solo, Selected—Miss Celia Nelms.
- Oration, "Moral Courage"—Wilford Belknap (O.)
- Oration, "Socrates"—Maude Potter (A.)
- Organ Selection—Mrs. Fox.
- Oration, "Frances E. Willard"—Ethel Moore (O.)
- Oration, "Joan of Arc"—Roy Lowther (A.)
- Vocal Solo, Selected—Mrs. C. M. Elkins.
- Oration, "To Be, or Not To Be"—Louise Summers.
- Oration, "The Direct Primary"—Clark Morse.
- Vocal Duet, Selected—Miss Gertrude Hodges and Randolph Ketchum.
- Song—"In Our Boat," by Frederick H. Coiven, C. C. H. S. Nightingales.

Ochoconian and Alpha. A new feature has been introduced in the society work by the inaugurating of a society day at which time the two societies will hold a joint meeting. This will be a permanent institution and will be held hereafter upon the first Friday in April, but this year, because of the oratorical contest, it will be postponed until April 15. An excellent program has been prepared and the two societies will be delighted to welcome their friends on this day. The following program for the joint meeting:

Instrumental Duet—Georgia Cleek and Leola Estes.
 Declamation, "The Dead Doll"—Mabel Doak.
 Oration, "Victory from Defeat"—Wilda Nye.
 Alpha Society History—Louise Summers.

Vocal Solo—Mrs. Wickersham.
 Essay—William Criswell.
 Declamation, "Pat's Confederate Pig"—Warren Yancey.
 Oration, "Silent Influences"—Lotta Smith.
 Ochoconian Society History—Clark Morse.

Vocal Solo—Vivian Hinkle.
 Reading—Arthur O'Neil.
 Paper—Editor, Blanche Wilson, Assistants, Lawrence Lister and Vernon Bell.
 Declamation—Roland McCallister.

Ochoconian Society Prophecy—Clarence Rice.
 Vocal Solo—Miss Conway.
 Talk, "The Message to Garcia"—Miss Parrott.
 Alpha Society Prophecy—Elmer Martin.

Oration, "Stepping Stones"—Agnes Elliott.
 Male Quartette—Profs. Hockenberry and Evans and Messrs. Belknap and Rowell.

Freshmen and Seniors. The only freshmen, Miss Maude Potter, who entered the oratorical try-out won a place.

We are glad to see Robert Kester in classes again.

The senior class won all the possible places in the oratorical try-out. The Ochoconian team is made up exclusively of seniors and the Alphas have one, Miss Louise

Summers, who is the only member of '10 in that society.

Clark Morse was absent from classes Monday, on account of illness.

Sophomores and Juniors.
 The sophomores are delighted that one of their contestants, Roy Lowther, is to appear in the public contest on next Friday evening.

The Juniors got no place in the contest, but received honorable mention, as Miss Blanche Wilson, '11, is alternate on the Alpha team.

Miss Ethel Kidder, who is attending school at The Dalles, writes that she is homesick for the Crook County High School, and '11 feels that it can say almost the same for Miss Ethel.

Bend Townsite Passes Into New Hands

A dispatch from Bend to the Oregonian says that the details of a deal have been practically completed, it is announced, whereby the holdings of the Bend Townsite Company, hitherto exclusively controlled by A. M. Drake of Portland, have become the property of a Portland syndicate headed by Frank Robertson, of that city. This transfer of property, it is understood, is the most important that has been made in Central Oregon since the commencement of the present railroad activities and their accompanying development. The consideration is in the neighborhood of \$350,000.

The property taken over includes all the unsold lots in the present townsite of Bend, about 500 acres of unplatted land adjacent to the town, the city water plant, and the power plant and dam on the Deschutes now in course of construction.

The 500 acres adjacent to the present townsite have already been

SPLENDID TO RELIEVE STOMACH DISTRESS AND CURE INDIGESTION

Put an End to Stomach Trouble So You Can Eat Favorite Foods Without Dread.

As there is often some one in your family who suffers an attack of indigestion or some form of stomach trouble, why don't you keep a box of DIGESTO in the house handy? This harmless blessing will digest anything you eat without the slightest discomfort, and regulate a sour stomach a few minutes after.

platted as soon as the plats are accepted at the county seat, Prineville, the lots will be put on the market. The water system is to be greatly enlarged, and already work is in progress toward clearing and grading streets in all directions from the center of the town.

The old Bend townsite owners, the Pilot Butte Development Company, with A. M. Drake as president and chief stockholder, platted the town on May 31, 1904. At that time there were not 10 buildings where now stand 200, and 35 miles of desert plains stretched between the town and Prineville, its nearest neighbor, in which distance are now thousands of settlers and countless farms.

300 Families Are Expected Soon

A special dispatch from Bend to the Journal says that owing to the expiration of the time limit for "proving up" on their irrigated tracts purchased three years ago, more than 300 families are expected to move upon their land under the segregation of the Deschutes Irrigation & Power Co., adjacent to Bend. The especial reason for this heavy immigration is the rui-

Some folks have tried so long to find relief from indigestion with the common every-day cures advertised that they have almost made up their minds that they have something else wrong, or believe theirs is a case of nervousness, gastritis, catarrh of the stomach or cancer. This is a serious mistake. One real trouble is, what you eat does not digest; if ferments in the stomach, turns to acid, gas and stomach poison, which will putrefy in the entire digestive tract and intestines, and besides, poison the breath with offensive odors. A hearty appetite with thorough digestion, and without the slightest discomfort or sickness of the stomach, is waiting for you as soon as you decide to take DIGESTO.

One or two DIGESTO tablets taken after eating will promptly digest all your food, the same as a strong healthy stomach would do it.

ing of the state land board which requires settlers who bought their land under the provisions of the first contract issued by the Carey Act company, to take up their residence and make proof on the land before this November.

SUGGESTIVE THERAPATHICS

Or Vital Healer

Dr. Grater begs to announce to the public that he has got an assistant to help him in his practice, Dr. Coackley, who is a graduate from the Wellner's Institute, brings good testimonials with him, and I desire to say that our aim is to accomplish a cure where others fail. Charges reasonable.

The following are testimonials which Dr. Coackley brings, viz:

May 27, 1909.
 Last summer when I was in Redding, Calif., I was suddenly taken with terrible pains in my side, resembling appendicitis. A large lump formed in my right side and the muscles of my body seemed drawn I could not sit or stand. After Dr. Coackley had given me one treatment I no longer suffered so intensely and could walk about and do my housework. In three weeks I was completely cured and have never been so attacked since.

Yours very sincerely,
 MINNIE BIXLEY, Youngstown, Wash.

February 23, 1909.
 This is to certify that Dr. Coackley, by virtue of his healing power alone and without the aid of medicine whatsoever, completely cured me of serious eye trouble with which I had suffered for five years. I had been to some of the most eminent specialists on the coast but could find no relief. Since treating with Dr. Coackley my eyes have grown steadily stronger and are now perfectly well. I can see as well as I ever could and am now holding a position that requires constant reading and I experience no discomfort from my eyes. I was also cured of serious lung trouble and was very ill and completely run down. I am now perfectly well and am healthier now than I ever have been before, and my general health has been much benefited by his treatments.

Very sincerely yours,
 LUCY BOYNTON, Youngstown, Wash.

thought enough of the E-M-F Company a few days ago to pay \$6,000,000.00 for about 60 per cent of its stock. ISN'T IT LOGICAL TO SUPPOSE THAT THE E-M-F "30" is a "WONDER?" If it was a "LEMON" E-M-F stock would not be worth a nickel, and if the car was only mediocre the stock would be worth less than 100 cents on the dollar, but, as a matter of fact, the stock is ABOVE PAR which, together with the fact that the MORGAN COMPANY made the deal, simply goes to prove what we have always contended that the E-M-F is the best car in the world for the money and the equal of many higher priced cars.

1910 E-M-F "30"

A handsome, roomy, 5-passenger touring car, light in weight, dependable as the day is long, economical as a car could possibly be and the easiest car to take care of that was ever built. It has the specifications of the \$1500 car, the handsome appearance of the \$2500 and the quality, material and workmanship of the \$3,500 car, i. e., quality unsurpassed and accuracy to the half thousandth of an inch. There are no experimental features whatever in the E-M-F Car. All are proven. There is no element of doubt. The factory says and we say YOU MUST AND WILL GET SATISFACTORY SERVICE FROM YOUR CAR.
