TOM RICHARDSON COMING MAY 5

Get Out and Boost for Town and County.

NOW IS THE APPOINTED TIME

People Living in the Country Urged to Attend—Remember May 5.

At the meeting of the directors of the Prineville Commercial Club held Tuesday evening much business of importance was transacted.

The matter of advertising the community as proposed by the Harriman railway systems was discussed and left open until another time when other propositions of like nature will be considered. It is the opinion of the club that much advertising be done, but they are to select the best method of those offered. This point will be covered fully at the meeting of May 5, at which time Tom Richardson, manager of the Portland Commercial Club, will be present and advise in the matter.

In the matter of advertising the Richardson meeting three means

were decided upon, which were as follows: First by a quantity of letters to be issued and mailed by W. F. King, second by the use of 500 posters and newspaper advertising, and third by the liberal use of the telephone systems on the two days prior to the date of meeting. The telephoning will be done by all the business men of the town who will meet at the telephone centrals together and set in unison so that no two men will 'phone the same party.

It was decided that the meeting should begin at 2 p. m., and that every one, especially the people living in the country, be urged to attend, as the meeting and its result will, in fact, be more for the farmer than anyone else.

It was moved and carried that the secretary be empowered to get any and all help required to handle the correspondence on hand and the mailing of the booklet to the lists of names provided by the Portland Commercial Club, until such time as a regular bowler may be employed to handle that part of the work.

The secretary was also instructed to examine into the janitor services for the building and grounds and procure efficient help for the care of the same.

It was unanimously decided that a committee of three be appointed with power to keep the tennis and other grounds in order and that a

PRINEVILLE TO CELEBRATE JULY 4

Very Strong Attractions Promised.

SOMETHING NEW AND NOVEL

The Prineville Commercial Club Will Look After the Matter.

Yes, Prineville will celebrate. At the meeting of the Commercial Club Tuesday night it was unanimously decided that Prineville will celebrate on Monday July 4, and that the celebration be the best that Prineville has ever had. Although the club will have the celebration in hand, so to speak, the preparation for the celebration will be done by committees of business men who will be appointed at a meeting of the club to be held later.

A number of very strong attractions will be offered, different from any that Central Oregon has yet seen, and these alone assure the greatest possible success for the celebration. The club will make specific announcement at an early date.

GENEROUS OFFER FROM O. R. & N.

A Good Plan to Get Publicity.

\$5000.00 WORTH FOR \$1200.00

Novel Features Secured that Can Be Had in No Other Way.

In a letter from William Bittle Wells, manager of the community advertising department of the O. R. & N. lines and the S. P. lines in Oregon, dated April 18, says in part, concerning the plan for advertising communities, which has been accepted by Redmond and which is now offered to Prineville. "We would be very glad, indeed, to extend our community plan to Prineville and to aid you in every way in our power. We are getting out some very fine literature for Redmond and believe that we can do Prineville a great deal of good in its publicity work. The plan which was adopted by Redmond calls for the payment of \$1200, which is their portion of the cost of the campaign. It will cost us in addition to this \$1200., approximately \$5000, for the work which we will do for Redmond, so that far reaching publicity will be given that community.

"Our plan consists of nineteen features, including the following: Services of photographers, writers and artists; the making of cuts, the supervision and publication of four kinds of literature, aggregating 65,000 copies at the least, the delivery of the literature; aid its distribution; the publication of extracts in the magazine "Abroad," published in Europe; half-page advertisement for a year in the Sunset Magazine; writeup in the Sunset; services of expert man in preparation of copy; exhibition of the products of your community in the East; inclusion of Prineville in our lecture bureau system, and the services for year in what we call our Home-seeker's Bureau. It would be impossible for you to duplicate this service in any other way. You have practically the entire Harriman system boosting for Prineville, under the most favorable advantageous conditions, and we stand ready at all times to co-operate with your club in the development of your locality."

The contract sent for signatures specifies that \$1200 be paid, \$600 in May, 1910, and \$50 per month for twelve months beginning with June, 1910. It further specifies that the O. R. & N. people will send a photographer and an artist, the latter to draw a map which will be submitted to the club for approval before its publication. Also that they send an able writer who will prepare copy for advertising matter which will be sent to the club for approval before it is used.

These people are to receive local transportation at the expense of the

club, but we are required to take orders from the club people as to the work to be covered.

Among the publications of matter are specified the following: A book 5 1-2x7 1-2, consisting of 32 pages and cover, the cover to be in three colors and gold, 10,000 copies. MAY TERM CIRCUIT COURT

Will Convene Next Monday.

LONG LIST OF CASES TO TRY

The C. Sam Smith Case Will Come Up for a New Trial.

The May term of Circuit Court which opens Monday next may be one of the most important that Prineville has yet seen. The number of cases that will be up for trial has not been determined, as it will depend largely upon the grand jury. Of the more important cases for that body to consider will be, Bell Eades, charged with violating the local option law and larceny of money from Gilbert Lawson; A. G. Senecal of Suplee bound over from Marion Morgan's court, charged with seduction; Johnson and Scott bound over for the shooting of G. H. Russell, and a great number of local option cases from Madras; also a considerable number of cases now in the hands of T. E. J. Duffy, deputy prosecuting attorney, that will assume definite form before court is called.

In the case of the State of Oregon against C. Sam Smith, in which Mr. Smith is accused of burning the shearing plant and other property of J. N. Williamson and cutting a wire fence belonging to him, is referred back to the Circuit Court for a new trial on a mandate from the Supreme Court of the state, dated February 8.

The former trial is declared illegal on the grounds that in the trial the evidence was submitted in an unusual order, the parts that should have been given first according to date given in the indictment, were submitted last, etc. Eighteen witnesses have been subpoenaed by the state and almost as many by the defendant. Weatherford & Wyatt will be here before the opening of court for the summing up of their evidence and will be assisted by G. W. Barnes, for the defendant, while District Attorney Wilson and attorney T. E. Duffy will have charge of the prosecution.

T. H. Brennan, plaintiff, vs John Devine, J. L. Smith and F. M. Smith. W. A. Bell, attorney for plaintiff and M. R. Elliot for defendant; adjudication of water right for Trout Creek.

J. G. Cantrill, plaintiff, vs Oscar Baldwin, defendant. M. R. Elliott, attorney for plaintiff; attachment of real estate.

C. J. Stuhling, plaintiff, vs Chambers & Dault, defendants. Menefee & Wilson, attorneys for plaintiffs; action for judgment for sale of liquors.

Walthers & Williams Hardware Co., plaintiffs, vs McTaggart & Bye, defendants. W. A. Bell, Menefee & Wilson, attorneys for plaintiffs; satisfaction for judgment on payment of note.

J. B. Palmer, plaintiff, vs Jacob N. Quiberg, defendant. W. P. Myers and G. W. Barnes, attorneys, and W. A. Bell and H. S. Wilson, attorneys for defendant; action for damages.

Deschutes Irrigation & Power Co., plaintiffs, vs William B. Wilson and State Land Board, defendants. Jesse Stearns and John H. Hall, attorneys for plaintiffs and Kollock and Zollinger, attorneys for defendants; action for judgment and water rights.

John Steidel, plaintiff, vs J. E. Sawhill, defendant. C. S. Benson, attorney for plaintiff; action for collection of note.

Wm. C. Buchner, plaintiff, vs Harley N. North, defendant. W. A. Bell, attorney for plaintiff, and Gammans &
