STURDY WATCH.

He Keeps It In Repair Himself With the Aid of a Knife.

"Some men, don't you know," said Mr. Grillkillton, "will step off a curb. step down about a foot and break a leg, and then another man will fall off the top of a seventeer story, house and not even muss his ciothes. And it's

"I dropped my watch the other day about six luches on to a thick plush carpet, and it cost me \$16 for repairs. When I was out walking with my friend Bwillkwillby this morning he

"It sounded when it came down like | Fountain Can a safe falling out of a high window. 3 ib can Pork and it was only a two dollar watch. 3 lb can Cleve and I expected, of course, to see Bwill- 3 lb Soda kwillby just kick the fragments off the Quaker Corn sidewalk and pass on, but it seems Bwillkwillby knew the watch better. He picked up the crystal, not even cracked, from where it had flown, seven feet away, and put that in his pocket, and then he looked at the watch.

"It was going all right, but some-how in the fall the long hand had got bent. He straightened out that bent Small White I hand with his pocketkuife so that the two pointers wouldn't catch, and then he pried off the crystal rim of the watch and put the crystal back in place, and then he snapped the rim back on the front of the watch again and dropped the watch in his pocket and started on, and 'As I was saying,' he said, just as if nothing had happened."-Washington Post.

BESTING THE BOASTER.

A Little Problem That Floored the

Lightning Calculator. "Now, gentlemen," concluded the strated to you upon this 'ere blackboard the marvelous speed and accuracy insured by my great system of addition, substruction, division and multi-plication, and I trust that you are all satisfied with the results. Now, gentlemen, I 'ave 'ere a little shillin' booklet explainin' my marvelous system in full and by a careful persual of which I will guarantee you to become as expert a lightnin' calculator as myself within the period of one week, by which time I shall be out of the town. Ahem! Now, gentlemen, when you remultiply 1,111,111,111,037 by 937,111,-111,111,111 perhaps you will"-

"One moment, sir!" called out a shrill voice from the back of the crowd. "But will you answer me a question? I'm no scholar myself, but I was wondering the other night bow old a child born in September, nineteen nought nine, would be in September, nineteen nought ten?"

The lightning calculator threw his "One year, of course, my little man,

he replied sarcastically. "Well," retorted the shrill voice, "I prove your own arithmetic you would find that child would be 17,101 years old."-London Answers.

A Matter of Smokestacks. The smokestacks on ocean vessels of recent years have been made to slope railroads and people as are the of the stack sloping up and over the the smoke out than to cut it off, but from all we are aware of this seems "'Of course,' said one of them to to have been held of secondary con-"The sentiment throughout cen- st. Nicholas."

The Hunter and the Wind. In hunting against the wind in open forests more game is passed than many hunters would suppose. The animals see the man, note that he will over, though some, mostly the younger, inexperienced animals, then sneak off. such localities as I have mentioned only possible to approach them with the wind by outdistancing the latter, because a big game animal at rest depends on its nose to save it from dan-ger in the direction from which the wind comes and on its eyes to watch

Contest Notice.

Contest Notice:

Department of the Interior.

United States Land Office
The Dalles, Oregon, April 28, 1910.

A sufficient contest affidavit having been filed in this office by Carl C. Fulton, contestant, against homestead Entry, No. 15932, made January S. 1998, for El₃ SW₃.

NW14 SE14, SE14 NW14 section 20, Township 10, South, Range 17 East, William H. Boice, Contestee, in which it is alleged that said William H. Boice has deserted and abandoned said land for more than six months last past; that he has sold his improvements thereon which consisted of a house and fence which have been removed; that he has left the vicinity of said land and his present address is unknown to contestant; that said abandonment was not due to his employment in the army, navy or marine corps of the United States in time of war. Said parties are hereby notified to appear, respond, and offer evidence touching said allegation at 10 o'clock a. m., on June 8, 1910, before Warren Brown, County clerk, at his office in Prineville, Oregon, and that final hearing will be held at 10 o'clock a. m. on June 15, 1910, before the Register and Receiver at the United States Land Office in The Dalles, Oregon.

The said contestant having, in a proper affidavit, filed April 23, 1910, set forth facts which show that after due diligence personal service of this notice can not be made, it is hereby ordered and directed that such notice be given by due and proper publication.
