

The Place to Save Money

THE LEADER

The Place to Save Money

Do You Get Your Money's Worth

People are getting tired of it—getting tired of being held up—they want their money's worth now—the gold brick days are over.

People used to be willing to smoke cabbage leaves in place of Havana and pay good money for it if they got a premium or coupon—willing to buy tea and pay twice its worth just to get a dish free—those days are over—people want their money's worth now—they want what they pay for—value received.

The line of general merchandise we sell offers you your money's worth—we don't have to offer you a lot of cheap inducements to hide cheap quality. When you buy a pair of shoes we don't throw in a premium, your money goes into the value of the shoe. It's the same with our clothing, hats, dry goods and groceries. We sell you the genuine article at a reasonable price. **THAT'S ALL THAT'S ENOUGH.**

I. MICHEL, Proprietor, Prineville, Oregon

GET WISE ON ELECTION LAWS

Some Timely Information for Voters.

R. A. FORD COUNTY CHAIRMAN

Precinct Meeting Called for July 5 at Club Rooms in Prineville.

The political pot has begun to simmer. R. A. Ford has been appointed chairman of the republican county central committee, and he has issued a call to the committeemen of the precincts to meet in the club rooms in Prineville on July 5. At this meeting it is the plan to select Crook county's delegates to the state assembly, which will be called in Portland the last of July.

There seems to be general confusion regarding the election laws, and many aspirants for office are having uneasy dreams about being left off the nominating ticket because of waiting too long to announce themselves.

For the benefit of these and others we give the following dates and facts. The primary nominating election is held on September 24. The general election will be held on November 8. To get onto the ballot for a county office it is necessary to file a petition with the county clerk on or before September 8. This petition must be signed by at least 2 per cent of the qualified party electors residing in each of one-fifth of the precincts or in seven different precincts as Crook county now stands.

The following summary gives the dates and facts covering every nature of petition and measure that may be advanced.

1—Candidates for state and district offices, to be voted for in more than one county, and for circuit judges and district attorneys, must file with the secretary of state, at the time of beginning to circulate their petitions, a copy of the petition for nomination, signed by himself, as evidence that said elector is a candidate for nomination by his party. The vote cast by a political party in each voting precinct for representative in congress at the last preceding general election is the basis of which percentage for petitions shall be count.

ed, and need not exceed one thousand signers.

2—Petitions for nomination for an office to be voted for in the state at large must be signed by at least two per cent of the party electors residing in each of at least one-tenth of the precincts in each of at least seven counties of the state, and need not exceed one thousand signers.

3—Petition for nominations to be voted for in a congressional district must be signed by at least two per cent of the party electors residing in each of at least one-tenth of the precincts in each of at least one-fourth of the counties of such district, and need not exceed one thousand signers.

4—Petitions for nominations to be voted in districts comprising more than one county must be signed by at least two per cent of the electors residing in each of at least one-eighth of the precincts in each of at least two counties in the district, and need not exceed five hundred signatures.

5—Petitions for nominations to be voted for in districts comprising only one county must be signed by at least two per cent of the party electors residing in each of at least one-fifth of the voting precincts of the county.

6—Petitions for nominations for offices to be filled by the state at large, or by any district consisting of more than one county and nominating petitions for judges of circuit courts and for district attorneys in districts consisting of a single county, shall be filed in the office of the secretary of state not less than 20 days before the date of the primary nominating election. September 3, 1910.

7—Petitions for nomination for offices to be voted for in only one county, or district, shall be filed with the county clerk not less than fifteen days before the date of the primary nominating election. September 8, 1910.

General Election Laws.

1—Initiative petitions must be filed with the secretary of state not less than four months before the election at which they are to be voted upon. Eight per cent of the legal voters are required to propose any measure by such petition. The whole number of votes cast for justice of the supreme court at the regular election last preceding the filing of any petition shall be the basis on which the number of legal voters necessary to sign such petition shall be counted.

2—Arguments advocating an measure must be filed with the secretary of state not later than the first Monday of the fourth month before the regular general election.

3—Arguments opposing any measure must be filed with the secretary of state not later than the fourth Monday of the

fourth month before the regular general election.

4—Measures to be submitted must be caused to be printed by the secretary of state not later than the first Monday of the third month next before the regular general election. August 1, 1910.

6—Regular general election, November 8, 1910.

7—Secretary of state shall transmit by mail to every voter whose address he may have one copy of the pamphlet containing the measures submitted to the people, with the arguments thereon, not later than the fifty-fifth day before the regular general election at which such measures are to be voted upon. September 14, 1910.

6,000 Acres Go Back to Government

Says a Salem dispatch: Six thousand acres of land lying in Crook County which comprises a portion of the grant made by the state to the Columbia Southern Irrigation company, was reconveyed to the United States government by the desert land board.

About six months ago the federal government gave the state of Oregon a certain time within which to show the interior department that these lands had not been withdrawn on fraudulent representation or to deed the lands back to the government. The time is now up and today deeds reconveying the land were signed by acting Governor Bowerman.

These lands were secured under patent from the United States government on representations made by engineers and officials of the Columbia Southern Irrigation company to the effect that the land was so situated that it could be irrigated, and was withdrawn at the request of the state under the Carey act. Later surveys showed that it would be impossible to irrigate the 6000 acres, as it was not favorably situated, therefore the government ordered the lands reconveyed.

The Columbia Southern was a company financed by the officials of the late Oregon Trust & Savings bank and on the board of directors at different times were such men as

W. H. Moore, E. E. Lytle and W. Cooper Morris.

A small portion of this 6,000 acres was sold to settlers, but under condition that water would be put on it. The loss will, therefore, not be heavy on anybody.

Teachers Entertained.

Superintendent Ford, Miss Parratt and Mrs. Wickersham entertained the teachers of the summer normal last Saturday evening at the home of Mrs. Morse.

A delicious luncheon was served at 5:30, after which the guests assembled in the parlor and joined in social games, music and conversation.

Cate-Windom Wedding.

A very pretty wedding was solemnized at the home of Mr. and Mrs. Henry Windom June 22, when their daughter, Miss Hazel, was united in marriage to William Bursen Cate of Corvallis. Rev. C. P. Bailey officiated. While Miss Yerna Howard played the wedding march the party took their places under a bower of evergreens and white roses. The bride was beautifully gowned in white silk and carried a bouquet of white carnations. Miss Bevin Templeton acted as bridesmaid and Harry Windom, brother of the bride, was best man.

The guests were Mr. and Mrs. Ely Robey, Misses Mildred Robey, Mabel and Myrtle Windom, Margery Leach, Messrs. Harold Robey, Ralph Armstrong, Roy McCord and Grover Cate, brother of the groom.

Mr. Cate is the son of W. B. Cate, a prominent business man of Corvallis. The bride is the accomplished daughter of Henry and Rebecca Windom. Both young people are graduates of the Oregon Agricultural College.

There were many wedding presents both beautiful and costly, with a double golden eagle from the bride's parents to balance the silver gifts. A sumptuous supper followed the ceremony, and the guests did ample justice to Mrs. Windom's good cooking. It was two in the morning before the jolly company separated. The happy couple left next morning for Portland where, after a short visit, they will go to Brownsville to live. They are followed by the good wishes of their many friends in Crook county.

Union Church Service.

10 a. m. Bible School.
11 a. m. Preaching—Lecture on the Philippine Islands, by Rev. Ripetah.
7 p. m. C. E. Society. Leader, Miss Harris.

Activity in

The Hayfields

All Central Oregon is making hay. The rain and cloudy days of the first part of the month delayed alfalfa cutting but did a great amount of good in developing the spring grass, almost doubling the value of many crops.

The warm days of last week have permitted work to begin in earnest, and almost every alfalfa field in the country shows hay making activity. Some of the crops that were caught in the rain are dry and in the stack and many others are in the process of stacking.

Grain hay, especially rye, is ripening fast and much of it is ready for the stack. The crop is better than was at first expected in all kinds of hay, and the quality of the grain is much better than it would have been without the rain. All the streams have increased in their flow of water and a limited supply is available for the earliest users for the second crop of alfalfa.

Seattle Capitalists in Prineville

A party of Seattle business men and capitalists passed through Prineville Friday en route to Reno, Nev., and California points.

They had the greatest number of high-power high priced cars that ever visited Prineville in one day. The cars were of the \$4000 to \$5000 class and were all two or three passenger cars.

The members of the party were: E. I. Blaine, well known in Seattle business circles; President Kerry of the Oregon & Washington Lumber company; Edward Garrett, president of the Pacific Machinery company and treasurer of the Oregon & Washington Lumber company; C. D. Stimson, president of the Stimson Lumber company; A. B. Stewart, vice-president of the Union Savings & Trust company; E. A. Strout, president of Burgard & Strout, general insurance agents; H. W. Treat, president of the Pacific Trust company; E. E. Ainsworth of Ainsworth & Dunn, salmon packers; Mr. Henry, who is interested in the construction of the Hill line in Oregon; F. C. Streve and Josiah Collins.

In talking of Central Oregon they said that they were surprised and pleased to see such a fine country and favorably commented upon the town, and its accommodations, hotel and garage.

The trip south covered the route through Bend, Rosland, Odell, Silver Lake and Lakeview, from which place the party will turn east to Reno for the big fight.

\$20 Reward for Horses.

Strayed from my place at Madras, Oregon, one bay horse branded with small blotched brand on left shoulder; his left eye is out; also one bay mare, branded with large "S" with bar under it on left shoulder. The above reward will be paid to any one returning them to me. S. E. GRAY, Madras, Ore. 6-30-10

Notice to Creditors.
