Senior Reception

The annual reception given by the Seniors of Crook County High School for the new members of the faculty and new students, was held Friday evening, September 23.

The evening opened with a short musical program consisting of instrumental solos by Misses Theresa Bundy and Evelyn Milliron and a vocal solo by Miss Conway. Clark Morse in his inimitable manner welcomed the new teachers and students. In his response Prof. Coe thanked the students for their cooperation and assured them that the faculty of the Crook County High School is determined to make it the first school in the state.

At the close of the program, the Seniors invited their guests to the west room down stairs, which was appropriately decorated with flowers and pennants. Each guest was given a pennant bearing the Senior colors and requested to secure the name of every other person present.

The new stereopticon lantern, purchased by the high school, was to have been used during the evening, but as this was impossible, the manager of the Emporium kindly offered the use of his lantern. Besides the illustrated lecture on Van Dyke's "Other Wise Man" by Miss Parrott, the students enjoyed, through the courtesy of the Emporium, two reels of moving pictures and one illustrated song.

At a late hour the students departed for home, feeling that the senior reception of 1910 would ever be a bright link in memory's chain.

A Quiet Wedding.

R. E. Gray and Mrs. Emma B. Wickersham were married at the Presbyterian Church Saturday evening in the presence of a few friends. Rev. C. C. Babbidge performed the ceremony.

After the wedding ceremony a reception was tendered the newly wedded pair by Misses Conway and Parrott, of the Crook County High School, assisted by the members of the Shumia Club and Misses Fay Baldwin, Blanche Wilson and Ethel Klann of the E-A Club. The Prineville Hotel parlors were beautifully decorated with pink sweet peas, white asters and potted plants, the whole making a most pleasing and artistic effect. The same color scheme was carried out in the reception hall where the guests were

served with punch and wafers. During the evening Miss Lorene Winick, Mrs. Celia Nelms-Adams, Mr. Strong and Miss C. V. Conway favored the guests with several musical selections, and all who have heard these artists can realize what a rare treat those present enjoyed.

After the reception the bride and groom repaired to their home where they were later serenaded by the C. C. H. S. students, who made the air resound with the high school yell. Mr. and Mrs. Gray will be at home to their friends after October 4.

County Official Vote

continued from first page.

Roush 14, Rice 15, Jordan 4, Hyde 7, Brown 7, Democratic—Balfour 3, Brown 2, Hyde 1, Jordan 1.

Prineville, Or.

LOCAL MENTION

Mrs. Wm. Wuraweller left today for Portland.

C. C. McNeely and son left on the auto for Shauko.

Miss Belva Templeton left the last of the week for Portland.

Walter Foster, who has been dangerously ill in a Portland hospital for several days, is reported a little improved. He is suffering from a severe attack of pneumonia. His condition is critical.

Word reached Prineville today that O. C. McDowell who has been in a Portland hospital undergoing an operation for appendicitis, died yesterday afternoon. The body will be brought to Prineville for burial which will take place tomorrow.

J. N. Williamson was in from his sheep headquarters on the Ochoco yesterday. Mr. Williamson has 15,000 head of sheep, divided into eight bands. For this business a large crew of men is required. Charley O'Neil is head man in the Williamson camps now, and he and Mr. Williamson are both very busy. They will market 7500 head of dry sheep this fall.

Tillman Reuter Off For the Fair

Tillman Reuter, who has been appointed by the county court to represent this county at the Dry Farming Congress at Spokane, left the last of the week for that point with his exhibits.

Mr. Reuter has been very successful at all the fairs with his displays and this year he has made a special effort with many varieties of farm products. He will display a total of some 80 specimens at Spokane.

It is a safe prediction that the affairs of Crook county will be well provided for at this fair, and Mr. Reuter will be heard from when the prizes are awarded in October.

Bud Hinton Official Hunter

Bud Hinton is the official hunter for the Prineville forest service office. It is the plan for the forest service to have some one to kill coyotes, bobcats and other varmints in different parts of the reserve, and it was this work for which Mr. Hinton was employed on September 10.

Four days after he started out the office had a report from him and a total of four coyotes were to his credit at that time.

His method of killing the animals is by trapping and shooting and hunting with dogs. He uses several dogs and will no doubt make a record for himself, as he is considered the best rifle shot in the country.

He retains the hides and gets the bounties.

Hillman News Items.

Mr. and Mrs. Ralph MacCauley returned home from their Eastern trip Monday. Mr. MacCauley says that it seems good to be back again.

Harry Gates is building a residence on his place east of town. We understand that this will be one of the finest residences in this part of the country.

W. Moore is superintending the building of Mr. Hank's new house three miles south of Hillman. Mr. Hank is building a fine, large house and it seems that the best of workmen are none too good for him.

Mrs. T. W. Taylor arrived home Monday from her business trip to Portland. She says there is no place like Hillman.

Don Wheat from Moro, Oregon, was a Hillman visitor Monday. Mr. Wheat has several teams on the railroad here and is down looking after them.

Cleland & Kent are enlarging their store room, preparatory to receiving a new stock of goods.

T. Simpson has his new building nearly completed. He has no trouble in renting his buildings and if others would follow his example they would find that their lots

would soon double in value and they would receive good returns on their investment.

N. J. Nanney, wife and little son Jack arrived from Spokane, Wash. Mr. Nanney has a homestead at Lower bridge and is much pleased with the country.

Prineville Nest No. 120.

Brotherhood of Owls was instituted Saturday night Sept. 24, in the Belknap hall by State Organizer M. P. MacEachern assisted by his deputy J. W. Howard. The following officers were elected and installed viz., Executive, P. B. Polndexter; Vice Executive, Frank Barnes; Past Executive, Alex Hinton; Vicar, Dr. H. G. Davis; Master of Nest, Mr. Hilliard; Secretary, Geo. Berner; Treasurer, G. N. Clifton; Warden, Pat. Lawler; Sentinel, Carl Hyde; Trustees, George Barnes, Dr. Rosenberg and James Mott; Nest Physician, Dr. Rosenberg.

It was decided to hold their charter open until their next meeting to be held in the Belknap Hall Saturday Eve, Oct. 1st at 9 o'clock sharp.

AIRSHIP PROPELLERS.

Built Up in Layers of Carefully Selected Wood.

Propellers for airships are built of laminated wood—that is to say, of wood built up in layers. For the making of a propeller six or eight feet in length there would be required to be glued with a stick of timber six inches or thereabout square, and such a stick of solid wood, however perfectly seasoned, might check or crack. For this reason the propeller is built of laminated wood, of strips of selected and perfectly seasoned wood of the required width, which are planed down to the requisite thickness and then glued together under pressure, making a practically solid stick of material less liable to check.

Some airship propellers of laminated wood have been made with the laminations all of one piece. One New York concern makes propellers products them also of a combination of ash and mahogany, three layers of ash and two of mahogany.

The shaving out of the blades from this stick, each of precisely the required taper, pitch and thickness and the two exactly alike, is work that calls for the greatest patience, care and skill. The perfect propeller in its finished state is a beautiful example of good workmanship.

A six foot propeller of laminated wood, its weight six and a half pounds, costs \$50; a seven foot propeller, weight nine pounds, \$60, and an eight foot propeller, weight twelve pounds, \$70.

To Keep Windows Clean.

A window glass may be kept from frosting by rubbing over the inner surface a solution of 55 parts of glycerin and 1,000 parts of 99 per cent alcohol. The odor may be improved by adding a little oil of amber. This solution will also prevent a glass from sweating in warm weather.

Wanted:—By man and wife, position on stock ranch. For particulars see Rev. J. M. Huggins, Prineville, Oregon.

OSTERMOOR

YOU CAN WASH THE MATTRESS BEARING THIS LABEL

Soap, water and a brush are all that is needed to keep the outside of an Ostermoor Mattress sweet and clean. The inside never needs attention. Costs nothing for repairs. An occasional "outing" in the sun keeps it fresh and new, because it is built (not stuffed) of elastic, fibrous Ostermoor sheets. It cannot sag, lump nor pack like hair.

Make sure you get the genuine Ostermoor. Note the label put there to protect you against worthless imitations. We sell at factory prices and invite inspection.
