

Order Now

Don't put off getting a machine. Place your order now and it will be here for the fall sowing. The Superior Drills speak for themselves. The name tells a true story.

Superior Grain Drills

A Comparison Invited

We ask you to compare the Superior with any other drill on the market. Carefully consider the one-piece solid steel frame, the large diameter steel axle, the strongest and best wheels and the hoppers, made out of the best well-seasoned lumber

The W. F. King Company, Prineville, Oregon
