Clifton & Cornett's Big Department Store

It is not the simplest thing in the world to dress smartly, even though the clothes you wear are smartly styled.
It is not always the chap with the most expensive clothes who looks most classy.
It is not the pattern nor the style of a suit which makes that suit good and true.
These are old truths which we cannot dispute. We have made it our special business to help you dress smartly, even though you sometimes feel that you will never appear as well dressed as the other fellow. It is not necessarily the most expensive clothes that lend the most grace to a fellow's figure. Becoming style in a satisfactory quality will do as well if not better.
When you look at clothes seek Style, Fabric and Fit. Take a careful look at "Modern Clothes," designed and made by Brandegee, Kincaid & Co. You are sure to find in them many things you have wanted but have not been able to obtain.
