Prineville To Have New \$26,000 School Building

Prineville is going to have a new school building, and one that will be a credit to the city.

For school bonds 32.
Against school bonds 1.
Not counted 1.

This tells the story of the bond election held Saturday afternoon. The vote was practically unanimous for a new \$26,000 school building. The polls opened at 1 o'clock with D. P. Adamson, R. W. Breese and J. B. Shipp as judges; J. H. Gray was elected clerk of the election board. The polls closed at 4 o'clock with 36 ballots cast. The football game, which was in progress at the same time two blocks away, is responsible for the small vote. Many property owners had planned to vote after the game but the polls were closed.

The proposition is now up to the board of directors who will proceed at once to decide upon plans for the building. They expect to have it ready for the opening of school in September.

Everyone that is in touch with the public schools of Prineville knows how badly the improve-

ment is needed. Not only are the present buildings unsanitary, but they are cold and hard to keep dry in stormy weather. The city has outgrown them.

demonstrated their superiority over the Bend aggregation by scoring three times for a total of 17 points, thereby wiping out the memory of the no-score game which a Bend official handed out December 26.

Shortly after 3 o'clock Bend kicked off to Prineville and within five minutes Prineville had scored five points by a beautifully blocked punt by Coe, which was scooped

In the second quarter Prineville scored a touchdown and kicked goal.

In the fourth quarter Prineville again scored, carrying the ball almost the entire length of the field by a series of line plunges and well-executed forward passes. Gumm was finally pushed through the line for a touchdown. Goal was kicked, making a total of 17

five students chosen to uphold the honor of the University of Oregon at the annual state oratorical contest in March. This was the first tryout. The final tryout to select one of the five will take place February 27. May David win out. The fact that he won a place from a long list of candidates speaks well for him and the high school from which he graduated.

The right-of-way will be secured as soon as possible, and it is thought this will all be settled by February 1. Grading will commence as soon as possible under the direction of Mr. Wilson, and as soon as it is necessary a bond issue will be made to provide funds to rush the work to completion.

It is figured by Mr. Wilson that the line completed and equipped will cost about \$350,000. The road will cross Crooked river below O'Neil and will touch Prineville on the north side of the Ochoco.

Prineville Won The Championship

Prineville 17, Bend 0.
Prineville won the Central Oregon football championship Saturday by a score of 17 to 0. The Prineville gridiron warriors

up and carried over for a touchdown by Brewster before Bend knew what was happening. This was the only score in the first quarter. The ball was repeatedly carried up the field by Prineville only to be lost near the goal line and kicked out of danger by Bend who was never able to make the required yardage.

The game was refereed by Tony Alexander, an old Multnomah star.
