"Shorty Longs" Win Contest

A very exciting bowling contest closed Saturday night at the Commercial Club. The "Shorty Longs" won out. Hugh Lakin made the highest individual score—52, and Earnest Koeser the highest individual average—34. The team work of the winners averaged 192 pins to the game. The individual averages were: J. E. Edwards 28, W. Quinn, 28, Max Hoefer, 26, C. Rice, 28, Hugh Lakin, 28, Warren Brown, 25, D. W. McMillen, 31.
Interest did not wane throughout the contest. The six teams were evenly matched and a slump or a gain meant victory or defeat to any one of the teams. While the Shorty Longs took the lead in the eighth game and maintained it to the end of the twenty games, it was anyone's game up to the last minute of play.
The teams finished in the following order: Shorty Longs, 3831, Ding Bats, 3746, Mutts, 3725, the Pioneers, 3681, Hungry Six, 3626, and the Pirates, with Captain Kidd as leader, 3620.

The trophies, which were presented by W. F. King, were a small gold clasp modeled after a bowling pin with the letter "P" in black on the face of it.
The bowling tournament is only one of many interesting contests planned by the Commercial Club before the weather will permit of outdoor sports.
The Shorty Longs are going to serve a little spread to the other teams at the Club rooms next Saturday night in celebration of their victory.
Stockmen Finishing With Grain.
Stockmen in the Prineville country are feeding grain more extensively this year than ever before for the finishing of meat for the Portland market.
E. T. Slayton is feeding headed wheat to his beef while McCallister & Davenport are feeding chopped wheat to their sheep. L. B. Lafolette is feeding rolled barley. In this manner they will top the Portland market, for Prineville hay fed stock have always sold at a good figure.

Improve the Road.

The Burns Commercial Club has expressed its willingness to cooperate with Prineville in the matter of a road from Burns to Prineville over which all freight to Harney county will pass until such time as Burns has a railroad. This is very important to the local merchants and the Burns people should be shown that Prineville is ready to do the fair thing in the matter.
Much of the freight from the John Day valley will be hauled from Prineville also during the next few years.

Card of Thanks.

Myself and family wish to convey to the Modern Woodmen, to Mr. and Mrs. Oliver Powell, to Mr. and Mrs. Clarence Calbreath and others our heartfelt appreciation for their many acts of kindness during our late bereavement. May like kindly offices be theirs in time of trouble. Sincerely,
