

# Real Economy In Wagon Buying

There is more real economy in buying a Studebaker farm wagon than in paying a lower price for some cheaper make. A Studebaker will give you

## Real Service

It is built to last, and does last, as thousands upon thousands of farmers will testify.

are always dependable—honest in material—honest in make.

That is why the farmers of the world have made the Studebaker factory the largest vehicle factory in the world. It will pay you to visit our store and look over our line of

Studebaker Vehicles

When buying Groceries, Hardware or Implements, I have always found Kings a pretty good place to trade. They have a large stock of first class goods, which are sold at a reasonable profit, and whenever anything bought at their store, does prove defective, are more than anxious to make it right. They don't sell tomatoes for 8 cts. a can and then crowd the price up on something else. If you are not now trading with The W. F. King Co., I suggest that you give them a trial.

The above is the universal opinion of our customers. Are you one of them.

# The W. F. King Company.

## Quality Supreme

Every ounce of material that goes into a Studebaker wagon or buggy has the Studebaker Reputation behind it.

Nearly sixty years' experience has taught us how to make vehicles that last. Every axle—every spoke—every hub—every tire—every bolt is made just right.

The result: The finest wagons possible to produce and the largest vehicle factory in the world.

The absolute reliability of the Studebaker line appeals to all careful buyers—those who appreciate honest value.

Reports from all over the state show that 50 per cent failed to pass in civics and grammar. State Superintendent Alderman admits that the questions were too technical. At the June examinations the questions will be modified to suit eighth grade pupils. Prineville should feel proud of her boys and girls, for not one failed out of a class of eleven. Not only did not fail, but passed with an average of over 91 per cent.

#### Died.

The death of John H. Reams Wednesday morning was not unexpected. The case was pronounced hopeless by the doctors for some time before his death. Since last November Mr. Reams fought nobly against a disease that paralyzed him from the waist down. Some called it creeping paralysis, but whatever it was nothing could stay its dread march. The end came Wednesday morning.

Mr. Reams was 38 years of age, and leaves a widow and six children, besides a mother and father, three brothers and five sisters. Mr. Reams has lived in Oregon about four years, and was connected with the Cornett Stage & Stable Co. He came here from Kentucky.

Funeral services were held at the Union church this afternoon.
