It didn't take the boys very long to convince the big fellows that they could play the game.

The boys of Bend and Prineville had a good game of ball Saturday. The little fellows of the fifth and sixth grades played good ball. The Bend boys started off with a lead of four, but Prineville overhauled them and led by three runs. In the ninth inning the score was a tie and in the tenth each team made a run, but in the eleventh Bend made one and Prineville two, thus winning the game. The teams were pretty evenly matched.
