tributed all over the county. It is hoped that when these arrive each recipient will read them through carefully as there is something for all in the offers made, and the extremely liberal premiums this year should tempt everyone in Central Oregon to make some sort of an exhibit. Each man, woman and child has something eligible for competition for one or more of these premiums, and it will pay you to bring them to the fair. Besides paying you it will help the fair association, for the better the exhibition, the greater the gate receipts, and the greater the gate receipts, the better will be each succeeding fair.

Keep the fair in mind from now on: October 11 to 14, 1911.

"Down in Dixie" by Local Talent

Some of Prineville's best local talent have been rehearsing faithfully for about two weeks on a play which they will present to the public on Thursday and Friday nights, June 15 and 16 at the Commercial Club Hall, for the benefit of the local baseball club.

The play is being staged by H. W. Bosworth, a gentleman of experience from the East, and will doubtless prove a meritorious attraction. Mr. Bosworth assures us that he is exceedingly well pleased with the way in which each character interprets his or her part.

The title of the play is "Down in Dixie," a play of the Civil War, in which the events of 1861-5 are portrayed.

The plot of the play is laid in a Southern home during the four long years of the war of the rebellion. The story is a portrayal of a Yankee's love for a girl of the South, and both are splendid types of true hearted Americans. A Southern villain and a Northern scoundrel each figure prominently in the story. The action of this play is very rapid. The climaxes are strong, especially that in the third act—which is set in Libby Prison—being one of the strongest ever written. The cast of characters is as follows:

Geo. Washington Bangs, a newspaper reporter—Wilford Belknap.
Major Bradley of the confederate army—Tom Quinn.
Corporal Hooligan, a "true blue" net—Dr. H. G. Davis.
Hon. C. J. Dusenberry, a member of congress—Col. Wm. Draper.
Hezekiah Sniffles, a degenerate Yankee—Roy Lowther.
Uncle Mossy, a faithful slave—John Luckey.
Billings, Bradley's henchman—Ernest A. Koeser.
Helen Tievolt, a Southern Heiress—Mrs. Carey W. Foster.
Molly Martin, her lively friend—Miss Leola Estes.
Mrs. Dusenberry, a business woman—Mrs. E. L. Jordan.
Susannah, "Jis a brack nigger"—Miss Merle Ireland.
Harvey Wells, a Colonel in the Federal army—Harry W. Bosworth.

Unsolicited Testimonial.

For the benefit of people living in Crook county that go to Portland for medical treatment and do not know where to get it, we would like to say a word for Dr. Kirby, 309 Sweetland building. We have just returned from Portland where Dr. Kirby performed an operation on my wife. Last fall he performed operations on both myself and Mrs. Diawiddie; also on Grandma Johnson's eye in which she had been blind for twenty years. Mrs. Johnson says that if she had gone to Dr. Kirby instead of a California specialist for the operation on the better eye she would be able to see all right now, as the only light she gets is through the eye on which Dr. Kirby operated. We cannot say enough in praise of Dr. Kirby, not only as to his ability to successfully perform operations he undertakes, but also as to the care and attention he gives his patients afterward.

CITY COUNCIL HOLD MEETING

Councilman Rosenberg Resigns.

CASH ON HAND IS \$5,184.42

The Bills Passed at this Meeting Must be Deducted from this Amount.

The city council met last evening with Mayor Edwards in the chair, and Councilmen Ward, Lippman, Noble and Winnek; Recorder Brees and Officer Weston, present.

The minutes of the last meeting were read and approved.

The Fourth of July committee came before the council to ask for the use of parts of A and First during the celebration. The matter was referred to the fire and water committee.

City Treasurer Smith made the following report of cash on hand at the close of business June 6:

General fund.....	\$333.23
Fire fund.....	1295.62
Park fund.....	494.36
Road.....	381.21
Total.....	\$5184.42

Councilman Ward offered some good suggestions for the betterment of the city.

The old city water supply came in for much criticism. It costs more to keep up the gravity method than the city gets out of it.

There was considerable discussion concerning the extension of the fire limits. The fire boundaries have been changed so much, twisted and contracted to suit every occasion so that now they are nearly obliterated. The proposed change will take in two blocks north of the Ochoco and will be extended in other directions. An ordinance will be drafted to cover the new area. Councilmen Lippman and Ward will have charge of the matter.

Officer Weston was instructed to keep hand trucks off the sidewalk.

Nightwatchman Yancey reported one arrest for the month of May.

Officer Weston reported 11 arrests with fines, amounting to \$93. Dog tax, etc., amounting to \$23, making a total \$116.

City Recorder Brees's report was approved and filed. So also was City Engineer Brewster's report.

The resignation of J. H. Rosenberg as councilman was accepted and filed.

Nightwatchman Yancey tendered his resignation. It was accepted and filed.

The application of J. L. McDaniel as nightwatchman at a salary of \$70 a month was received and accepted.

John Morris was granted permission to move the old First National bank building from Second street to the lot next the Ochoco on A street.

The liquor license of G. W. Wiley was ordered transferred to the firm of G. W. Wiley & Co. All conditions pertaining thereto having been complied with. Recorder Brees was authorized to make the transfer.

The recorder was instructed to return to Third street property owners the amount overpaid by them on the improvement of that street.
