

Real Economy In Wagon Buying

There is more real economy in buying a Studebaker farm wagon than in paying a lower price for some cheaper make. A Studebaker will give you

Real Service

It is built to last, and does last, as thousands upon thousands of farmers will testify.

are always dependable—honest in material—honest in make.

That is why the farmers of the world have made the Studebaker factory the largest vehicle factory in the world. It will pay you to visit our store and look over our line of

Studebaker Vehicles

When buying Groceries, Hardware or Implements, I have always found Kings a pretty good place to trade. They have a large stock of first class goods, which are sold at a reasonable profit, and whenever anything bought at their store, does prove defective, are more than anxious to make it right. They don't sell tomatoes for 8 cts. a can and then crowd the price up on something else. If you are not now trading with The W. F. King Co., I suggest that you give them a trial.

The above is the universal opinion of our customers. Are you one of them.

The W. F. King Co.

Quality Supreme

Every ounce of material that goes into a Studebaker wagon or buggy has the Studebaker Reputation behind it.

Nearly sixty years' experience has taught us how to make vehicles that last. Every axle—every spoke—every hub—every tire—every bolt is made just right.

The result:

The finest wagons possible to produce and the largest vehicle factory in the world.

The absolute reliability of the Studebaker line appeals to all careful buyers—those who appreciate honest value.

Teachers' examinations for state papers will be held by Superintendent Ford in Prineville June 21 to 24, inclusive. Those holding certificates that expire in August and county permits should take this examination if they expect to teach this fall.

Superintendent Ford says that the school record of Crook county made last month is not excelled by any county in the state. Out of 80 applicants that took the examinations only six failed. Sixteen were conditioned in one subject and thirteen in two subjects.

The Famous "Holeproof" Hosiery Can Now Be Purchased Only At This Store

This Hosiery is Absolutely Insured Against Holes for Six Months

We have just secured the selling agency for the famous Holeproof Hosiery in this city. This is the original guaranteed hosiery that has been so widely advertised in the magazines but which has never yet been on sale at any store in town.

The guarantee which we reproduce on this page comes with every box of the hosiery. It is a promise that we will gladly redeem—if any of the hosiery needs darning or mending within six months it will be exchanged for new hosiery.

The manufacturers of this hosiery stand back of us in making this guarantee. They

have used only the finest and best materials the market affords. They pay 63 cents a pound for Egyptian and Sea Island cotton, instead of buying the ordinary cotton at 12 cents a pound.

Every pair is stylish as well as comfortable. They are made to fit the ankle as smoothly as a glove fits the hand. They are soft and dainty yet they outwear other hosiery almost six to one.

Men's hose come in eleven colors and women's in six. Price from \$1.50 to \$3 a box of six pairs. Children's hose come only in black and tan at \$2 a box of six pairs.

FAMOUS
Holeproof Hosiery
FOR MEN WOMEN AND CHILDREN

There is only one difference between the common hosiery and "Holeproof." And that is that "Holeproof" wears six times as long as the other. Yet the price for both is the same.

"Holeproof" is made with 3-ply yarn in the body and 6-ply in the heels, toes and knees. This gives double the strength where the wear comes most.

Every pair is minutely inspected before it leaves the factory. It costs \$30,000 a year for this inspection alone

so you understand something of the quality that goes in "Holeproof."

It has taken 31 years to attain this perfection but the sales now amount to more than 3,000,000 pairs every year. No other guaranteed hosiery begins to equal such tremendous sales as this.

We invite everyone to call and examine this wonderful hosiery before purchasing. We want you to note how soft and comfortable it really is. We want you to see the attract-

ive colors for yourself and to note the stylish appearance.

We know that once you have done this you will never again be satisfied with the common hosiery that costs just as much but needs to be darned every week.

The Guarantee

WE GUARANTEE

Read these six forms of "Holeproof Hosiery" and you will see why it is the only hosiery that is guaranteed to last six months. If you should see a pair of Holeproof Hosiery with a hole in it, you may return it to the manufacturer and receive a new pair of Holeproof Hosiery of the same color and style. This guarantee is in full force and effect from the date of sale.
