

## HAY

We handle McCormick mowers and rakes. If you need a new haying machine, you can do no better than get a McCormick. McCormick mowers are light running; they are durable, and they are built in various sizes to meet the most varied requirements—3½, 4½, 5, 6 and 7-foot cut. McCormick rakes are made in various widths in either hand or self dump styles. If you are undecided as to what machine you want, call and let us explain the many meritorious features found in the McCormick mower and rake construction. Learn why McCormick mowers and rakes are money savers. If you are not ready to buy, call anyway and get a catalogue. It's filled with valuable information, and it will explain exactly why McCormick rakes and mowers excel.

are always dependable—honest in material—honest in make.

That is why the farmers of the world have made the Studebaker factory the largest vehicle factory in the world. It will pay you to visit our store and look over our line of Studebaker vehicles.

### LOCAL MENTION

Miss Stella Hodges, who left last week to attend the Portland Rose Festival, has continued her journey to Eugene, where she will visit relatives for the next three or four weeks.

Monday afternoon the thermometer rose to 91, the warmest so far this year. It has been threatening to rain ever since, but does not get much farther than mere appearance.

There will be services at the Methodist church next Sunday. Morning at eleven; evening at eight. Subject of morning sermon, "The Mission of the Messiah." In the evening the theme will be, "The Psalm of Life." You are invited to be present. Jno. M. Huggins, pastor.

The Daily Redmond Spokesman lasted quick, dying in four days. It was a creditable sheet during its short career, and the regret is that local business would not keep up expenses in such a laudable enterprise. Better luck next time, Bro. Palmer.

Newton Sexton and Inez A. Lester, both of Hood River, Oregon, were married by Rev. J. M. Huggins at the M. E. parsonage last Friday evening. The couple are on their way to Toppenish, Wash., where they expect to make their future home.

Mrs. Dillard of Burns is visiting her brother, Med Vanderpool. Years ago Mr. Dillard taught school in Prineville when Mrs. P. B. Howard, Mrs. C. M. Elkins, John Combs and others were school kids. Mr. Dillard died a few years ago at Burns.

### LOCAL MENTION

J. B. Shipp returned Monday from Portland.

J. N. Fogle of Paulina is spending the week in town.

J. H. Quinn will leave the first of the week for Diamond Peak with a bunch of sheep for N. F. McCoin.

Baseball next Sunday. Prineville will play Sisters. The Sisters team beat Redmond last Sunday by a score of 10 to nothing. Lets see what they can do with Prineville.

The Prineville Commercial Club entertained a railroad and newspaper party last evening at the Prineville Hotel. A. D. Charlton, assistant general passenger agent of the Northern Pacific had charge

of the visitors. The party left this morning in four automobiles for Klamath Falls, which they expect to reach tonight.

Mr. and Mrs. L. Kamstra, who spent a good deal of last week in Portland visiting the Rose Festival and the Jewelers' convention, returned Saturday, very much refreshed by the trip.

### Rev. Mitchell Dead.

Word was received in Prineville today from Bend that Rev. Mitchell was dead.

He had got back from a trip to Portland where he had been to see some Shakespearean plays. On his return home he suffered a severe attack of his old complaint—stomach trouble—and a neighbor was secured to stay with him on his homestead above Bend. It

was while the neighbor was away Wednesday that he died—some time between 8 and 10 o'clock.

Mr. Mitchell was about 65 years of age. At 17 he joined the army and took part in the struggle between the North and the South. After the war he went to Europe to complete his studies. For thirty years Mr. Mitchell has preached west of the Rockies. He was pastor of the Presbyterian church in Prineville for several years, leaving here to take up a homestead on the Deschutes where he died.

### Paulina Notes.

Last Friday the school children of the Paulina school had their picnic and all reported a good time.

Miss Nettie McCullough went down to visit her sister at M. L. Brown's place.

Jeff Stewart was a business visitor at Paulina Monday.

W. A. Carson was a visitor here the first of the week.

Will Treichel and wife and Ollie Stewart came from the Portland rose festival this week in their Leo.

It is believed that last Sunday was the hottest day here of the season. CITIZEN.

# The Famous "Holeproof" Hosiery Can Now Be Purchased Only At This Store

## This Hosiery is Absolutely Insured Against Holes for Six Months

We have just secured the selling agency for the famous Holeproof Hosiery in this city. This is the original guaranteed hosiery that has been so widely advertised in the magazines but which has never yet been on sale at any store in town.

The guarantee which we reproduce on this page comes with every box of the hosiery. It is a promise that we will gladly redeem—if any of the hosiery needs darning or mending within six months it will be exchanged for new hosiery.

The manufacturers of this hosiery stand back of us in making this guarantee. They

have used only the finest and best materials the market affords. They pay 63 cents a pound for Egyptian and Sea Island cotton, instead of buying the ordinary cotton at 12 cents a pound.

Every pair is stylish as well as comfortable. They are made to fit the ankle as smoothly as a glove fits the hand. They are soft and dainty yet they outwear other hosiery almost six to one.

Men's hose come in eleven colors and women's in six. Price from \$1.50 to \$3 a box of six pairs. Children's hose come only in black and tan at \$2 a box of six pairs.

### FAMOUS Holeproof Hosiery FOR MEN WOMEN AND CHILDREN

There is only one difference between the common hosiery and "Holeproof." And that is that "Holeproof" wears six times as long as the other. Yet the price for both is the same.

"Holeproof" is made with 3-ply yarn in the body and 6-ply in the heels, toes and knees. This gives double the strength where the wear comes most.

Every pair is minutely inspected before it leaves the factory. It costs \$30,000 a year for this inspection alone

so you understand something of the quality that goes in "Holeproof."

It has taken 31 years to attain this perfection but the sales now amount to more than 3,000,000 pairs every year. No other guaranteed hosiery begins to equal such tremendous sales as this.

We invite everyone to call and examine this wonderful hosiery before purchasing. We want you to note how soft and comfortable it really is. We want you to see the attract-

ive colors for yourself and to note the stylish appearance.

We know that once you have done this you will never again be satisfied with the common hosiery that costs just as much but needs to be darned every week.

The Guarantee

**WE GUARANTEE**

That these Six Pairs of "Holeproof Hosiery" will stand no darning for six months. If there should be any holes in these pairs by wear more than the number of holes listed with the name and Coupon A, provided they are returned to us within six months from date of sale to receive
