## Collins W. Elkins - - Prineville, Or.

Continued from page 1

Indians commenced to get busy and won out. The game was protested by Silver Lake on the ground that Osborn's name had not been properly filed. The baseball committee decided that the game won by Wamic over the protest was forfeited and given to Silver Lake, because the rule, as agreed upon, provided that a full list of players should be filed before the beginning of any game. Redmond and the Indians pulled off an exciting game Wednesday forenoon, Redmond winning finally 12 to 10.

JULY FIVE

The climax of the tournament was staged to come off Wednesday afternoon between Prineville and Silver Lake. It was a heartbreaking game alternating with exceptionally fine ball playing. In its early stages the local infield failed to work with its customary precision and Silver Lake took advantage of the lapse to the extent of seven runs. Prineville had only one to its credit. Here the locals took a brace and with remarkable pluck fought a wonderful uphill game. The score by innings is as follows:

Silver Lake went in with Gray to bat. He walked. Campbell singled. Clark bunted and was thrown out at first. McKenna flew Ellis. Barker to Zeek. No runs.

Prineville started with Rooper. He fanned. Bechtel was struck by a ball and took first. Took second on wild pitch, and scored on a wild throw to first. Ellis singled. Brewster bunted out at first. Ford fanned. One run.

Morris opened the second canto for Silver Lake. He hit to the pitcher and was thrown out at first. Gleason singled but was caught stealing second. Elkins flew out to Bechtel. No runs.

Zeek fanned. Belknap flew out to Gray. Hamilton fanned. No runs. In the third inning DeNeffe fanned. Gray singled. Campbell grounded to Ellis, out at first. Clark grounded

a hot one through Bechtel that scored Gray. McKenna grounded another hot one to Belknap which went through and scored Clark. Parker flew out to Belknap. Two runs.

Prineville was out of luck or up in the air, for she should have scored in this inning. Tetherow singled. Rooper singled. Bechtel beat a bunt to first. Ellis bunted. Tetherow forced at third. Rooper forced at second. Brewster grounded to third and forced Bechtel. No runs.

In the fourth Morris singled for Silver Lake. Gleason flew out to Rooper. Parker singled to Short and Morris scored on a wild throw to third. DeNeffe walked. Elkins picked out a good one but was thrown out at third. Gray grounded to short and was thrown out at first. One run.

Ford fanned. Zeek struck by ball took first. Stole second. Belknap fanned. Zeek thrown out at third. No runs.

The fifth was a heartbreaker. Campbell flew out to Rooper. Clark struck by ball and took first. Stole second. McKenna singled and scored Clark. Parker picked out a hot one and scored McKenna. Morris lined one over third and scored Parker. Gleason grounded to pitcher and was thrown out at first. Morris scored. Elkins fanned. 4 runs.

In the last of the fifth Hamilton singled. Tetherow singled. Rooper singled to center and brought in Hamilton and Tetherow. Bechtel singled; stole second, but Rooper was caught between third and home. Ellis singled and scored Bechtel. Brewster took first on balls. Ford singled scoring Brewster. Zeek hit by ball took first. Belknap flew out to Elkins. 3 runs.

DeNeffe opened the sixth with a hot one which Ellis landed by making a running one-handed catch that brought the fans to their feet. This was the star play of the game. Gray grounded to Ellis and was thrown out at first. Campbell laced one into the right field but was thrown out at third. No runs. Prineville took a brace in the sixth and played gilt-edge ball. Hamilton singled. Tetherow fanned. Bechtel singled to center, scoring Hamilton. Bechtel scored on a wild throw to third. Ellis flew out to center field. 2 runs. Prineville has closed the gap. The score is a tie—7 to 7.

Clark opened the seventh for the

visitors by driving a good fly to center which was carefully stowed away. McKenna beat his bunt to first and stole second. Parker flew out to first. McKenna was caught at third. No runs.

Brewster slammed one over third for two bags. Ford fanned. Zeek fanned. Brewster caught at third. No runs.

In the eighth Morris fanned. Gleason grounded to third but was caught at first. Elkins singled. DeNeffe singled. Gray grounded to second putting DeNeffe out. No runs. Prineville failed to score in the last half.

In the ninth Campbell's fly to center was gathered in, but Clark laced out a 2-bagger that looked ominous. McKenna flew out to right field and Parker fanned. No runs.

Here was Prineville's chance. Bechtel walked. Ellis singled, stole second. Bechtel scored on Brewster's single. 1 run.

The streets sports were the best ever pulled off in Prineville. Many new features were added. The boxing contests Wednesday evening furnished great sport.

The Carnival of Fakirs was simply killing. No one wanted their money back. The place was jammed all evening and late into the night. It was a great success.

### Newspaper Men Organize an Ass'n

The newspaper men of Crook county met last Friday evening at the Commercial club rooms and organized the Interior Oregon Press Association.

R. E. Gray, of the Crook County Journal, was elected president; H. H. Palmer, of the Redmond Spokesman, vice-president; G. P. Putnam, of the Bend Bulletin, secretary-treasurer. E. N. Hurd, of the LaPine Inter-Mountain, and J. A. Hoffman, of the Metolius Central Oregonian, together with the officers of the association, form the executive committee.

The secretary was instructed to confer with the publishers of Grant, Wheeler, Lake and Harney counties and have them come into

the fold and all work together for the good of the whole country, instead of laboring exclusively for each particular town and county. The idea of the association was suggested by the splendid spirit of co-operation shown by the delegates to the Central Oregon Development League. The newspapers and the league will work together for the benefit of all this country. Addison Bennett, the Oregonian correspondent, was made an honorary member. W. C. Walker, of the Oregon Hub, and O. C. Young, of the Deschutes Valley Tribune, Culver, were present and helped form the new association.
