

SEVEN PERSONS DIE IN RAILROAD WRECK

Misunderstanding of Orders Causes Head-On Collision Between Trains.

Omaha.—Seven persons were killed and 20 injured, four of them seriously, in a collision between Missouri Pacific passenger train No. 105, north bound, en route for this city, and a fast freight train.

The wreck, which occurred at Fort Crook, ten miles south of here, at 10 o'clock Sunday morning, is believed to have resulted from a misunderstanding of orders on the part of the freight crew.

The dead are: F. W. Petring, Nebraska City; O. W. Keeler, brakeman, Atchison, Kan.; Mrs. Fred W. Rowtmann, Nebraska City; Wisterlaz Rowtmann, 6 years old, daughter of Mrs. Rowtmann; A. W. Sprague, St. Joseph, Mo.; Miss Frances Lillian Kranka, Washington, Kan., and an unidentified negro.

Among the seriously injured are: Fred W. Rowtmann, banker, Nebraska City, whose wife and child were among the killed, and John Scott, the passenger engineer.

Million Pension Saving is Proposed.

Washington.—A saving estimated at \$1,000,000 annually to the pensioners of the United States and eventually about \$180,000 a year to the government, is contemplated by a simplified plan for the payment of pensions without vouchers, which Commissioner of Pensions Davenport submitted to the Secretary of the Interior in his annual report.

Carmen Standing Firm.

Kansas City, Mo.—"We will never give in," was the reply made by M. F. Ryan, international president of the Brotherhood of Carmen, when asked if the unions were going to give up the strike against the Hariman lines and come to the terms proposed by Julius Kruttschnitt.

TOBACCO TRUST WILL CEASE

Program for Dissolution is Submitted to Federal Court.

New York.—The plan for the dissolution of the American Tobacco Company, in compliance with the decision of the Supreme Court of the United States, decreeing it an alleged combination, was submitted to the United States Circuit Court of the Southern District of New York for approval Monday.

The official plan provides for division of the American Tobacco Company into four companies, no one of which, it is said, will have a controlling influence. The four companies are the present American Tobacco Company, which will continue in its corporate existence; the Liggett & Meyers Tobacco Company, which is to be reorganized; the C. F. Lorillard Company, also to be reorganized, and the R. J. Reynolds Tobacco Company, an existent corporation.

Giants Win First Game.

New York.—The Giants, pennant winners of the National League, defeated the Philadelphia American League Club, the Athletics, by a score of two to one in the initial game of the championship series. About 40,000 persons saw the contest, which was a pitchers' battle between Christy Mathewson and the Indian, Chief Bender.

FILL HARLAN'S PLACE TASK

Selection of Successor Will Be Most Difficult for President.

Washington.—The selection of a successor for Associate Justice John M. Harlan, of the Supreme Court of the United States, who died after 34 years on the bench, will be the hardest task of the kind ever presented to President Taft, according to the general opinion here.

Because of the agitation arising from the issue of the recall of judges, which has turned the attention of the people to the judiciary as a general proposition and the bitter controversy that followed the trust decisions last spring, it is believed that the confirmation of the new justice is certain to cause a contest in the Senate.

Chinese Chief in Chicago.

Chicago.—It was definitely established that Dr. Sun Yat Sen, who is favored by the Chinese revolutionists as president of the republic they hope to establish, is in Chicago. He arrived here late Friday night from Kansas City, Mo.

Woman Suffrage Wins in California.

San Francisco.—With returns at hand from all of the 3121 precincts in the state, woman suffrage has the comfortable lead of 2724 votes. The canvass in the unreported precincts is expected to swell the majority for the women to 4000.

MRS. M'MANIGAL SUES

Declares Husband is to Receive Large Share of Reward.

Chicago.—That the W. J. Burns' detective agency promised Ortle E. McManigal immunity from prosecution and a large share in the reward offered for conviction of the persons responsible for the dynamiting of the Los Angeles Times, provided he would testify against the McNamara brothers, was one of the allegations set forth in a petition for divorce filed by Mrs. McManigal here.

Extreme cruelty was charged. In her petition, Mrs. McManigal declared she had been persecuted by detectives threatening her with arrest if she did not testify against her husband. McManigal, she declared, wrote her to help the detectives in every way possible.

Gibbons Celebrates Anniversary.

Baltimore.—In the cathedral here, where 50 years ago he was ordained a priest, then succeeding consecrated a bishop, invested with the pallium of an archbishop, and 20 years after his ordination received the red beretta of a cardinal, James Cardinal Gibbons, archbishop of Baltimore, received Sunday homage from illustrious prelates and laymen from both this country and foreign lands.

300 Passengers of Wreck Saved.

Victoria.—The Canadian Pacific steamship Beatrice, running between Vancouver, Prince Rupert and the Northern canneries, struck on Noble Island, and held fast on the rocks. The 300 passengers, 200 of whom were Chinese being brought south from the canneries, were taken off by the steamship Venture and landed at Albert Bay. No one was injured.

M'NAMARA TRIAL MAY LAST LONG

Los Angeles.—After a week's session in the trial of James B. McNamara, whom it was decided to try separately from his brother, in connection with the Los Angeles Times explosion and fire, October 1, 1910, no juror had been selected, even tentatively. Those who at the beginning predicted a three months' trial lengthened this to six months, and that nine months or more may have elapsed before the trials of the brothers are completed seemed general opinion. A month in which to obtain a jury was held a moderate estimate. A vigorous struggle over every man in the jury box is expected, and December is likely to find the selective process still going on.

Perhaps 800 witnesses, all told, are being held in readiness, according to estimates of counsel. With the exception of Ortle E. McManigal, a leading witness for the state, now in the county jail, none are in Los Angeles, so far as is known.
