Entertainment For Boys' Gymnasium

The musical and literary entertainment given Wednesday evening by the high school, under the direction of Rev. Lininger, was thoroughly enjoyed by all who were fortunate enough to hear it. The high school was assisted by pupils from the public school and other musical talent of the city. The choruses were sung by about fifty voices and showed much careful work and training.

Some of the selections deserving special mention were the duet by Mesdames Elkins and Coe, "Morning Invitation," in which the solos were effectively rendered by Mrs. Coe and Miss Conway; the Nightingale Chorus by the young ladies of the high school, the reading by Miss Gitchel, the instrumental duet by Misses Millhorn and Noble, and last, but among the best, the chorus, by fifty boys and girls of the public school.

The college songs ranged all the way from "Mary and Her Lamb" to the well known song, "We Meet Again." All of these were sung with a spirit and vim that showed the boys and girls were up and doing.

The proceeds of the entertainment go toward swelling the fund for the boys' gymnasium.

New Sweets Shop for Prineville.

It will be of unusual interest to the people of Prineville to know that Mr. G. C. Long, with many years of experience with the cream candy manufacturers on the coast, has chosen Prineville as the superior city of which to give the benefit of his unexcelled supremacy in this line. Mr. Long believes that the best is none too good for all the people if they in return are receiving dollar for dollar. The store will be stocked with the finest of home-made candies and made with the highest grades of material.

Mrs. Long will help in the manufacture of the candies, being a first-class candy girl and chocolate dipper. The location of this ideal sweets shop will be next to Kamstra's jewelry store, where you will be invited to call about December 11. You will find a full line of Xmas candies, etc.

Prineville to Play Burns in Near Future

Basketball has been given a decided impetus following the receipt of a letter from Burns requesting a game with the locals at Burns in the near future, with the privilege of a return game on our floor later. The boys have begun practice at the Club Hall; new baskets having been put up which are a great improvement over those formerly used.

The Burns five is reported to be a clever bunch of basket tossers which is apparent from the fact that the team is composed of Reed, who toured the East with the Oregon team that made such a splendid record, a former O. A. C. star and three other equally classy players. It is possible that the first game will be played at Burns, either Saturday, the 23rd, or on Christmas night, with the return game here on New Year's day. There is not much doubt but that these games will be of the whirlwind variety, with the winning team grabbing the laurels by a very slender margin. Record crowds will be on hand to enjoy the excitement.

Prineville should have a strong five this year with the amount of good material on hand. The following men are candidates for places on the five: Forwards, Brewster, Ellis, Langdell; center, "Shorty" Foster, Roy McCallister; guards, R. McCallister, Van Orshoven, Bechtel, Giddings.

A number of the new aviation caps in dainty and durable shades at the Bazaar Dec. 8th, Odd Fellows' Hall.
