

M'NAMARAS ADMIT DYNAMITE CHARGE

Trial Comes to Abrupt End When Pleas of Guilty Are Entered.

Los Angeles.—The United States government and California authorities are co-operating to uncover one of the most gigantic conspiracies ever conceived in the history of this country. This was the declaration of Assistant District Attorney W. Joseph Ford, second in command to District Attorney Fredericks, and the man who was arrested in Indianapolis for the alleged illegal extradition of John J. McNamara.

He admitted that the prosecution had under surveillance in other parts of the country prominent labor leaders alleged to have been involved in the Times explosion, but said that arrests might first be made by the Federal government in connection with its investigation.

Los Angeles.—The McNamara case came to a sensational end when James B. McNamara, in Judge Bordwell's court, pleaded guilty of murder in the first degree, for killing Charles J. Haggerty in the dynamite explosion that wrecked the building of the Los Angeles Times on October 1, 1910; and his brother, John J. McNamara, pleaded guilty of dynamiting the Llewellyn Iron Works, Los Angeles, on the Christmas following.

James B.'s plea was virtually that he had put a bomb under the Times building and caused the deaths of 21 persons, involving that of Haggerty, whose corpse was found nearest to the heart of the explosion. In the explosion at the iron works no lives were lost. John J., who caused it, is secretary of the International Association of Bridge and Structural Ironworkers.

District Attorney Fredericks will recommend life imprisonment for James B. and ten years for John J.

CITY OF NANKING PEACEFUL

Rebels Restore Order and Station Police Patrols.

Nanking.—Conditions in Nanking now are almost normal. The revolutionaries have placed police patrols throughout the city and they have restored order. General Chang, the Imperial commander, escaped across the river to Pu-kow the night before the revolutionary forces entered the city. It is believed, with the consent and connivance of the rebel commanders. The foreign warships have returned to their anchorage opposite Shai Kwan. Trains have begun to run into Nanking.

Reports from Szechuen province are not reassuring. Many foreigners are unable to leave because the governors find protection from having foreigners within the various towns, which guarantees against attack.

RUSSIAN TROOPS MOVE ON PERSIA

Teheran.—Persia is in a ferment over the warlike action of Russia, and the excitement in the capital was intense at the news of the Russian advance. Picards proclaiming "death or independence" were posted both on the walls of the city and on the legations. Thousands of persons formed in procession and marched past the legations.

William Morgan Shuster, treasurer-general of Persia, is the real object of Russia's warfare on Persia, and it is to dislodge him that the czar has landed troops on Persian soil. Mr. Shuster came here to straighten out Persia's tangled financial affairs. He was recommended by President Taft and Secretary of State Knox at the request of the Persian government. He brought four young Americans with him to help in the difficult problem, and their progress has been such that it looked as if Russia and England were to be disappointed in their long-cherished hopes of partitioning Persia. Then Russia made certain demands, and the Persian prime minister ordered Shuster to recede, but he refused, and those who know him have no doubt that he will leave his post rather than yield a single point.

ISLAND TRADE IS LARGE

Philippines Maintain High Record for Exports and Imports.

Washington.—The annual report of Brigadier General C. R. Edwards, chief of the bureau of insular affairs, to the Secretary of War, regarding the Philippine Islands, shows that the total exports for the year amounted to \$39,778,629 and maintained substantially the high record established in 1910. Imports reached the unprecedented value of \$49,833,722, but this amount is not fully comparable with the smaller totals of previous years, since it includes imports of government supplies and railway supplies heretofore entitled to free entry and excluded from the corresponding totals for previous years.

Rich Men's Tax Doubled.

New York.—Andrew Carnegie and John D. Rockefeller will pay their personal taxes assessed by the city. Carnegie will pay taxes on \$10,000,000 as against \$5,000,000 last year, and Rockefeller pays on \$5,000,000, twice last year's assessment.

MEXICANS ARE ARRESTED

Associates of General Reyes in Alleged Revolution Plot Caught.

Laredo, Tex.—What is believed an important capture of participants in the Reyista counter-revolution was made when Major Morgarden, of the United States army, and a squad of men in civilian clothes arrested four men in the act of crossing the border into Mexico, heavily armed.

The men arrested are Jose A. Montemayor, alleged chief of the Reyista movement; Jose B. Sandoval, another alleged leader and formerly director of a Mexican paper, "Don Quixote," anti-Madero in policy; Guadalupe Martinez and Manuel H. Gerra.

Socialist on Seattle Board.

Seattle.—Richard Winsor, Socialist candidate for school board, was elected, receiving 2997 votes, thus placing the first Socialist on the local school board. He defeated Edmund Bowden, who polled 2737 votes.

Battle in the Philippines.

Manila.—In a battle between a battalion of the Third Infantry and Moro guerrillas one American soldier and 30 natives were killed.

British King Reaches India.

Bombay.—The first stage of the costly Durbar tour was completed when King George and Queen Mary landed here—the first crowned British sovereigns to set foot on Indian soil. Guns of the warships joined those of the land batteries in a thunderous salute as the rulers stepped ashore.

Col. Blithen Acquitted.

Seattle.—Holding that the state had not produced sufficient evidence to prove that Colonel Alden J. Blithen, editor of the Seattle Times, had aided and counseled Ludovic Dainagiovana and Charles Berryman in maintaining the old Arcade dance hall as a nuisance, Judge J. T. Ronald instructed the jury to bring in a verdict of acquittal.
