### LOCAL MENTION.

John W. White, a pioneer of the Bend country, died last Thursday, aged 62.

J. W. Beone was up from Metolius the latter part of the week, on business.

H. F. Dietzel, of Madras grist-mill, was in Prineville the first of the week. Mr. Dietzel said he was after Prineville business, as the railroad has opened his mill to the competition of the outside mills. Which shows that a railroad is not a benefit to all lines of business, even if it does develop the country.

The Lyric Theatre is putting on some good films. Last week there were three fine films from Dicken's "Tale of Two Cities." They drew big houses. The \$5 gold prizes stimulate business on the nights in which they are given away. So far the Minger family seems to have a grip on the luche. They have won it two weeks in succession.

Harry Smith, of Bend, was in Prineville the first of the week, coming over to renew acquaintance with his many friends in this section, where he was raised from boyhood. This was his first visit to Prineville in five years, and he noticed many improvements in the city which have taken place during his long absence. He says that Bend will soon boast some fine stone buildings, two of which are already in course of construction.

### Dissolution of Partnership.

Notice is hereby given that the firm of Condart & Stoddard, doing business under the name of Prineville Furniture Exchange, is dissolved by mutual consent. Chas. F. Condart will continue the business, collect all indebtedness and pay all bills. CHAS. F. CONDART, Dated December 12, 1911.

Best prices paid for household goods. Also sell and exchange. Prineville Furniture Exchange, Chas. F. Condart, prop. 12-14

Crook County Journal, county official paper. \$1.50 a year.

### Paulina Notes.

Paulina, Dec. 11—Mrs. M. L. Brown and daughter Lena, and Mrs. A. B. Myer, returned from Portland last week, where they were visiting for the past month.

Miss Anna McCullough, who spent the summer at the Brown ranch, has moved to Paulina for the winter.

There was a large attendance at the Thanksgiving ball. Everybody reports a good time.

Ray Richy returned from Prineville last week.

Miss Ruth Smith, who has been visiting near Paulina last week, returned to her home in Suplee.

Walter A. Carson of Maury, was in Paulina Sunday.

Emma Barnyard is the new waitress in the Paulina Hotel.

The Paulina ranchers have not begun feeding stock yet, owing to the fine December weather. A Citizen.

### Bend Election

A dispatch from Bend to the Telegram, dated December 8, says that the general election, the first under the new charter, was held this week, and was the warmest in the history of the town. For mayor, Dr. U. C. Coe, and the entire list of councilmen on his ticket were re-elected. The vote was more than double that ever cast in Bend before, totalling 297. The council met Wednesday to canvass the returns and adjourned to give time to make an investigation of the vote cast. Gross fraud and illegal voting will be charged and the present council may refuse to ratify the election. It is stated that the judges of the election were misled and carloads of laborers run in from Deschutes, 10 miles below, voted during the noon hour while there was practically no one at the polls. During this one hour there were more than 80 votes cast.

### Natron-Ontario Road

Salem, Or.—Another move in the railroad fight for supremacy in Oregon is indicated in the filing of supplementary articles of the Oregon Eastern Railway with the Secretary of State here today, which include a line from Natron, in Lane county, to Ontario, in Malheur county, and also articles increasing the capital stock of the road from \$100,000 to \$6,000,000. W. W. Cotton, of Portland, forwarded the articles.

The supplementary articles set forth that a line will be constructed from Natron to Ontario. They also call for a branch from a suitable point on the line extending to a point at or near Klamath Falls and thence to a connection with the Central Pacific Railway at Weed.

Another branch from the Ontario-Natron line is also contemplated to Lakeview and an extension from Lakeview south to the line of the State of California near the easterly shore of Goose lake, which is taken to be a plan for a connection with the road to Reno which now is in operation to Lakeview.

A box of candy for your sweetheart or wife is always highly appreciated and there is nothing more appropriate as a Christmas gift. "That's made right." Lolo's SWEETS SHOP.

### Big Irrigation Scheme

Silver Lake, Or.—Official announcement was made this week that the irrigation scheme for the Silver Lake country, as outlined and promoted by Henry Hewitt, Jr., will cost \$3,000,000. The water will be taken from Seven creeks. Work on the project will start at once, it is announced. Under this scheme 10,000 acres will go under the ditch.

### State Items

Eyes of Eastern people have been fixed on Oregon during the past two weeks. The governor's special, carrying an exhibit of state products, has been visiting the principal cities of the country and has attracted great attention everywhere. Oregon has been favored with more interest than any other state, judging from the great number of inquiries asked of those on board.

Trains will probably be running to Lakeview by late winter or early spring, as rail connection has been completed with that city from Alturas, Modoc county, California. A wonderfully rich country will be opened up to the outside world.

Great advances in road building throughout this state are shown by figures of county judges. In 1905 Oregon had 35,000 miles of roads and spent \$800,000 in repairs and construction. In 1910, with 40,000 miles of roads, \$2,000,000 was spent.
