Must Appear Before County Court

Ole Peterson, who lives near Five, has been cited to appear before the county court next week and give an account of the way he has been treating two dependent children under his care. Word had reached the county court that there was just cause of complaint. The law makes dependent children wards of the county and it must see that they are not abused. Peterson is a bachelor.

J. H. Windom Shrinks 79 Pounds

J. H. Windom is able to be out again. For a time he was not expected to live. He has not tasted food for fifteen days and must go without until next Sunday, thus completing an 18-day fast ordered by Dr. MacFadden. "I have shrunk 79 pounds," said Mr. Windom. "Have always been a hearty eater and you can imagine how I craved a good square meal up to a few days ago. Now I don't care so much. I have tasted nothing but water and a little lemon during my fast. Am getting stronger every day but my clothes are getting awful baggy. If I keep on much longer I may slip through them and hang myself."

Two Runaways Enliven Christmas

Christmas was enlivened at the C. Sam Smith place by a runaway. Mr. Smith had driven home from town and was leading his horse across the road. A low place in the ground threw the buggy forward. This frightened the animal and it commenced to cut circles around the owner. Mr. Smith hung on as long as he could but the flying spokes and running gear of the vehicle still further increased the animal's fright. Breaking loose from Mr. Smith the horse started off down the road in the direction of Andrew Noble's. Mr. Noble's children happened to be coming to town in their buggy and the shafts and whipple tree attached to the flying horse scared their horse, which ran into a wire fence and kicked the buggy all to pieces. The children jumped before they were hurt. A couple of new buggies and some repairs to the harness will square the damages.
