SALE OPENS

Wednesday DEC. 11 At 9 .a .m

Store Closed All Day TUESDAY to Mark Down and Arrange Stock for this Colossal Sale

You do not need to be urged to save money---it's your impulse. Its application lies in the fact that here and now at this sale money saving possibilities exist that exceeds your expectation. The Moral: Put money in your purse and lay in supplies; take advantage of the time and the hour and and stock up for future as well as present needs.

During Special Sales linguistic fire-crackers, verbal pyrotechnics are apt to be overworked. We shall not use them. Plain Statement of facts serve better. Truth carries conviction irresistibly. An honest overlooking of our bargain offerings will assure the most skeptical of our sincerity---that we are giving the public the greatest money saving opportunity that ever happened in this valley.

Let this sink into your interior consciousness: A Condition, not a Theory, confronts this shop. In order not to carry the stock into the new building---not a dollar of it---Mr. Elkins will sacrifice profit---will give his patrons immense benefits---to accomplish this result. Remember, our loss is your gain; our extremity your opportunity.

Holiday buyers may double the purchasing power of their dollars buying at this Consternation Sale. Better values for less money appeal powerfully at this Christmastide. You will get them here. Let us show you how much for how little!

The Important Part of this sale is to **SHOP EARLY!** Repentance spells LOSS! Be among the earliest to secure the best of the Bargains! **DON'T DELAY!** What you need others do also. So Hurry! Get Busy! Hustle!
