The Sheriff Going

After Dick Garrett

Sheriff Balfour has received a bench warrant for the arrest of Dick Garrett, whose term at the penitentiary expires December 31. Garrett was indicted in Crook county for killing and peddling beef that did not belong to him. It will be remembered that his operations were on Trout creek about a year ago. He and Chick Wright, paroled convicts, sold beef at prices that aroused suspicion. People began missing cattle and when two and two were put together it was found that enough evidence had been secured to lead to the conviction of Garrett. He was placed under \$1000 bonds to appear before the grand jury. Sheriff Balfour will leave for Salem Sunday so as to be on hand when his man is liberated.
