## Wool Schedule Is Passed by the House--All Republican Amendments Killed.

Washington.—The wool schedule was passed without amendment by the house in its consideration of the Underwood tariff bill. It went through with little excitement, its passage causing scarcely a ripple on the smooth waters of the democratic tariff program.

The republicans concentrated their attacks on the schedule by presenting a blanket amendment as a substitute for it. This substitute, prepared by Representative Payne, provided a rate of 18 cents a pound on raw wool, placed on the free list in the Underwood bill, and comparative rates based on a duty of 18 cents a pound on the wool contents of the various stages of manufactured woolsens.

The republicans proclaimed their substitute to be in conformity with the report which the tariff board made on the woolen industry, made two years ago. The democrats as emphatically declared that it was not.

An expected defection from party lines by democratic members representing woulgrowing states failed to materialize in the vote on raw wool. The republican substitute was defeated and the Underwood schedule passed 74 to 193.

The progressives who voted with the democrats were: Murdock of Kansas, Kelley of Tennessee, Chandler of New York, and Bryan and Falconer of Washington.

### Good Roads Committee Proposed

Washington.—Good roads legislation is considered of such importance that leading democrats propose to create a new standing committee in the house to be known as the committee on good roads.

Provision for such a committee of 21 was made in a resolution introduced by Representative Henry, of Texas. Should the committee be created it would take from the present committee on postoffices and post-roads a part of its work. Mr. Henry declared that more than 50 good roads measures already introduced which ordinarily would go to numerous standing committees should go to one and his suggestion had the approval of many leading democrats.

### Britain Objects to Preferential Clause

The British government has joined the nations in protest against that portion of the tariff bill which extends a preferential difference of 5 per cent on goods imported in American bottoms.

One of the first acts of Sir Cecil Spring-Rice, the new British ambassador, was to call the attention of the State department to this provision as in violation of the existing treaty of trade and commerce between America and Great Britain.

It is understood the democratic tariff managers in the house, who were at first disposed to permit the senate to deal with this question, it being one involving treaty relations, which belong to the upper house, have recognized the force of the objections that have accumulated from all quarters and will themselves remove the objectionable provision by an amendment when the administrative section of the bill containing it is reached.

### Japan Will Enter Formal Protest

News that the Japanese government had instructed Ambassador Chinda to make formal protest against the California alien land bill, now awaiting Governor Johnson's signature, was received in Washington official circles with interest, although it was not unexpected.

It is taken for granted in official circles here that legal proceedings will follow the enactment of the bill into law.

Japan believes its treaty rights should be taken to The Hague for adjustment, but it is probable the department of justice and the state department will hold that the proper procedure will be for Japanese affected by the legislation to appeal to the federal courts.

### Currency Act in Doubt

If President Wilson proposes to ask congress for currency legislation at the extra session he has not yet made any definite suggestion relating to it, but the house leaders will learn before many days his plans in that regard.

As to currency legislation at this session, it is known that the temper of the house is against it. Majority Leader Underwood said that the house would prefer to complete the tariff and adjourn, leaving currency legislation in the making, to be ready for consideration next winter. The house banking and currency committee will be organized as soon as possible.

## ANTI-ALIEN BILL IN CALIFORNIA PASSED

### Johnson Will Withhold Signature Until Bryan Confers With Wilson.

Sacramento.—The California anti-alien land holding act, which passed both houses of the legislature within 24 hours after bringing about one of the most unusual situations in the history of the nation, will lie on Governor Johnson's desk without his signature until Secretary of State Bryan can confer with President Wilson in Washington.

Defeated finally in his diplomatic effort to dissuade the California legislature from enacting an alien land bill affecting the Japanese, Secretary of State Bryan declared that he looked to the people of the state to express a final judgment through the referendum, before the act shall go into effect.

Secretary Bryan in his final address voiced the president's opinion that the words "eligible to citizenship," constituted in the California attorney general's redraft of the alien land measure for the words "ineligible to citizenship," are equally as discriminatory and, therefore, equally objectionable to Japan.

Until the final amendment was added permitting aliens ineligible to citizenship to lease agricultural lands for three years, the measure was the most drastic of any that had been proposed. Now, however, it is asserted by many that it will accomplish little, inasmuch as it does not stipulate that the leases may not be renewed again and again.

### JAPANESE COMMEND WILSON

Leaders in Tokio Advise People to Preserve Calm Attitude.

Tokio.—The Japanese press expressed a general appreciation of the efforts of President Wilson in behalf of a land bill in California that would not be objectionable to the Japanese. Leaders of public opinion in Japan are advising that an attitude of calmness be maintained in the present situation. Such men as Baron Shibusawa and Chairman Nakano, of the Tokio Chamber of commerce, publicly assert confidence that the American government and people alike are opposed to discriminatory measures of legislation. They declare that every effort now must be made to discover and eradicate the root of antagonism to the Japanese in California, that amicable relations may be restored.

### Los Angeles Opens Municipal Markets

Los Angeles.—Fifteen thousand persons visited the opening of the three municipal markets. They bought everything in sight and would have bought five or ten times as much more produce had it been offered.

## SUFFRAGE PARADE IN NEW YORK CITY

New York.—Thirty thousand women participated here Saturday afternoon in the biggest suffrage parade in New York's history. Incidentally they applied the "You don't count" treatment to mere man in real frapped form.

Just before the parade started at 3 o'clock this order was issued:

"Now, the marchers were told, 'forget for a couple of hours that such a creature as man ever existed. He don't matter today. Keep your eye to the front and shoulders erect and don't even nod to your mother.' The marchers obeyed instructions.

This order was given, the leaders said, to impress spectators with the marchers' determination.

Twenty-four handsome girls on horseback, headed by Miss Inez Milholland, headed the marchers. They kept the step to the music of 35 bands. Behind the horsewomen followed the members of the National American Woman's Suffrage association, representatives from suffrage states and from the territory of Alaska, the Women's Political Union, "General" Rosalie Jones' "Army of the Hudson" and numerous other women's organizations.

### CHARTER WINS IN PORTLAND

Light Vote Is Cast, 35,000 of 73,000 Registered Voting

Portland.—With the women of Portland casting their first ballots in this city, a commission form of government was adopted by a close vote. With the count complete, the charter carried by 17,064 to 16,842, a majority of 222 votes. A. G. Rushlight was overwhelmingly renominated for mayor on the republican ticket and H. R. Albee was nominated by the progressive party.

One of the big surprises of the day was the light vote, not to exceed 47 per cent of those registered being found at the polls within the day. It had been thought that a large vote would be cast, but there were about 35,000 out of a total registered vote of 73,000.

D. 1913, and if you fail to so answer, for the want thereof, the plaintiff will apply to the court for the relief demanded in the complaint herein.

That this suit has been brought for the foreclosure of a certain mortgage by reason of the default of the conditions thereof, said mortgage having been given by said Elizabeth Reed and Charles E. Reed, and duly signed, executed, acknowledged, witnessed and delivered by them to one H. J. Jorgensen, dated on December 17, 1910, to secure the payment of sixteen hundred dollars (\$1600 00) in accordance with the tenor of one certain instrument in writing for that amount, to-wit: a promissory note bearing date the 17th day of December, A. D. 1910, and made payable to said H. J. Jorgensen or order, with interest at the rate of ten per cent per annum, payable annually, from date, said note being due one year from December 17th, 1910, said mortgage designating and creating a lien therefor upon the southeast quarter (se $\frac{1}{4}$ ) of southeast quarter (sw $\frac{1}{4}$ ) of section four (4); east half (e $\frac{1}{2}$ ) of northwest quarter (nw $\frac{1}{4}$ ) and southwest quarter (sw $\frac{1}{4}$ ) of northeast quarter (ne $\frac{1}{4}$ ) of section nine (9), township 18 south, range 12 E., W. M., in Crook county, Oregon, said mortgage having been duly recorded in the office of the county clerk of said Crook county on Dec 22, A. D. 1910, at 8 o'clock a. m., and recorded on page 433 in Book 12, Record of Mortgages of said county, and appears there of record.

That said note and mortgage were, thereafter, and on November 19, 1912, duly assigned and transferred by said H. J. Jorgensen, to the plaintiff herein, by an instrument in writing, dated on that date, which said instrument was duly recorded in the office of the county clerk of said county of Crook, on the 5th day of January, A. D. 1913, at 5 o'clock p. m., and recorded on page 408 in Book 17, Record of Mortgages, of said Crook county, and there remains of record.

That the said default consists in the failure of said Elizabeth Reed and Charles E. Reed, or any of said defendants, to pay said indebtedness or any part thereof and said indebtedness is still due and owing plaintiff and wholly unpaid.

That the subject of this suit is real property within the state of Oregon, and that the defendants, Milo B. Stone and Ella Stone, each has, or claims some interest or right in and to said mortgaged premises, but that plaintiff's mortgage lien is prior in date and superior in equity thereto. That the relief sought of the defendants, Milo B. Stone and Ella Stone, and each thereof, claiming interest or right in and to said mortgaged premises, if any they may have, be declared subsequent and inferior in equity to the claim, interest or right of the plaintiff herein.

Stone and Ella Stone, and each thereof, by publication, upon the county court of said Crook county, by order duly made therein and dated the 25th day of March, A.
