

## EGON NEWS NOTES IF GENERAL INTEREST

Events Occurring Throughout the State During the Past Week.

**Sand in Water Kills Cows**  
Sand as an enemy of the tyman has just been discovered by a well Butte rancher. A fine dairy of his died suddenly and to determine the cause of her death he made examination and found that there was nearly a quart of fine sand between the second and third stomachs. The cow had been drinking from shallow irrigation ditches, and the light sand had been so abundant in water as to accumulate and cause death. Fine dairy stock previously by other farmers is now believed have died also from the same cause.

Marshfield—Attorney General Crawford, in a written opinion sent to Judge Pennock, of Marshfield, holds that registration clerks, under the new law, cannot register voters in other precincts than the one in which they are appointed. ### PATROL GOES TO TIMBER

**Hundred Watchers to Be in Service During Next Six Hot Weeks**  
Salem.—With the arrival of warm weather hundreds of forest patrolmen are being sent into the timber tracts to keep a lookout for forest fires. State Forester Elliott states that over 600 men will patrol the forests of the state during August. This will be the largest number ever used in this service. The state forester is now appointing a federal patrolmen, whose salaries and expenses are paid by the government under the provisions of the Weeks law. There will be 60 of them. He or more will be placed in every county west of the Cascades, and one in every county east of the Cascades which has sufficient timber to warrant it. The state force consists of men, a portion of whose salaries and expenses is paid by the forest fire association. The other 500 or 600 men will be the patrolmen hired by the associations.

### Boast Gets Him Behind Bars

Roseburg.—Charles Howard of Roseburg, who is under bonds for alleged bootlegging was arrested on charge of contempt of court. He boasted, it is said, that he could buy intoxicating liquor at 14 places in Roseburg, which is a dry town. All companies, he holds, that have stocks or securities not contracted for prior to June 3 must live up to the provisions of the bill.

### Klamath Opposes Revision

Klamath Falls.—The proposed federal legislation which would close the season for duck hunting December 15, instead of February 15, as provided by the state law, would cut out much of the best part of the hunting season in this region. ## REVOLT IN CHINA GROWS ALARMING

Peking.—The Chinese government is still dispatching troops to subdue the revolutionary movement in the disaffected southern provinces, but has not withdrawn any soldiers from Mongolia.

President Yuan Shi Kai is anxious to proceed south to lead his troops, but his associates have persuaded him to remain in Peking, for fear that he might be assassinated on the way to the scene of hostilities.

It is now generally believed that General Sun Yat Sen, former provisional president of the republic, who has taken sides with the southerners and who is now at Nanking, and General Huang Sing, former generalissimo of the revolutionary army, never intended to support President Yuan Shi Kai permanently, but only to use him to bring the revolution to a successful end.
