

CALIFORNIA MILITIA CALLED OUT BY RIOT

Four Killed in Strike of Hop-pickers' in Wheatland Fields.

Sacramento.—A special train carrying five companies of militia has been ordered to leave here for Wheatland Cal., where four men, including the district attorney of Yuba county, were killed in a battle between 400 striking hop-pickers and a sheriff's posse.

According to reports reaching here from Wheatland, the hop pickers held a meeting at noon Sunday and formulated demands for increased wages. All were employees of the Durst ranch, which is partly within Wheatland.

Durst and Constable Anderson attended the meeting. Durst refused the demand for more pay, the men became abusive. Anderson sought to place a leader under arrest. He was disarmed and beaten but escaped and telephoned Sheriff Voss, of Yuba county, for help.

Voss gathered a posse at Marysville and hastened to Wheatland by automobile from Marysville, the county seat. District Attorney Maxwell accompanied him. When the machines reached Wheatland, Voss sought to parley with the rioters. Abusive language was hurled at him and he seized one man and started toward the motor cars. The prisoner's friends leaped at the sheriff and beat him into unconsciousness. The deputies made a charge and a volley of shots was exchanged. Maxwell, standing by the automobiles, F. Cunningham, a deputy sheriff and an unnamed deputy were instantly killed.

PROSECUTE LAND LOCATORS

Oregon Authorities on Trail of Fraudulent Promoters.

Portland, Ore.—Prosecution of persons engaged in the illegal practice of "locating" settlers on Oregon and California land grant claims will be started at once by Clarence L. Reames, United States district attorney in Portland.

"There is no legitimate authority for any one selling location on any of these lands," said Mr. Reames. "In the first place the property still is in litigation, as the railroad has appealed the case. No locations can be made until the government finally gets title to the lands. Even then locations can not be accepted, as it will require an act of congress to open the property for entry. Any locations that are made now are not worth a cent."

PRESIDENT HUERTA WILL NOT RESIGN

Mexico City.—Foreign interference in the conduct of his task of pacification will not be tolerated by Provisional President Huerta. He proposes to stay in the presidency, and will brook no interference on the part of the nationals or foreigners.

This determination was expressed in a statement issued by Dr. Aureliano Urrutio, the Mexican Minister of the Interior, on behalf of the president.

"General Huerta will not resign," Dr. Urrutio said. "Much less will he permit nationals or foreigners to take a hand in a question in which is involved his honor and that of the nation. I will say more—that General Huerta has contracted an obligation with the nation and will promise the entire world to establish peace in the Mexican republic."

This obligation is in the way of being fulfilled. If, when it is realized, our government has been recognized by that of the United States, we shall rejoice. If it is not, we will lament it. We will not, however, change our attitude of defense of national honor and dignity."

N. P. Operators Favor Strike.

St. Paul, Minn.—While exact returns on the strike vote recently taken by Northern Pacific Railway telegraphers have not been given out by union officials, it was intimated here that practically all the 1237 men involved have voted in favor of a strike. If necessary, to obtain from the road their demands of higher wages and better working conditions.

CONDEMNNS EXILE OF EDITOR

Governor Condemns Coos Bay Citizens, Officials and Radical I. W. W.'s Salem, Or.—Declaring that the failure of the authorities to prosecute the leaders of the "mob" that deported Dr. Bailey K. Leach, socialist editor, from Bandon, will subject them to removal from office, Governor West, in a written statement sent the radical element of the I. W. W.'s and leading business men of Bandon.

The governor criticizes Al Powers, of the Smith-Powers Lumber company, declaring it he was the inspiration of the "mob" as reported, "he has proved himself an enemy to society and an outlaw. He has placed himself on as unsafe a footing as any of the I. W. W.'s or Dr. Leach."

Bryan Fund is Started.
Austin, Tex.—It is planned by the Democrats of Texas to raise a large fund by popular subscription for the benefit of Secretary of State W. J. Bryan. The money will be paid over to him on the contingency that he agrees to abandon the lecture platform and devote his entire time to the state department. The movement was started in Orange, Tex., and the Democrats in that town have already pledged \$4000 to the fund.

Bigger Vancouver Garrison is Likely
Vancouver Barracks, Wash.—That this post will not be abandoned, but instead will be improved and increased in size and importance is the impression gained by officers from Secretary of War Lindley M. Garrison.

SECRETARY GARRISON WANTS BIG MILITIA

Portland, Ore.—Taking under advisement with a brief passing comment, the appeal for government aid in securing "40 feet of water at the Columbia bar," Secretary of War Garrison at the banquet here made in his honor, made an urgent plea for awakened responsibility and co-operation on the part of the business men of the country in building up a strong national guard side by side with the standing army of the United States.

"There is a spirit in the west that I want directed toward the larger affairs of the department with which I am identified," said Secretary Garrison. "There is a larger sphere than that of the development of your own resources. Do you realize that in all the continental United States, you have on its feet and fully equipped for action in case of war only 32,000 men?"

"If a quarrel is forced on us, and I am the last man among you that would hope for such a thing, do you realize that we have got to have behind our standing army a trained national guard to stand as a second line, and back of these we must have laws that will enable us to bring into action all of the able volunteers who are willing to bear arms?"
