J. H. Windom and family returned by auto Saturday from Brownville, making the trip home in one day. Mr. Windom came by way of the McKenzie and reports the roads quite rough. He says crops look well all through the Willamette valley. Coming over the mountain they met I. W. Ward and daughter, Mrs. Frank O'Connor, on their way to Mrs. O'Connor's home in Junction City.

In Memoriam

"He sees when their footsteps falter, When their hearts grow weak and faint, He marks when their strength is failing, Though there be no word of complaint. He bids them rest for a season, For the pathway has grown too steep. And folded away in green pastures He giveth His loved ones sleep."

William Wigle died at his home in Prineville, Saturday, August 2, at the age of 77 years, 9 months and 22 days.

Mr. Wigle was born in Illinois, October 10, 1835. He crossed the plains in 1852 and settled in Linn county. In 1860 he married Martha Spalding. In 1887 Mr. and Mrs. Wigle moved to Crook county where they have since resided. Mr. Wigle had been a sufferer from a complication of diseases for several years but insisted on moving about until the very last. His familiar figure and kind greeting will be missed by his many friends who met him each day. He was a good husband, kind father and loyal friend, and was always ready to help those in need.

The Parcel Post

Will be Cheaper

Reduction in parcel post rates within the first and second zones, and increases in the maximum weight of parcels and substitution of a new rate chart for the complicated present map, was ordered by Postmaster General Burison to take effect August 15.

The rates of postage in the first zone is reduced from 5 cents for the first pound and 1 cent for each additional pound to 5 cents for each additional two pounds. The maximum weight of parcel post packages is increased from 11 to 20 pounds, but only in the first and second zones for the present. If this works out, the maximum will be made 20 pounds everywhere.

In addition, the insurance rate, originally 10 cents, will be reduced to 5 cents on parcels up to the value of \$25.00.

In announcing the proposed changes it was stated that the postmaster general expects the parcel post system to show substantial surplus earnings at the close of the present fiscal year.

"The Cowboy Millionaire" at Lyric Monday

"The Cowboy Millionaire" filled to the brim with big sensation and healthy, hefty comedy, comes in response to repeated calls upon the Seig Polyscope Company for an echo from the cattle country where the rough riders are the kings, with their castles in their saddles. It is rich in the real field sports of the cowboys, and has the heartiness of their fun in its unfailing effervescent spirit of true comedy. It is in two reels—two thousand feet all told—and will be shown at the Lyric next Monday only. If you can't afford taking in the Pendleton Roundup this year, be sure and see this picture. It is the nearest thing to it imaginable.

Roberts

Chas. Palmer is building on his claim west of town.

There are several more good claims within three miles of the school, store and postoffice. For full information inquire at the store.

Messrs. Roberts, Tesreau and Nelson spent the latter part of the week deer hunting. As the result of it neighbors are enjoying a treat of venison. It is reported they intend going again. We all wish them good luck if they do go.

August is rather a quiet month and while Prineville merchants are not very busy we wish they would run their cars out to Roberts and view our little town, go a few miles farther and view the roads after the waterspout on Bear creek. We would not ask them to come back this way, but we might suggest that they take some other route back if they expect to reach home without trouble.

We appreciated the preaching services at the schoolhouse last week. There was a good attendance. Why not have services every week.
