Prineville Day at Redmond Big Success

Prineville Day at the Redmond Potato Fair was a big success. Thirty autos made the trip during the day. Twenty-two arrived in the Hub City early enough to take part in the parade. Sheriff Elkins headed the procession with a big flag floating on the breeze. The Prineville Band was there with the goods and were not at all stunted in furnishing music. The Redmond band boys joined in and the people were treated to some excellent numbers.

The Redmond folks cheered the Prineville delegation during the parade. After going around town the autos lined up at the exposition building where the band played some lively tunes.

The day was pleasantly spent in viewing the fine exhibits, in watching the tennis games and street sports. The Redmond garage did the handsome thing when it tendered the free use of its premises when it threatened rain.

The Prineville folks enjoyed the occasion and hope to repeat it next year.

Jesse Yancey Enjoyed California Trip

Jesse Yancey returned to Prineville from California last week to attend to some business matters. He left here last June with his family for a trip overland to California in his new Velie.

Leaving Prineville the Yanceys took things easy all the way down the coast. Warren did the driving and had no trouble at all. Not even a puncture until San Francisco had been passed. Mr. Yancey thinks he should have the auto medal for car service. With a few days' instruction to start with the car traveled over 3500 miles with only two punctures. All kinds of roads were encountered—rough, smooth, maddy and—yes, horrible roads.

"Like California very well," said Mr. Yancey, "but can tell you more about it when I have spent a winter there. My family is now at Fresno, where the children are going to school. I will be in Prineville a few days longer before going back to California."

County Treasurer Makes Another Call

County Treasurer Jordan has made another call for warrants in this issue. Part of this money—\$4000—comes from the bridge warrants and the rest has been collected from taxes. This call, the county treasurer says, will clean up all the county warrants with the exception of \$2000.

The bridge people settled their claim of \$46,000 on a 75 per cent basis rather than drag the matter through the courts. Of the 25 per cent saved to the county 15 will go to paying costs of suit and the remaining 10 will go into the county treasury. Treasurer Jordan says that financially the county is doing fine.

Wants \$50,000 for the Loss of an Arm

J. N. Linster has filed a suit in the district court against J. T. Adams and the city of Bend for \$50,000 damages for the loss of an arm.

On the 26th of last March Linster was operating a gasoline engine and air compressor used for the purpose of drilling rock for a sewer trench in the city of Bend.

It was necessary to oil the engine and air compressor at short intervals and while so doing he was struck by the crank shafts of the engine and knocked under the fly wheel where his right arm was cut off. The action is based on the claim that the machinery was not properly housed nor sufficient safeguards employed to protect the operator.

Big Feed at Rabbit Drive.

Warren Brown, Dale Jones, Lester Cohrs and Herman Degner attended the rabbit drive at Lamonta last Sunday. Warren says besides the fun of driving the rabbits, all were treated to a big feed of fried chicken, coffee, pies, cakes and other eatables too numerous to mention. The Lamontaites are surely some feeders. Out of about 400 people, it is said that no one went away hungry.

The stores will close for the football game next Tuesday afternoon between the Crook County High and the Wheeler county boys. Postpone your trading between the hours of 3 and 5.

Joe Lister is now the proud possessor of a 1914 Chalmers. In the language of the street, "it's a peach." It was bought through the Chalmers agents here, Messrs. Huff & Maker.

A. A. Dow, who was helping Kamstra on his wood sawing machine, got his arm cut to the bone the other day. Had it not been for the fender his arm would have been cut off. Dr. Edwards is attending him.

The Merry-go-Round Club met Wednesday evening with Miss Alice Day Pratt. The entire evening was given up to the spirit of Hallowe'en and every one went away feeling that they had a glimpse of the future which is veiled in impenetrable obscurity.

The Huff-Maker Auto Co. has a new six-cylinder Chalmers that is about the finest thing in the automobile line that has been seen in this part of the country. The trip from The Dalles to Prineville was made on an average of 13 miles to a gallon of gasoline. For about 40 miles the roads were very muddy and many steep grades were encountered during the rest of the way.

The ladies of the Christian church will give their fishing party in the Owl's Hall tomorrow evening. Public invited.

Jacob Becker left some fine samples of potatoes at the Journal office that were grown upon his Powell Butte ranch. He has Early Ohio, Burbanks and White Victors. They are dry land spuds grown in sandy soil.

Articles of incorporation of the Madras Fair Association have been filed with the county clerk. Capital stock, \$4000. The incorporators are O. A. Pearce, H. F. Dietzel, R. T. Olson, G. V. Stanton and R. W. Ashley.

The Ladies' Annex is unable to secure the Turner Art Exhibit at the present time because of the great expense in bringing it here. Only Prineville and Bend made arrangements to have it and the company stated they could not afford to send it unless other towns would also arrange to take it. It is hoped that arrangements can be made to have it later.

LOCAL MENTION

Parcel post social at the Presbyterian church tonight.

Mr. and Mrs. Oscar Hyde returned from Portland this morning.

L. M. Foss, traveling freight and passenger agent of the O.-W., was in Prineville Tuesday looking after his company's interests.
