Carey Foster Elected School Trustee

There was a good attendance at the school meeting Monday to elect a successor to Dr. Belknap. As a usual thing people do not take much interest in school affairs, seemingly satisfied to shift the responsibility upon the other fellow. This wasn't the case Monday. Instead there was a good attendance of ladies and a fair representation of men.

The object of the meeting was announced by the chairman and nominations to fill the vacancy on the board commenced. Mrs. Earl McLaughlin was the first to be placed in nomination and she was followed by the nomination of Carey W. Foster. It was a nip and tuck race between the candidates right up to the close of ballot counting. At one time Mrs. McLaughlin led by five votes but toward the close Mr. Foster forged ahead and won by one vote. The official count stood: Mr. Foster 17, Mrs. McLaughlin, 16.

Mr. Foster will serve Dr. Belknap's unexpired term which runs until next June. Mr. Foster is chairman of the board.

After the school meeting many of the parents and other taxpayers visited the different grades in the public schools and expressed themselves as well pleased with the work that was being done.

Members of the public school board spent the greater part of Monday examining the work of the different grades. They found both pupils and teachers interested and working along their various lines. They were especially pleased with the orderly way in which the pupils marched in and out of the building. The children kept excellent time to the music which was furnished by Dale Elkins.
