### Well Satisfied With Progress of Work

Salem, Or.—That work on the Tumalo project is progressing in an excellent manner, and that it is destined to become a success, was the declaration made by Attorney-General Crawford, who has returned from a visit to Central Oregon. His mission was to prosecute a suit to condemn certain lands needed for a reservoir site, and he succeeded in securing a judgment.

"I found the project as a whole in an excellent condition," he declared. "The work is progressing rapidly and in a most satisfactory manner. Everything indicates that the project will be a success."

### Died

At her home on Jonson creek, December 3, Mrs. Sarah E. Kirkham passed to her reward. The end was not unexpected as she had been seriously ill for several months.

She was 66 years and 4 months old. She leaves a husband, two sons and two daughters, all of whom were at her bedside, except the second son, William, who lives in St. Paul, Minn.

The funeral services were conducted by Rev. McAllister of the Baptist church of Prineville, she having been a member of that church for thirty-six years.

She will be greatly missed by her friends and neighbors for she was a real friend, generous and true to all.

### Card of Thanks

### Resolution of Condolence

Whereas, It has pleased the all-wise Ruler of Heaven and earth to take from his family and from us our beloved Neighbor Arthur H. Kennedy, who died December 2nd, 1913. Wherefore, our hearts are made sad and we extend our heartfelt sympathy to the wife and family of our silent neighbor. The battles of life he bravely fought and like a true Woodman he never surrendered to any obstacle in the way of his duty and protection of his family.

Therefore, be it resolved, that Camp No. 9565 Modern Woodmen of America extend to the widow and family our heartfelt sympathy. That a copy of this resolution be sent to the widow and a copy sent to the Crook County Journal for publication and a copy be spread on our minute book.

Fraternally submitted,  
C. C. BURX,  
R. C. KINDER.

### Important News In Advertisements

By HOLLAND.

THE valuable news of the day is not confined to the news columns. It is also seen in the advertisements. Of course it is important to know what President Wilson is doing, what the latest developments are in China or what baseball club leads the league. But it is also important to know where a bargain in boys' waists, garden hose, breakfast food or straw hats may be found.

These bits of commercial news are among the advertisements. Wise persons look for them and take advantage of them when they are doing their buying. The leading merchants are continually telling you news of their stores, news that is important because it often means a real saving and always means something new and worth while.

Read the advertisements if you seek important news. Read them regularly and always with the thought that back of each advertisement are the reputation and business standing of the merchant. He could not afford to deceive you even if he were so inclined.

ONLY TRUTHFUL ADVERTISING PAYS.

### Looked That Way.

"She is?" interrupted Henpeck. "I'll bet they've been secretly married already."—Philadelphia Press.

### They Both Pitch.

Which is the greater marvel, the crack baseball pitcher or the circus man? The baseball star, to be sure, pitches a ball with wonderful facility, but the circus man pitches a tent.—Boston Globe.

### To Be Exact.

"Will you please cash a check for me, Mr. Bankus?"  
"Is it a very large one?"  
"No, indeed. It's only about two inches wide and five inches long."—Lincolnton's.

### Flippant Flings.

Experts have succeeded in extracting a superior quality of paint from the common or garden variety of prune. But don't gather from this that your boarding house will be painted this year.—Cleveland Plain Dealer.

### Current Comment.

An eastern paper says that tombstones of granite are now classed as luxuries. Oh, well, give us the necessities and keep your luxuries.—Cleveland Plain Dealer.

With this country importing \$50,000,000 worth of art treasures yearly, it must keep the factories of Europe working overtime to maintain the supply of old masters.—Duluth News-Tribune.

### Automobile Runs.

Suggestion to chauffeurs: Why not treat the pedestrian as mere trespasser when he attempts to use the streets?—Chicago Record-Herald.

The driver of an automobile is called a chauffeur by those who ride with him, but what pedestrians call him is a lot easier to spell.—Chicago News.

The statement that there are 100 automobile bandits in New York is surprising only in that the number is placed at only 100.—Washington Herald.

### Town Topics.

Every now and then Cincinnati becomes conscience stricken and reforms, but it doesn't last long.—Kansas City Star.

A near riot was caused in Atlanta the other day by the exhibition of "September Morn." This ought to help greatly to substantiate Atlanta's claim to be regarded as the Chicago of the south.—New York Tribune.
