

Columbia Semi-Malleable Range

In the Columbia Range, we believe we are offering one of the very best and most attractive ranges made. It's a sanitary range. No place for dirt and scrubbing water to lodge year after year until the dirtiest place in the house is under the kitchen range, as is the case with all ranges running to the floor. It is a handy range, too. The polished top makes it easy to clean. The lift-up plate in front makes it handy to empty trash, etc. The damper handle in front is always cool. We are selling these ranges at a very low figure considering quality and will put them out on the easy payment plan.

WE WOULD BE GLAD TO HAVE YOU CALL AND MAKE A PERSONAL INSPECTION

Hog For the Dairyman.

One of the best breeds of hogs for the dairyman to raise is the Hampshire. He is a good hog anywhere you put him; but as he was originally bred as a bacon hog, he seems to like plenty of milk in his diet and is mighty willing and able to pay for it. Any good hog is a good hog for a dairy farmer to keep, and the color of his hair doesn't matter. So select the breed you like best and stay with it, and it will stay with you.
