

## Sunday Concerts

### Draw Big Crowds

Another large crowd attended the Sunday afternoon concert at the Commercial Club last Sunday. Mr. Carl Zinke, the director, rendered "The Holy City" on the trombone, which he was obliged to repeat at the request of the assembled audience later during the program. There was also a vocal solo by Mrs. Willard Wirtz and selections by the Lyric Orchestra, all of which were especially well received. The band is improving under the directorship of Mr. Zinke and increasing crowds are appreciating the Sunday concerts. Out-of-town people are invited to enjoy the programs with the people of Prineville. They cost nothing, being supported by the city council and business men of Prineville.

### The Boston Millionaire Has Fine Place

P. H. Robinson, who was in charge of the Lawson shipment of blooded stock that was recently received at the McCall ranch, was in Prineville this week. Mr. Robinson has been visiting some of the stock ranches in Crook county and was surprised to find so much good stuff in this section. He is a great believer in the dairy herd which he says, if run in connection with hogs, is bound to pay. Its one of the best money-making combinations conceivable on a ranch.

Mr. Robinson says that the Lawson estate at Egypt, Mass., which is 27 miles south of Boston, employs from 75 to 200 men. There are 700 acres and 37 barns are required on the place. These barns have concrete floors and the latest devices for sanitation, feeding, etc.

A water tower 175 feet high furnishes the water pressure for the big farm and the town. The tower has a beautiful chime of bells and a big clock. A professional musician is employed to ring the bells, which weigh from 500 to 3500 pounds each. Mr. Robinson will leave for Egypt the last of the week.

The next meeting will be held on the second Friday in February. All parents and those interested in the welfare of the boy and the girl are urged to be present.

**AFTER SICKNESS OR OPERATION**

**It is a pathetic mistake to accept drugs or alcoholic mixtures when nature craves nourishment to repair the wasted body and restore the vigor of health.**

For forty years the best physicians have relied on the wholesome predigested nourishment in Scott's Emulsion which is totally free from alcohol or opiates.

Scott's Emulsion sharpens the appetite—renews blood—nourishes nerves—strengthens bones and restores the courage of health to make life bright.

Scott's Emulsion sets in action the very forces that promote health; it is pure, rich strength.
