

Never Before—and, I Hope, Never Again

I hope never again to be forced to sell goods at such ridiculous prices, but the money must be raised regardless of the cost of the article. Many surprised customers have attended this sale, people who did not intend to buy, but who bought now, and all we ask is a visit to price the articles.

Can you give me one instance where the "Big Ben" Clock sold for less than \$2.50 (the selling price)? Now we will sell two dozen of these clocks (one to a customer) at \$2.00 cash. Mail orders 5c extra.
