

NOW THAT THEY VOTE WANT JOBS

Women Taking Advantage of New Rights in Illinois.

CANDIDATES BY THE SCORE.

Feminine Voters in Race For Public Offices in Many Counties—Give Preference to Position of Township Collector—One Woman Seeks to Become Mayor.

Illinois women, as active candidates for office at the approaching spring elections, are smashing political precedents all over the state.

The new suffrage law grants to women the privilege of "running" for all of the statutory offices for which they may vote. Reports to the Chicago Tribune from many of the 101 down state counties indicate there is a large field of women who have filed nominating petitions.

From all over the state reports come that there is to be an exceptionally heavy vote of women at the township elections in April, owing to the fact that the local option question is to be submitted in more than 300 townships.

Township collector is the job that most of the women candidates are after. The collectorship in the larger cities is the "fattest" political job, paying the largest compensation for the least physical work. Many of the women candidates want to do the township assessing. Some are seeking places as school trustees. The county board of supervisors looks good to a substantial squad of the new voters.

Woman Aspires to Mayoralty.

There is but one announced candidate for mayor—Mrs. Mary Kennedy of Mount Carroll—and there are scattering reports of women who would like to sit in town councils.

Mrs. Kennedy, who has the distinction of being the first woman candidate for mayor in Illinois, is a Democrat in national politics, but is running for mayor of Mount Carroll on the Citizens' ticket. She is fifty-five years old, married and has two daughters.

On the ticket with Mrs. Kennedy will be Miss Mary S. Hunter, daughter of former State Senator James M. Hunter. She wants to be city treasurer. Mrs. Rebecca E. Ank, a widow with five children, is a candidate for tax collector of Mount Carroll township.

Mrs. Ida Steidl, recognized in Paris, Edgar county, as the dominant factor in a meat packing establishment in association with her three sons, is a candidate for alderman as a Progressive. The Progressives also have Miss Tatt Link as a candidate for assessor of Paris township.

Many Women Rivals.

Christian county has many women candidates for township offices. The collector's office is sought by Miss Nettie Vaughan and Mrs. Josephine Hill as opposing Democratic candidates in Taylorville township; Mrs. O. F. Snow, independent. Assumption township; Mrs. T. E. Gregg and Mrs. Maud Doty, battling as Republicans in Stoneington; Mrs. J. W. Sidell and Mrs. Ella Leighty, Democratic opponents in Tower Hill; Mrs. Mate Hendon, Democrat, in Shelbyville and Miss Flossie Kirkwood, Democrat, in Windsor.

Women are also candidates for collectors at Lincoln, Logan county; at Edwardsville; in two townships in Mason county; in Hartland township, McHenry county; at Monmouth, at Aloda, at Griggsville, at Pittsfield, at Lacon and in one township in Winnebago county.

Madison county has two women in the field, both running as Socialists in the coal mining territory, where there is a heavy Socialist vote.

Miss Dollie Oler, a young newspaper woman of Grant township, Vermillion county, has entered the race for tax collector there.

There are three women candidates at Quincy, and all three are Socialists.

UNITED STATES IMPREGNABLE

Need "Bluff" No Longer, Says English Peace Advocate.

It would take Japan thirty years, with an army of 27,000,000 men or more and with a war fund the vastness of which may not be readily computed, to make a conquest of the United States, according to a comparative computation made by Norman Angell, the English peace advocate, in a speech delivered recently in Washington under the auspices of the Carnegie peace endorsement.

The comparison was based on statistics of his country's latest war of subjugation. Mr. Angell said it took England four years, with a gigantic army and the expenditure of millions of dollars, to subdue a little country that was not even self supporting the year around and had only a small army.

In this connection Mr. Angell said the United States is obviously impregnable and that it is no longer necessary for it to "put up a bluff."

The great importance of continued peace to the United States was pointed out by the speaker in connection with the development of South America, which, he said, is being done by European capital.

He declared that the help of this country is vitally essential to the establishment of the peace movement in Europe.

Get Together Over This Golden Rule Of Business

By MOSS. **B**USINESS success is built on actual MUTUALISM. It is not a cutthroat proposition, although at times it seems so. Every phase of business activity must contribute to the WELFARE of ALL parties concerned.

Now the most SUCCESSFUL merchants in this city are CONSISTENT advertisers in this paper. They have built up their trade on SERVICE to the customer, dependable and desirable merchandise and BEST VALUES for the money.

These advertisers recognize the value of the patronage of the readers of this paper. That's why they are spending their money with us to display their news.

Don't you think in justice to yourself and to them that you should make it a point to follow their ads. CLOSELY and CONSISTENTLY? They are trying to save you money by their special inducements. If it pays them to get your trade it pays you to give it where it is made worth while.

The merchant advertises because he wants to GET TOGETHER with YOU. You ought to watch his ads, because you want to GET TOGETHER with HIM. Your interests and his are actually and positively MUTUAL.

A bowl of cold soup is charged with being responsible for a shooting affray in a St. Louis restaurant. Will any one rise to oppose the enactment of a federal prohibition law against cold soup?

An insulting janitor is good enough cause for breaking a lease, a Manhattan court holds. This makes the lease notion obsolete. No Chesterfields, so far as we know, have ever hired out as janitors.
